[57] CLAIM

[11]

[45]

The ornamental design for a spoon shaped eating utensil, as shown and described.

#### **DESCRIPTION**

FIG. 1 is an isometric view of the spoon shaped eating utensil showing my new design;

FIG. 2 is an isometric view of a second embodiment of the spoon shaped eating utensil;

FIG. 3 is a top view of the spoon illustrated in FIG. 2;

FIG. 4 is a top view of the spoon illustrated in FIG. 1;

FIG. 5 is a rear elevation view of the spoon illustrated in FIG. 4;

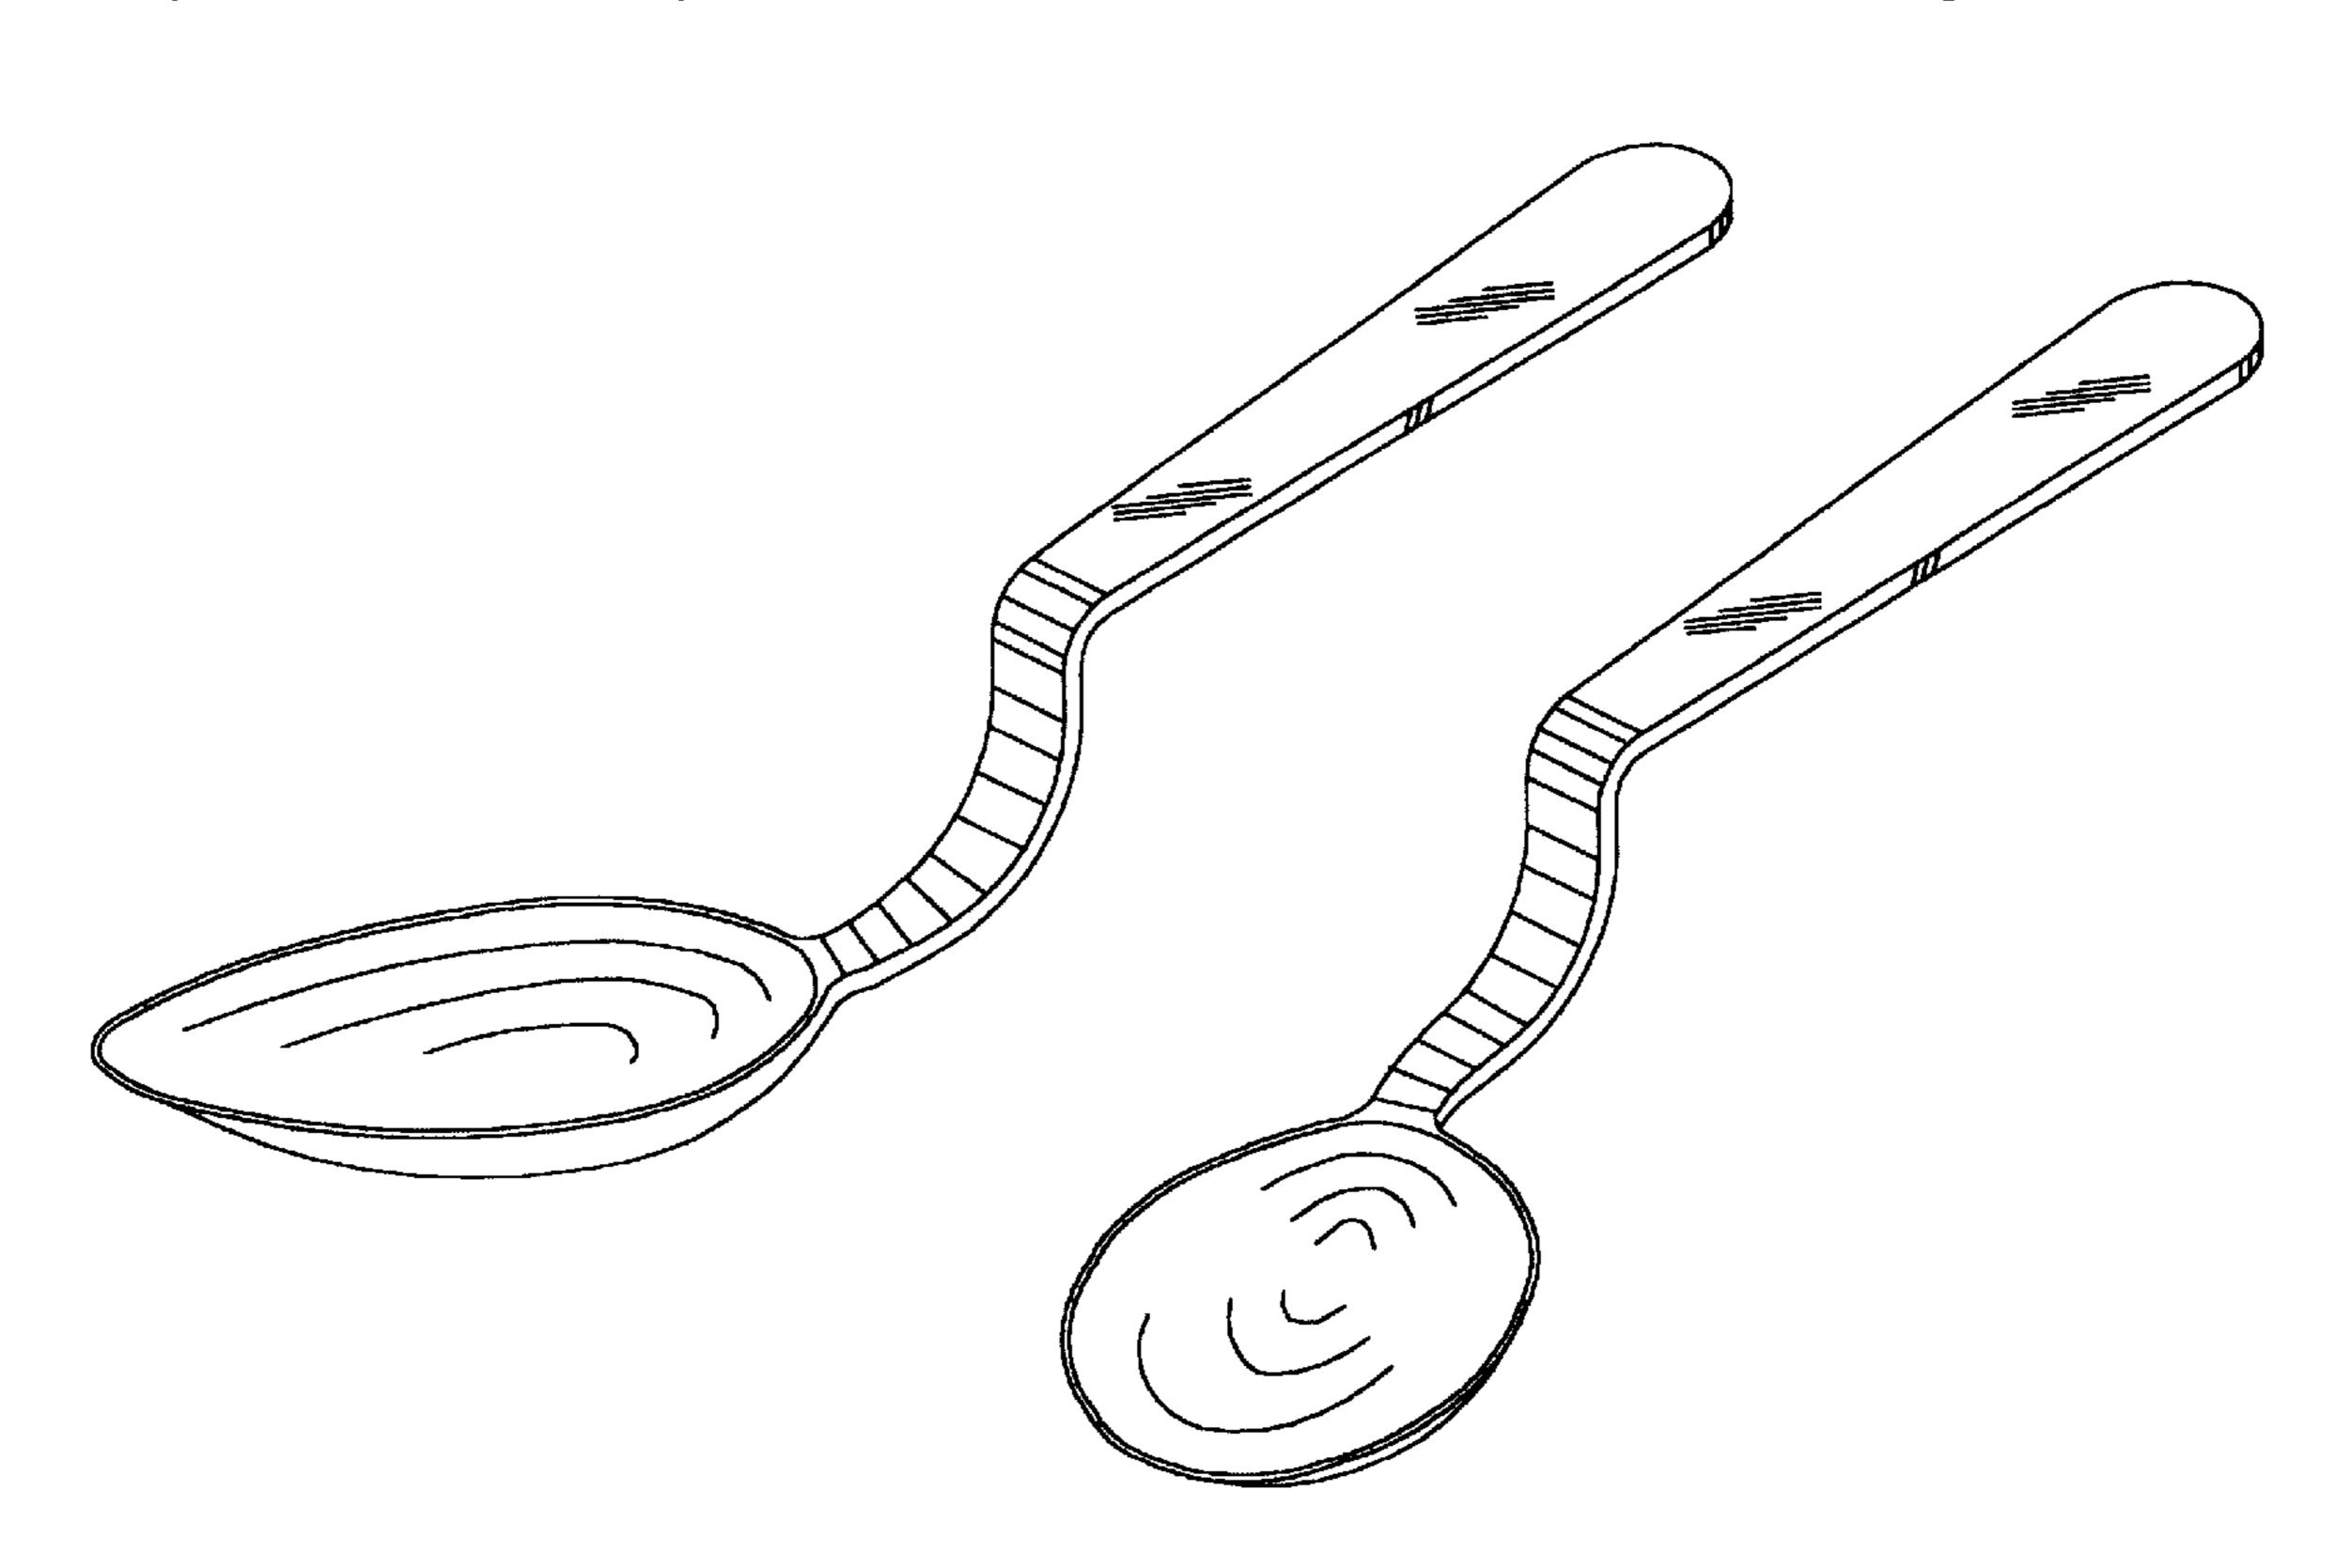

FIG. 6 is a front elevation view of the spoon illustrated in FIG. 4;

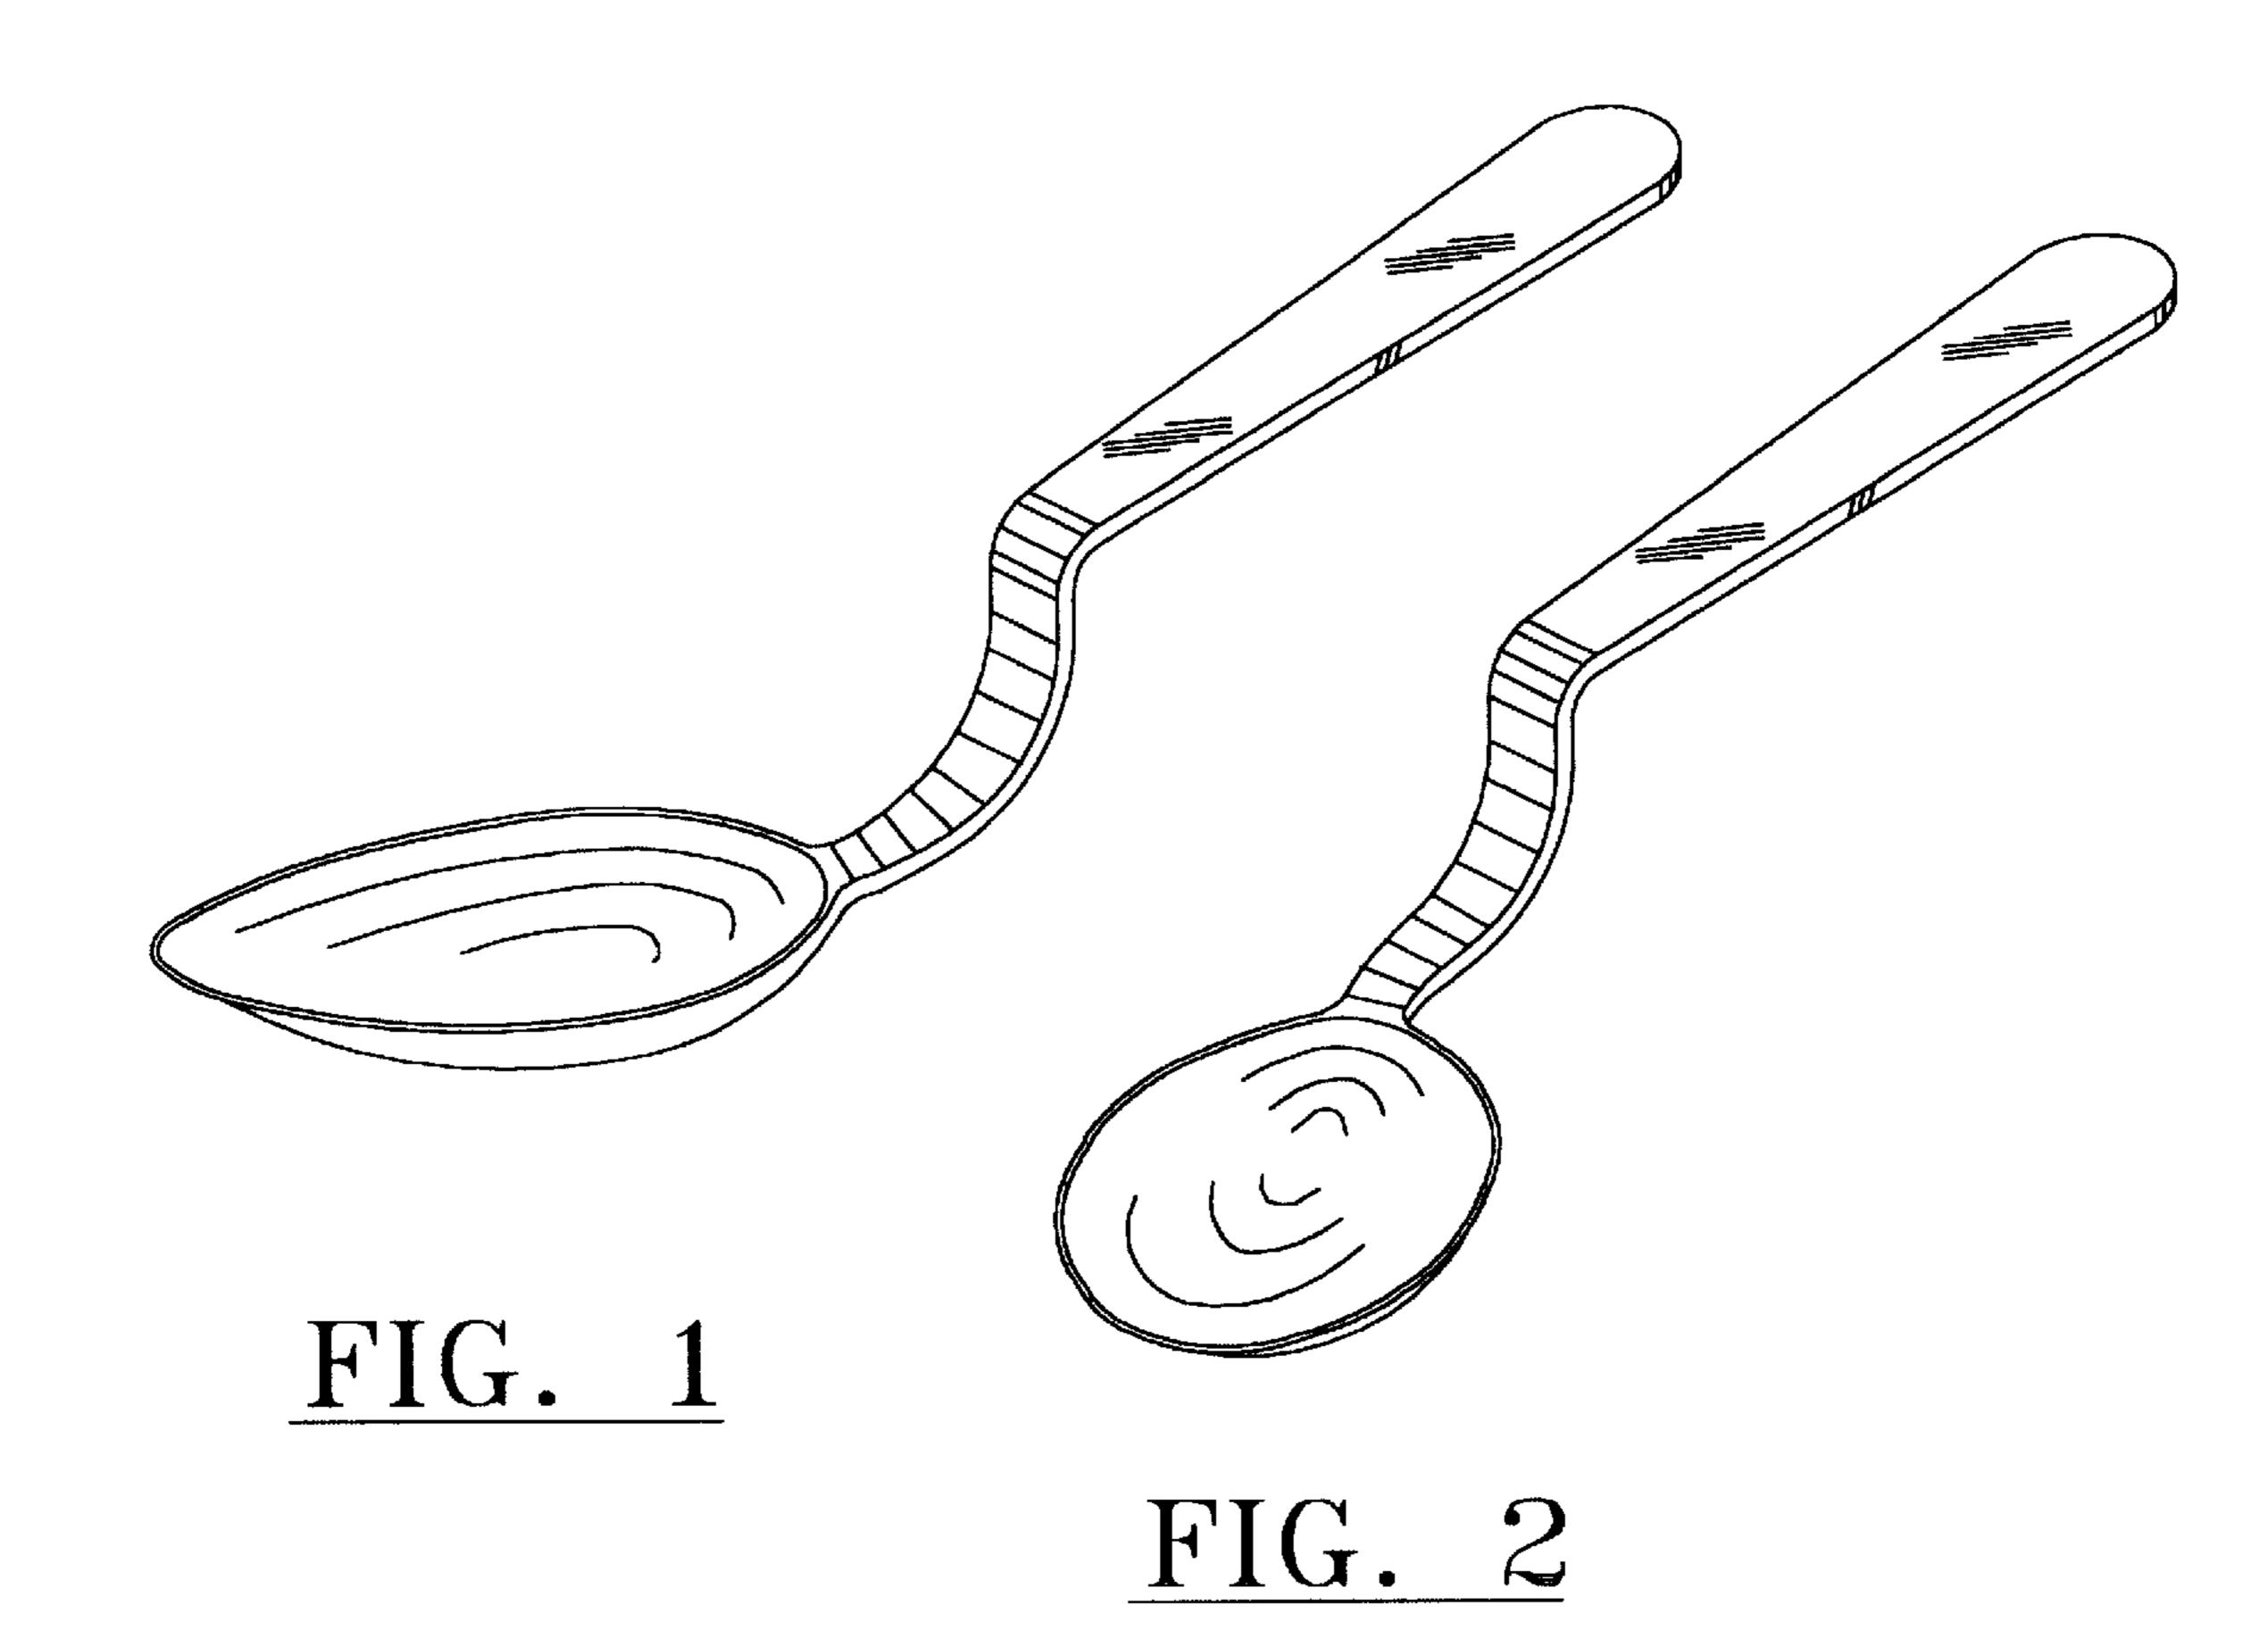

FIG. 7 is a right end view of the spoon illustrated in FIG. 3; and,

FIG. 8 is a left end view of the spoon illustrated in FIG. 3. The right and left end views of the first embodiment are substantially similar to FIGS. 7 and 8 except for the handle in the first embodiment is offset to the right.

The rear and front views of the second embodiment are similar to FIGS. 5 and 6.
