### [57] CLAIM

The ornamental shape and design for a soap dispenser pump tip, as shown and described.

### DESCRIPTION

Applicant has disclosed a new, original and ornamental design, a soap dispenser pump tip, which is installed in soap dispensers that are typically wall-mounted in business and public restrooms and stocked with liquid hand detergent, liquid soaps compound, hand lotion, and similar compound, which is thereby available for use on demand. What the applicant claims as his design is substantially illustrated but without regard to choice of materials or dimensional particularity.

FIG. 1 is a front elevation perspective view of the pump tip showing my new design;

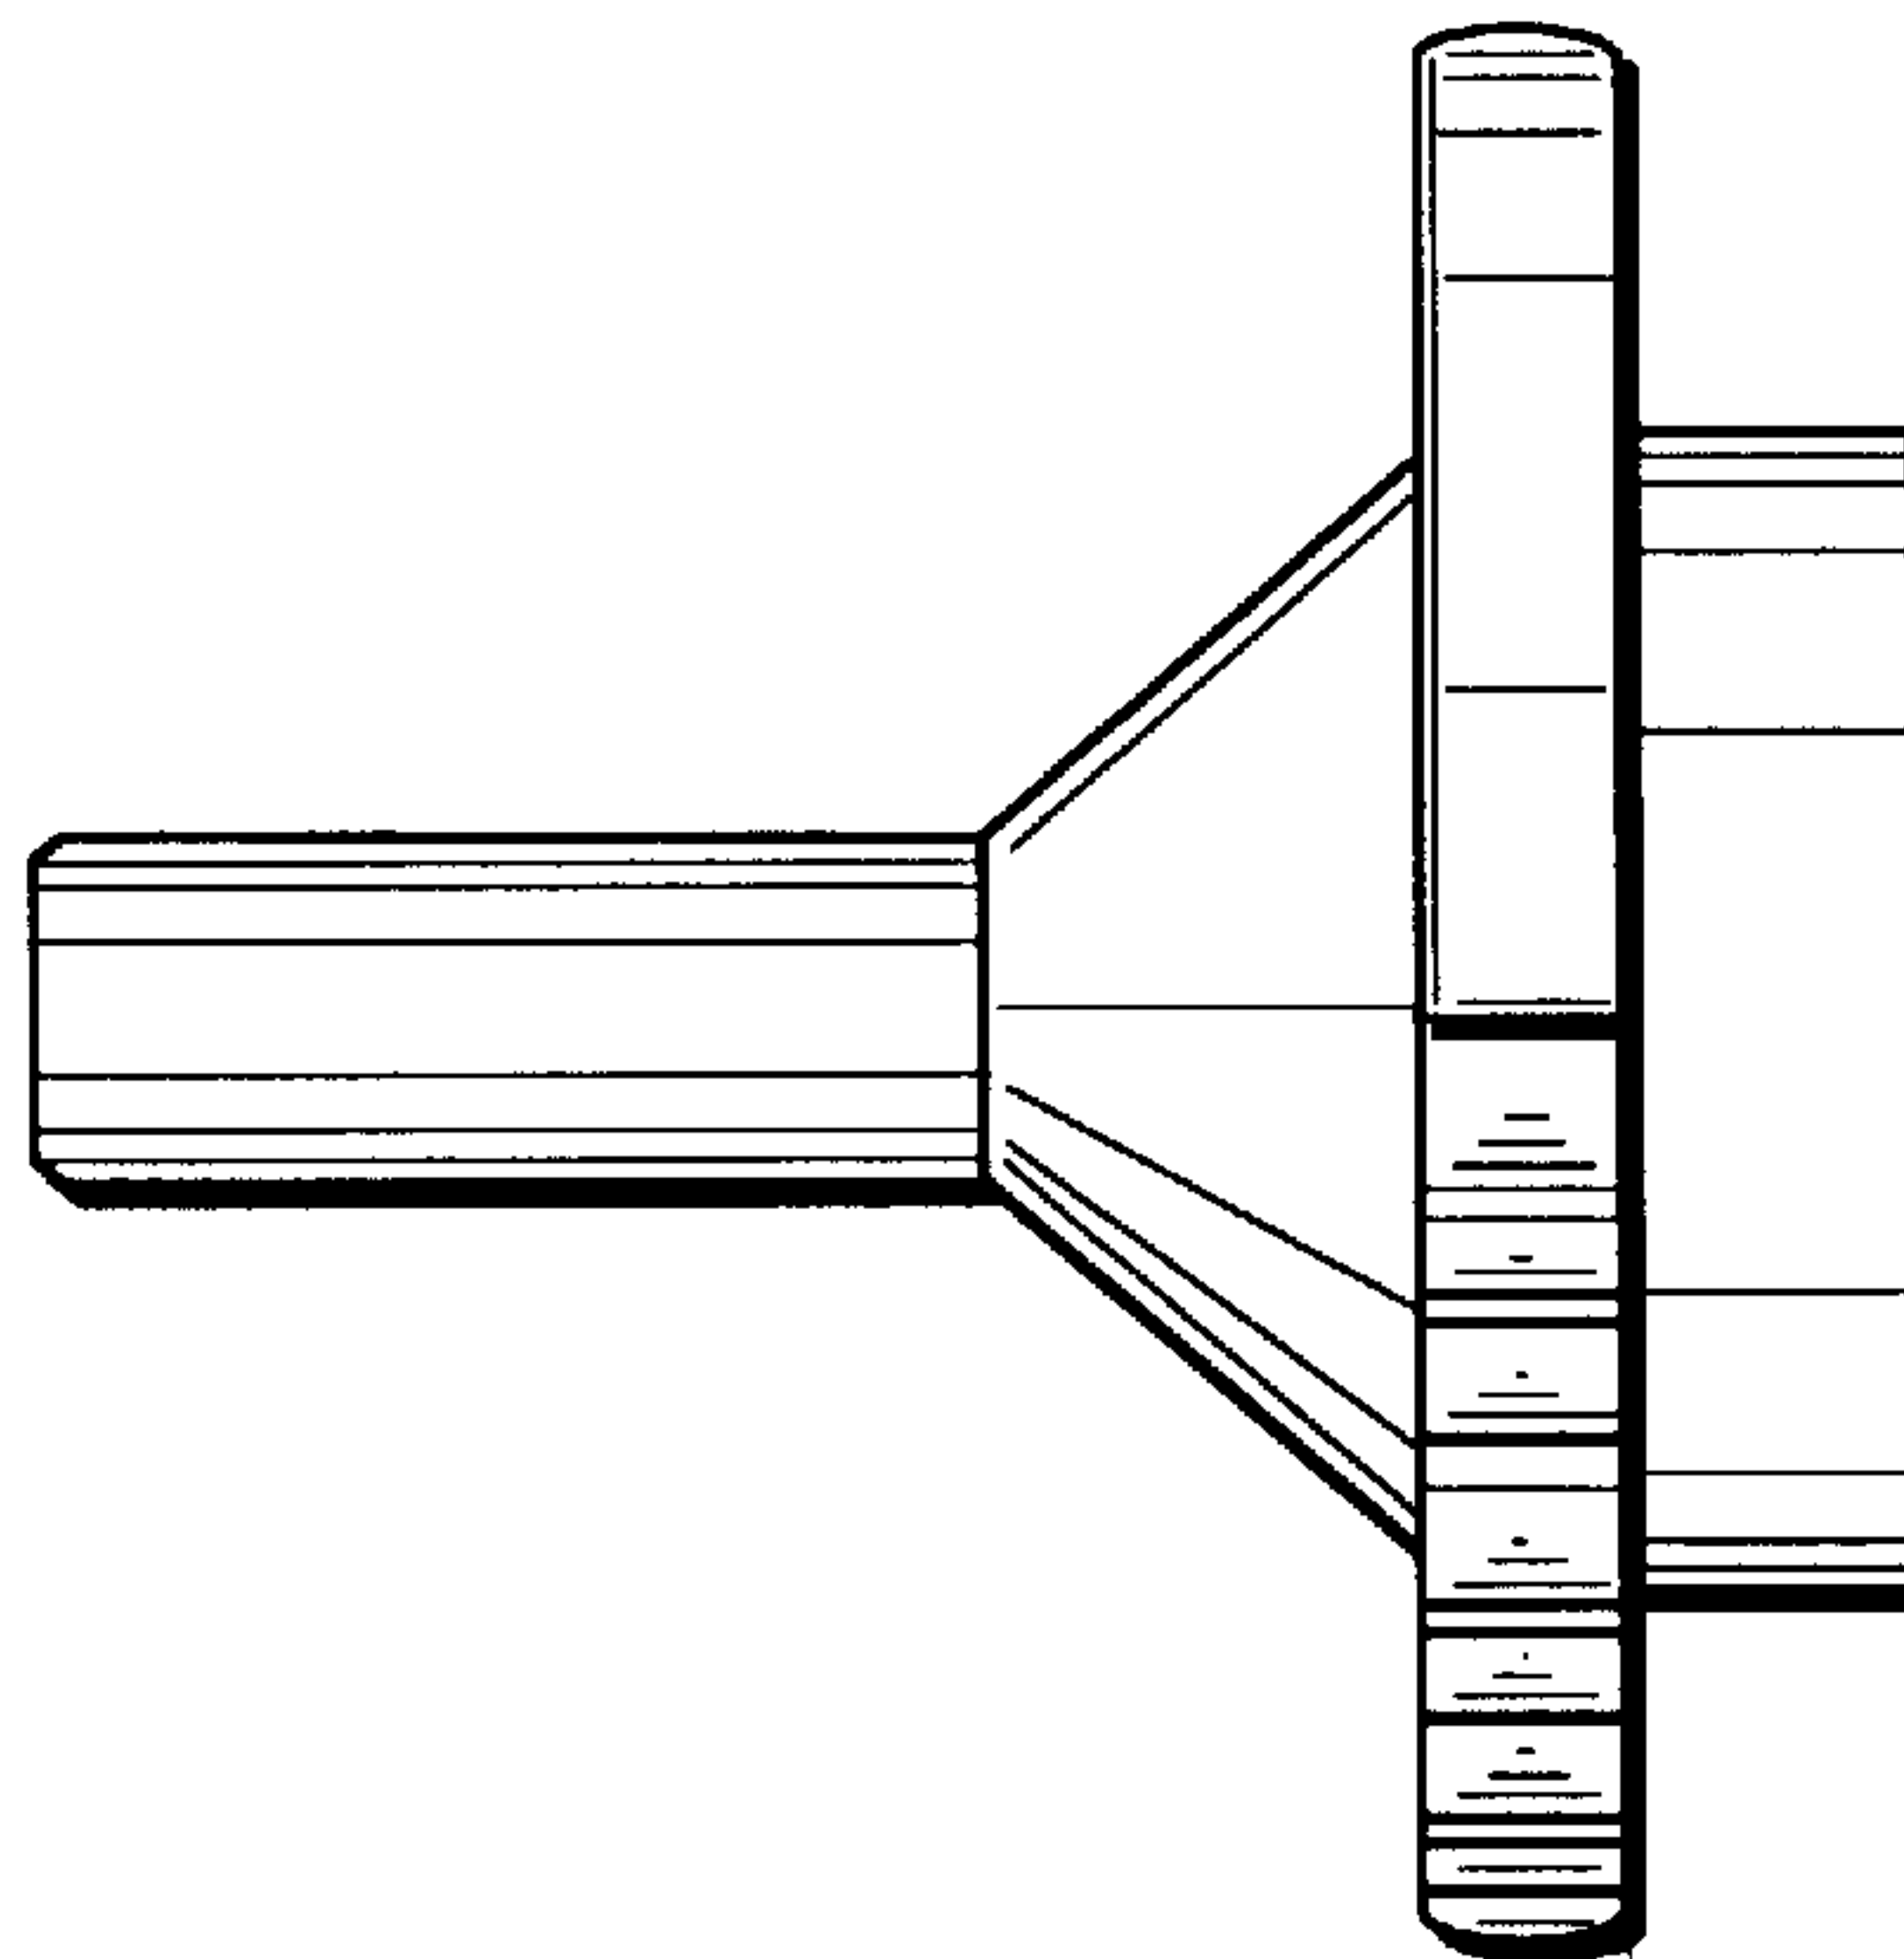

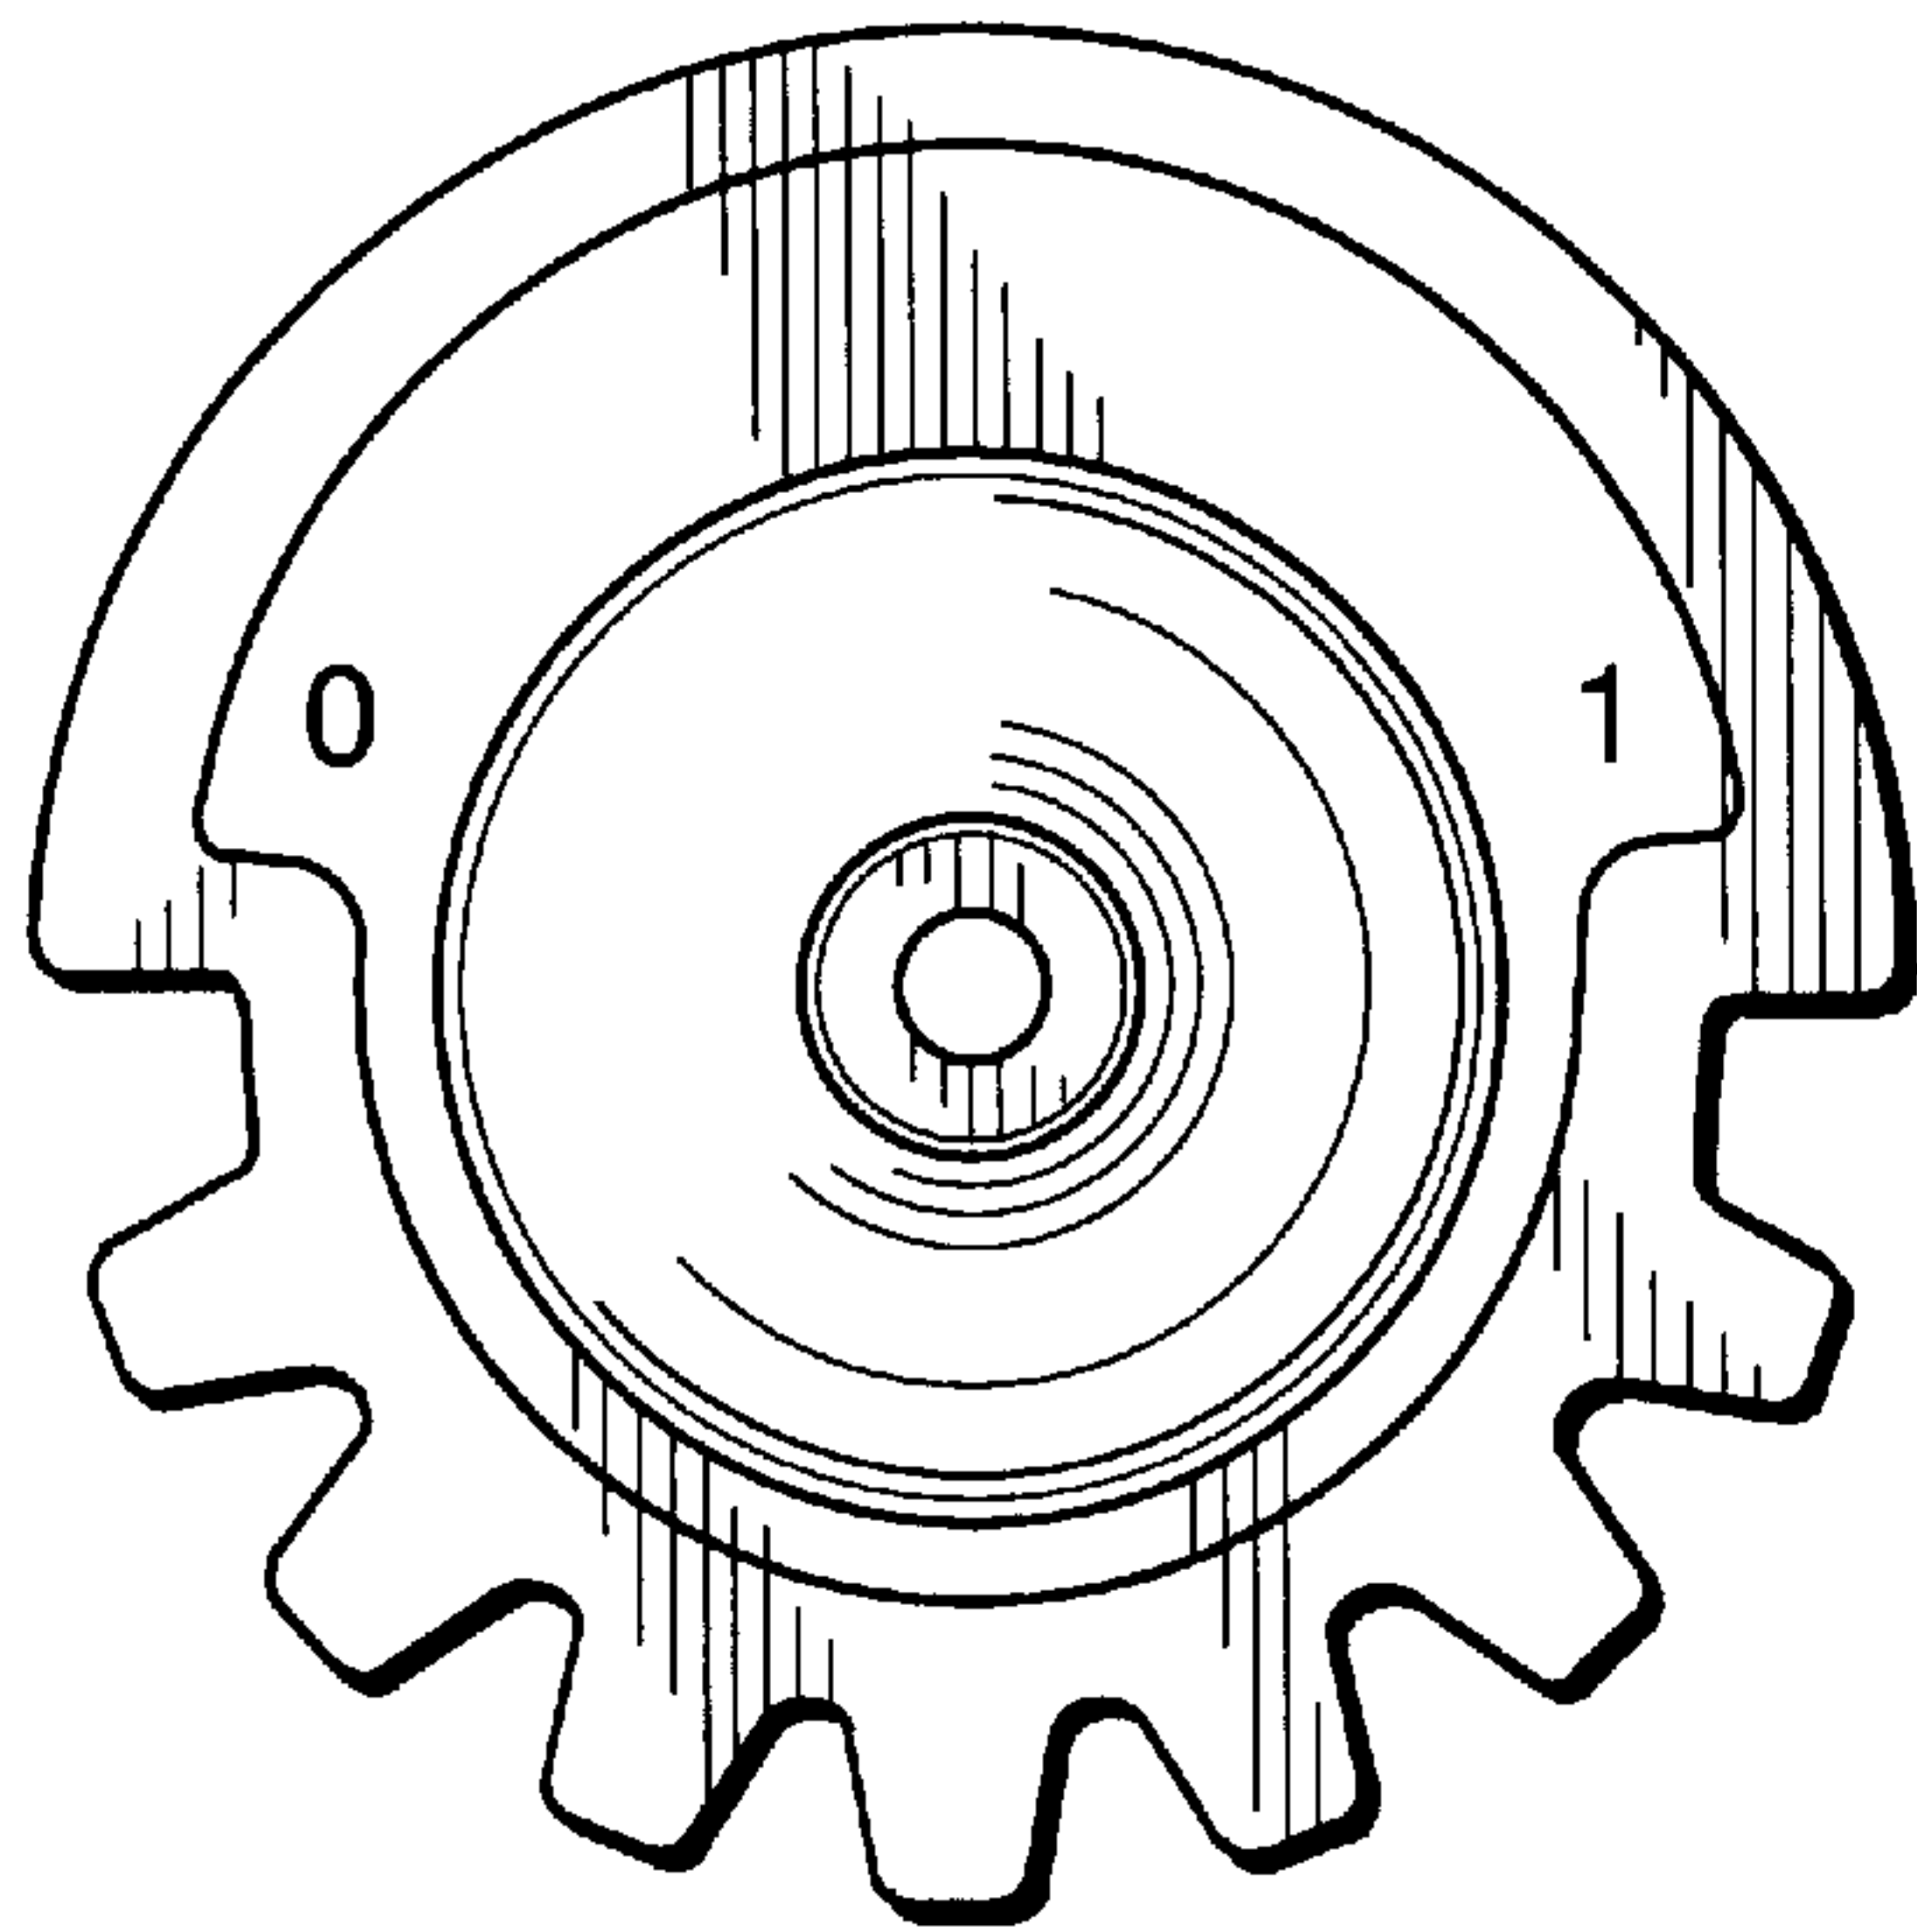

FIG. 2 is a rear elevation thereof;

FIG. 3 is a side elevation thereof;

FIG. 4 is a top plan thereof; and,

FIG. 5 is a bottom plan thereof.
