[57] CLAIM

The ornamental design for a plant and flower collapsible container, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of the plant and flower collapsible container showing my design.

FIG. 2 is a top view of the first embodiment of the plant and flower collapsible container showing my design.
FIG. 3 is a left-sided view of the first embodiment of the plant and flower collapsible container.
FIG. 4 is a right-sided view of the first embodiment of the plant and flower collapsible container.
FIG. 5 is a rear view of the first embodiment of the plant and flower collapsible container showing my design.
FIG. 6 is a front view of a second embodiment of the plant and flower collapsible container showing my design.
FIG. 7 is a top view of the second embodiment of the plant and flower collapsible container showing my design.
FIG. 8 is a left-sided view of the second embodiment of the plant and flower collapsible container.
FIG. 9 is a right-sided view of the second embodiment of the plant and flower collapsible container.
FIG. 10 is a rear view of the second embodiment of the plant and flower collapsible container showing my design.
FIG. 11 is a front view of the third embodiment of the plant and flower collapsible container showing my design.
FIG. 12 is a top view of the third embodiment of the plant and flower collapsible container showing my design.
FIG. 13 is a left-sided view of the third embodiment of the plant and flower collapsible container.
FIG. 14 is a right-sided view of the third embodiment of the plant and flower collapsible container.
FIG. 15 is a rear view of the third embodiment of the plant and flower container showing my design.
FIG. 16 is a front view of the fourth embodiment of the plant and flower collapsible container showing my design.
FIG. 17 is a top view of the fourth embodiment of the plant and flower collapsible container showing my design.
FIG. 18 is a left-sided view of the fourth embodiment of the plant and flower collapsible container.
FIG. 19 is a right-sided view of the fourth embodiment of the plant and flower collapsible container; and,
FIG. 20 is a rear view of the fourth embodiment of the plant and flower collapsible container showing my design.
The bottom view of the first through fourth embodiments of the plant and flower collapsible container is plain and non-ornamental.
The right-sided view of the first through fourth embodiments of the plant and flower collapsible container is plain and non-ornamental.

The left-sided view of the first through fourth embodiments of the plant and flower collapsible container is plain and non-ornamental.
