[57] **CLAIM**
The ornamental design for a pinion cap, as shown and
described.

DESCRIPTION
FIG. 1 is a perspective view of a pinion cap showing our new
design;
FIG. 2 is a front view of a design of a pinion cap according
to the present invention, the rear being unornamented;
FIG. 3 is a top view of a design of a pinion cap according
to the present invention, the bottom being unornamented;
FIG. 4 is a left side of a design of a pinion cap according to
the present invention; and,
FIG. 5 is a right side view of a design of a pinion cap
according to the present invention.
The broken line disclosure is for illustrative purposes only
and forms no part of the claimed design.
