[57] **CLAIM**

The ornamental design for an all-weather pantry unit, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an all-weather pantry unit showing my new design; the opposite side being a mirror image thereof;

FIG. 2 is a rear perspective view, the opposite side being a mirror image thereof;

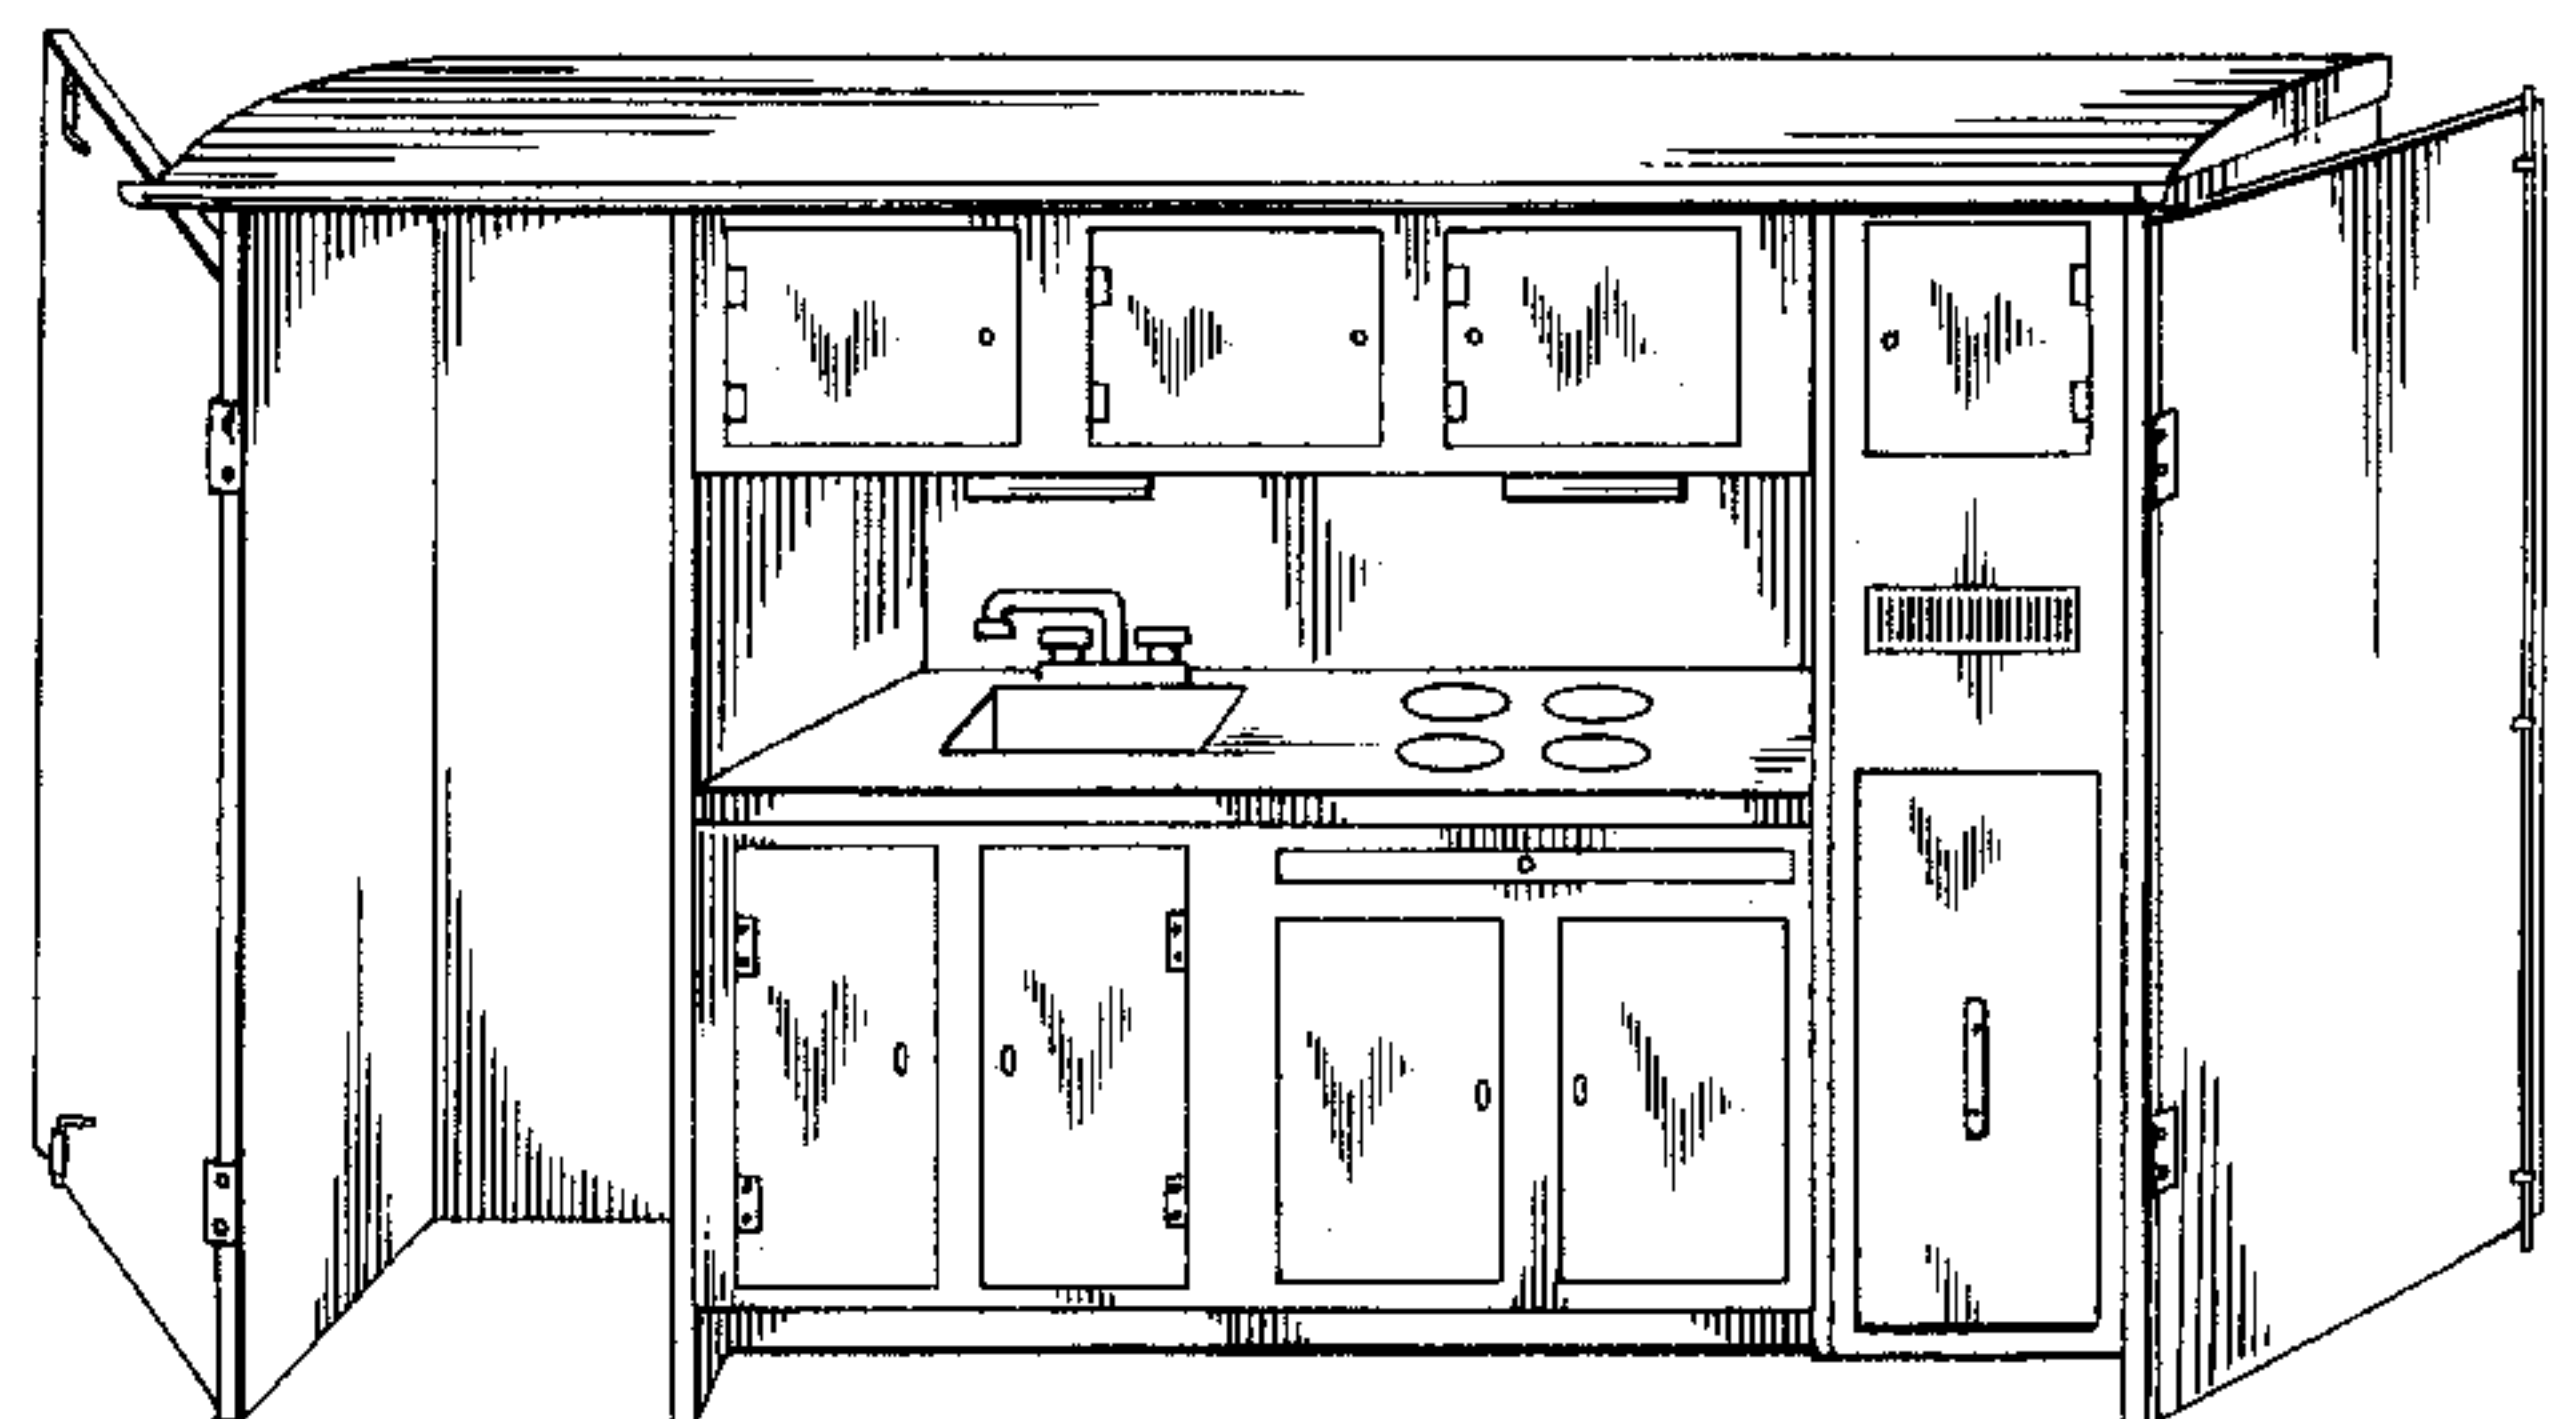

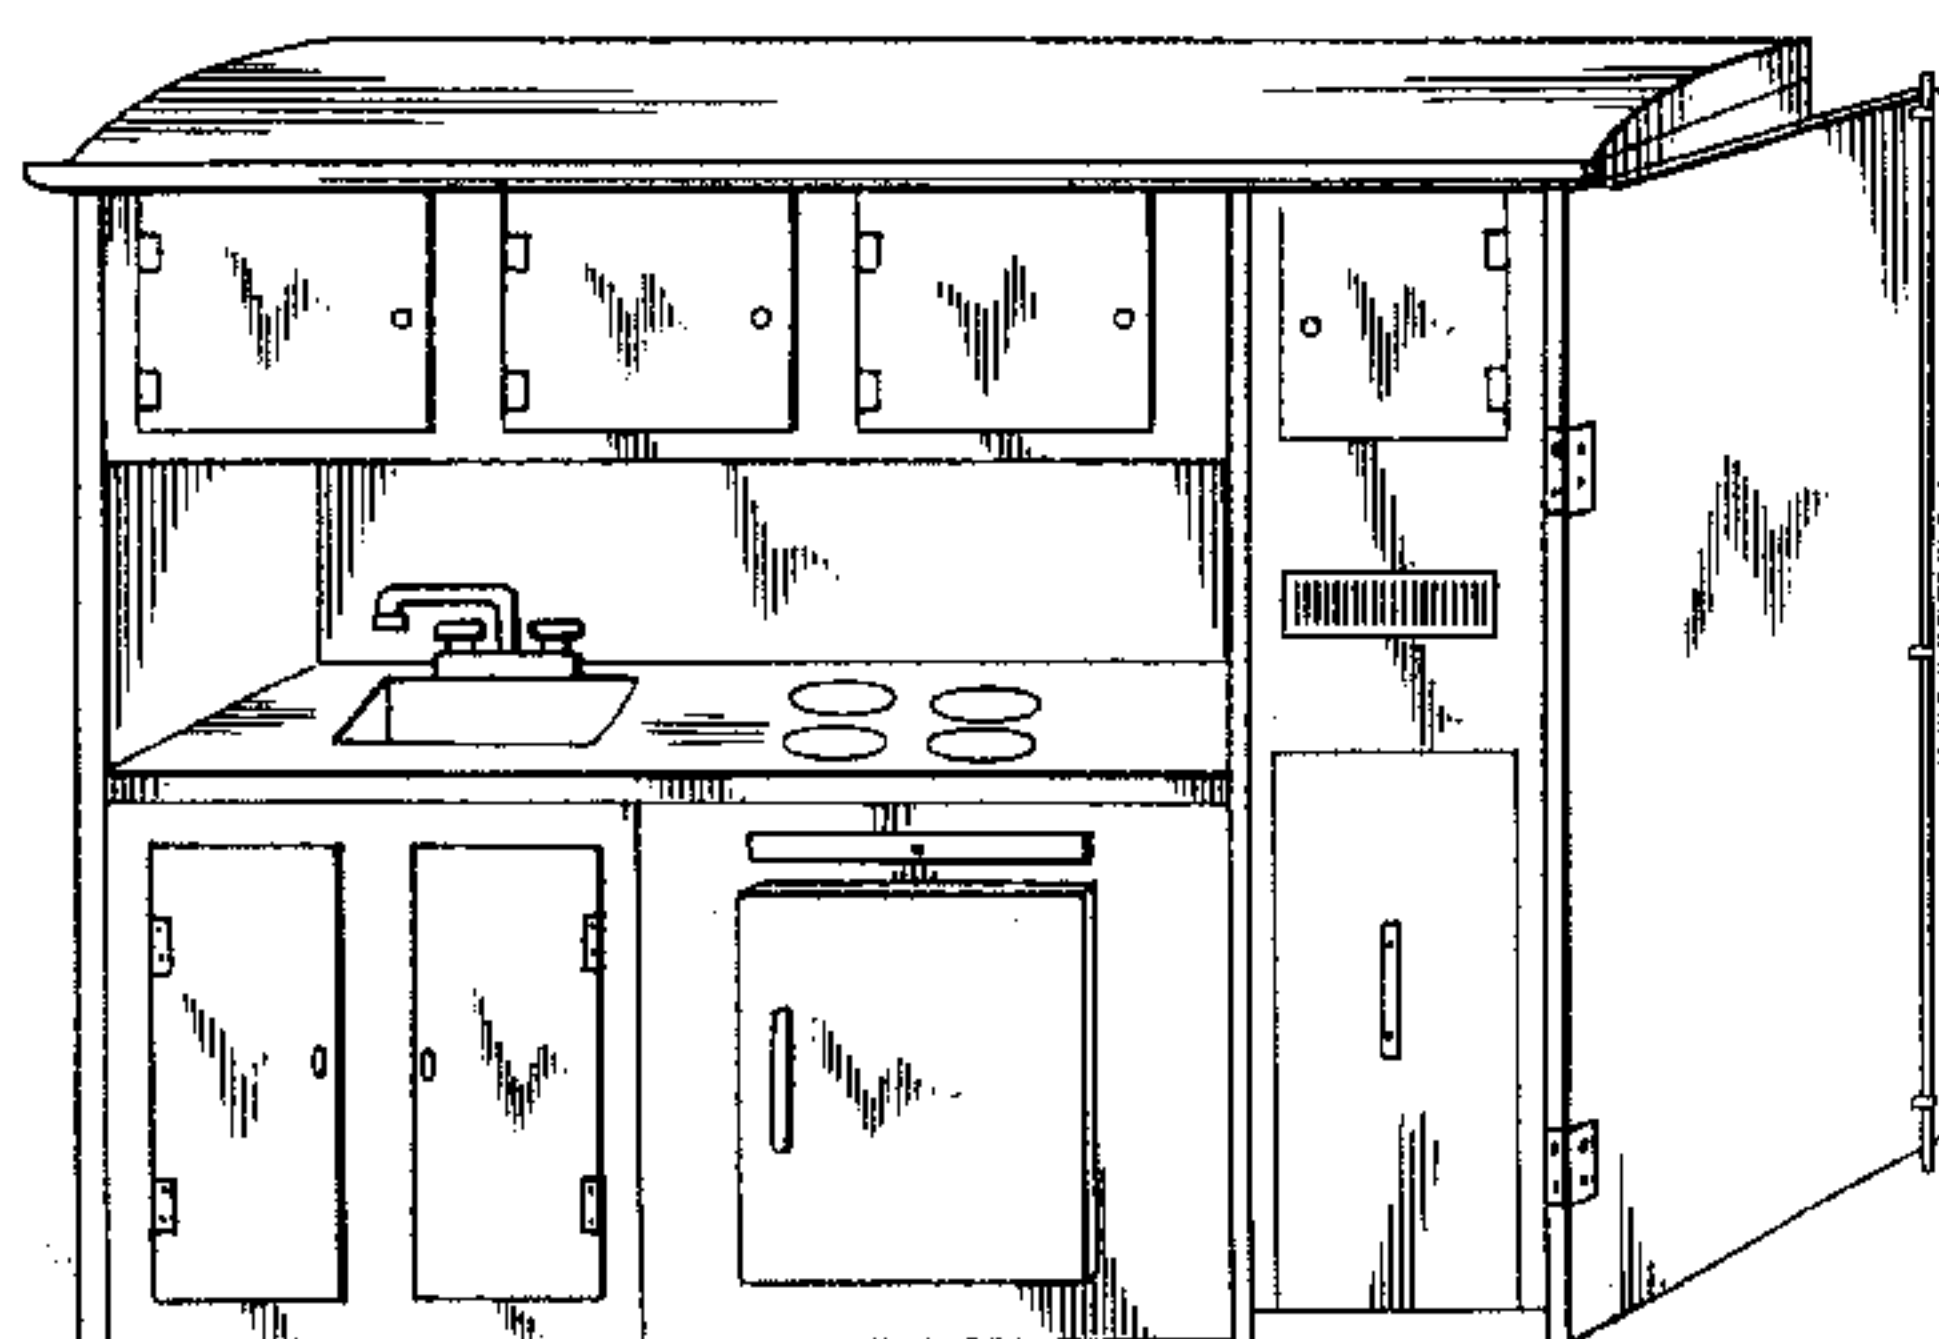

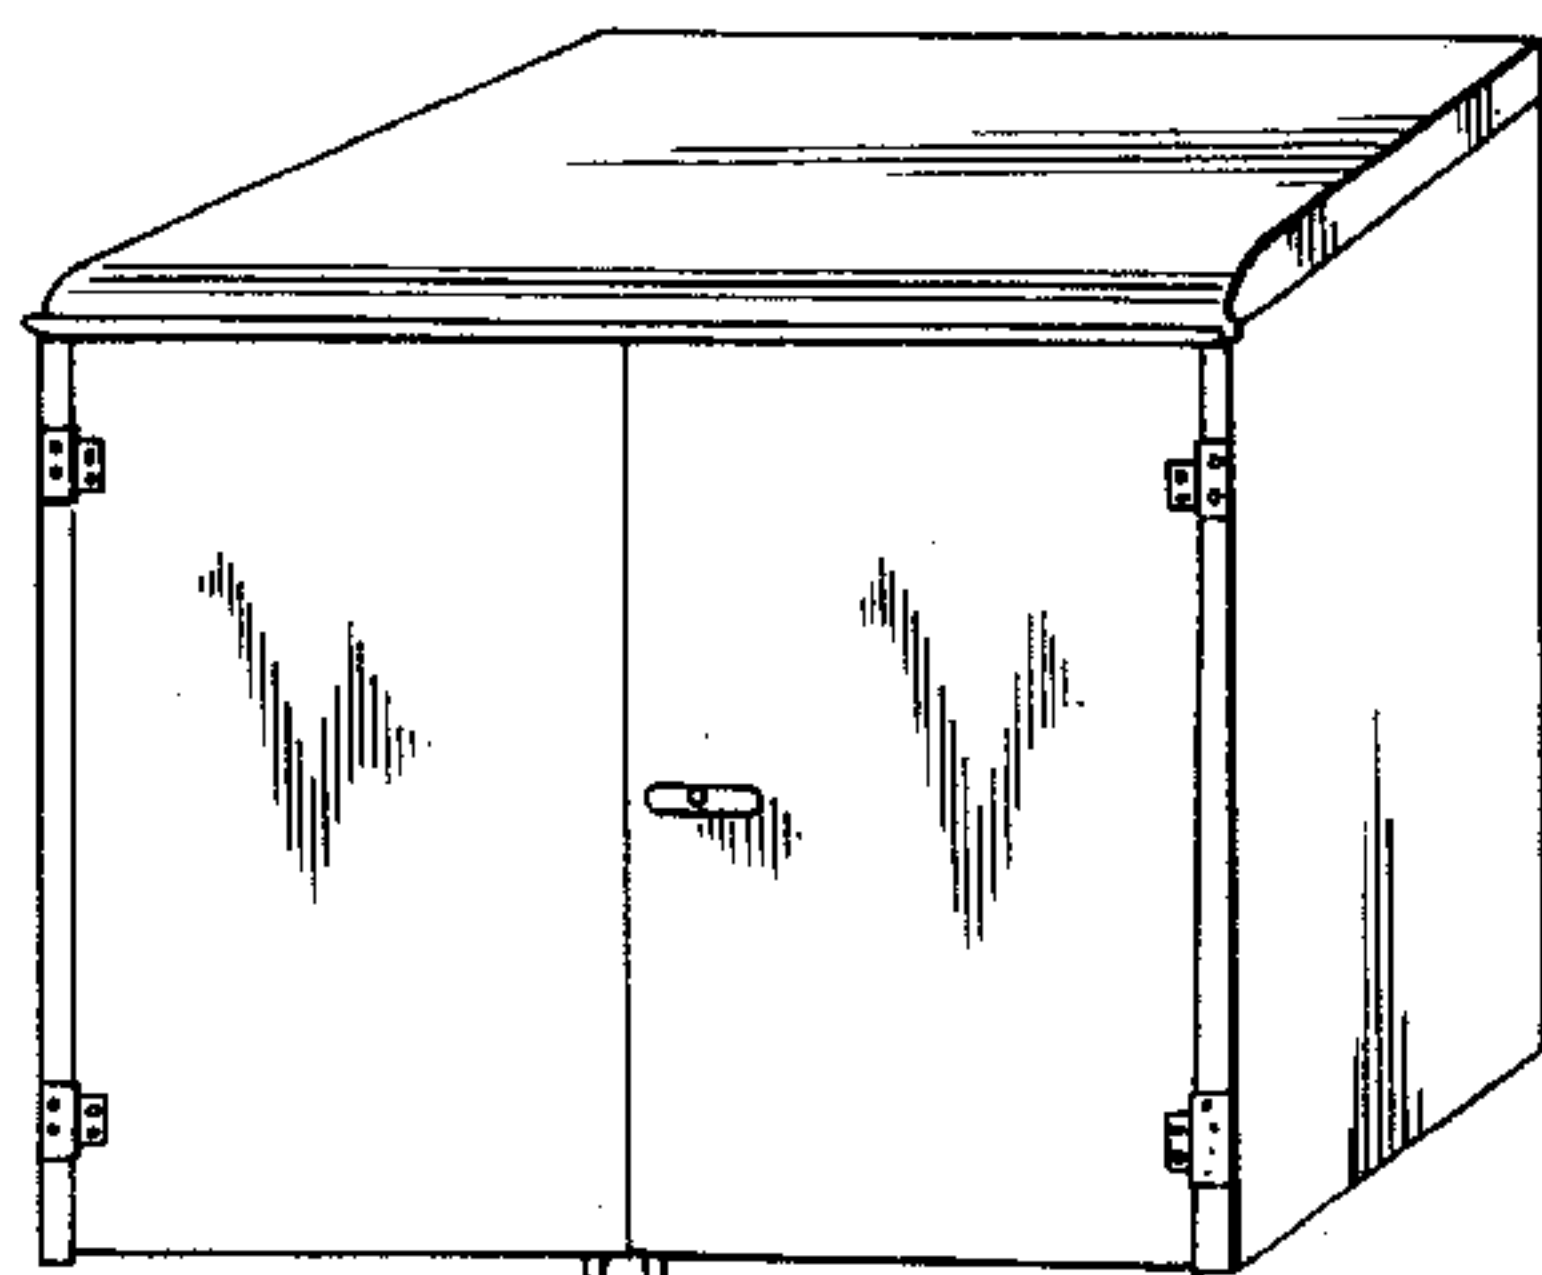

FIG. 3 is a front perspective view with the doors in partially open condition; and

FIG. 4 is a front perspective view with the right door in open position, and the left door removed for convenience of illustration; and,

FIG. 5 is a front perspective view of the all-weather pantry unit of a second embodiment of the invention.

The surfaces or portions of the article not shown in the drawing or described in the specification form no part of the claimed design.
