[57] **CLAIM**

The ornamental design for a flexible protective shield for trailer hitch, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a flexible, protective shield for trailer hitch, showing my design, the rear perspective view being identical thereto;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a left side elevation view thereof; and,

FIG. 5 is a right side elevation view thereof, being a mirror image of the left side elevation view, the front and rear elevation views being mirror images of the left and right side elevation views.

The surface(s) or portion(s) of the article not shown in the drawing or described in the specification form(s) no part of the claimed design.
