[57] **CLAIM**
The ornamental design for a lightning discharge strip, as shown and described.

DESCRIPTION
FIG. 1 is a front perspective view of a lightning discharge strip showing the new design of the present invention; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof, which view is identical to the rear elevational view; FIG. 4 is a left end view thereof, which view is identical to a right end view thereof; and, FIG. 5 is a bottom plan view thereof. The broken line showing throughout the drawing figures is included for the purpose of illustrating environmental structure only and forms no part of the claimed design.
