[57] CLAIM

The ornamental design for a top surface of a floor mat, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a first embodiment of the top surface of a floor mat according to our novel design; and, FIG. 2 is a top plan view of a second embodiment of the top surface of a floor mat according to our novel design, the sole difference from the first embodiment resides in the opposite alternating pattern of light to dark areas.
