[57] **CLAIM**

The ornamental design for a roll-formed channel for retail displays, as shown and described.

DESCRIPTION

FIG. 1 is a perspective front view of the roll formed channel for retail displays of the present invention;

FIG. 2 is a perspective rear view of the roll formed channel for retail displays of the present invention;

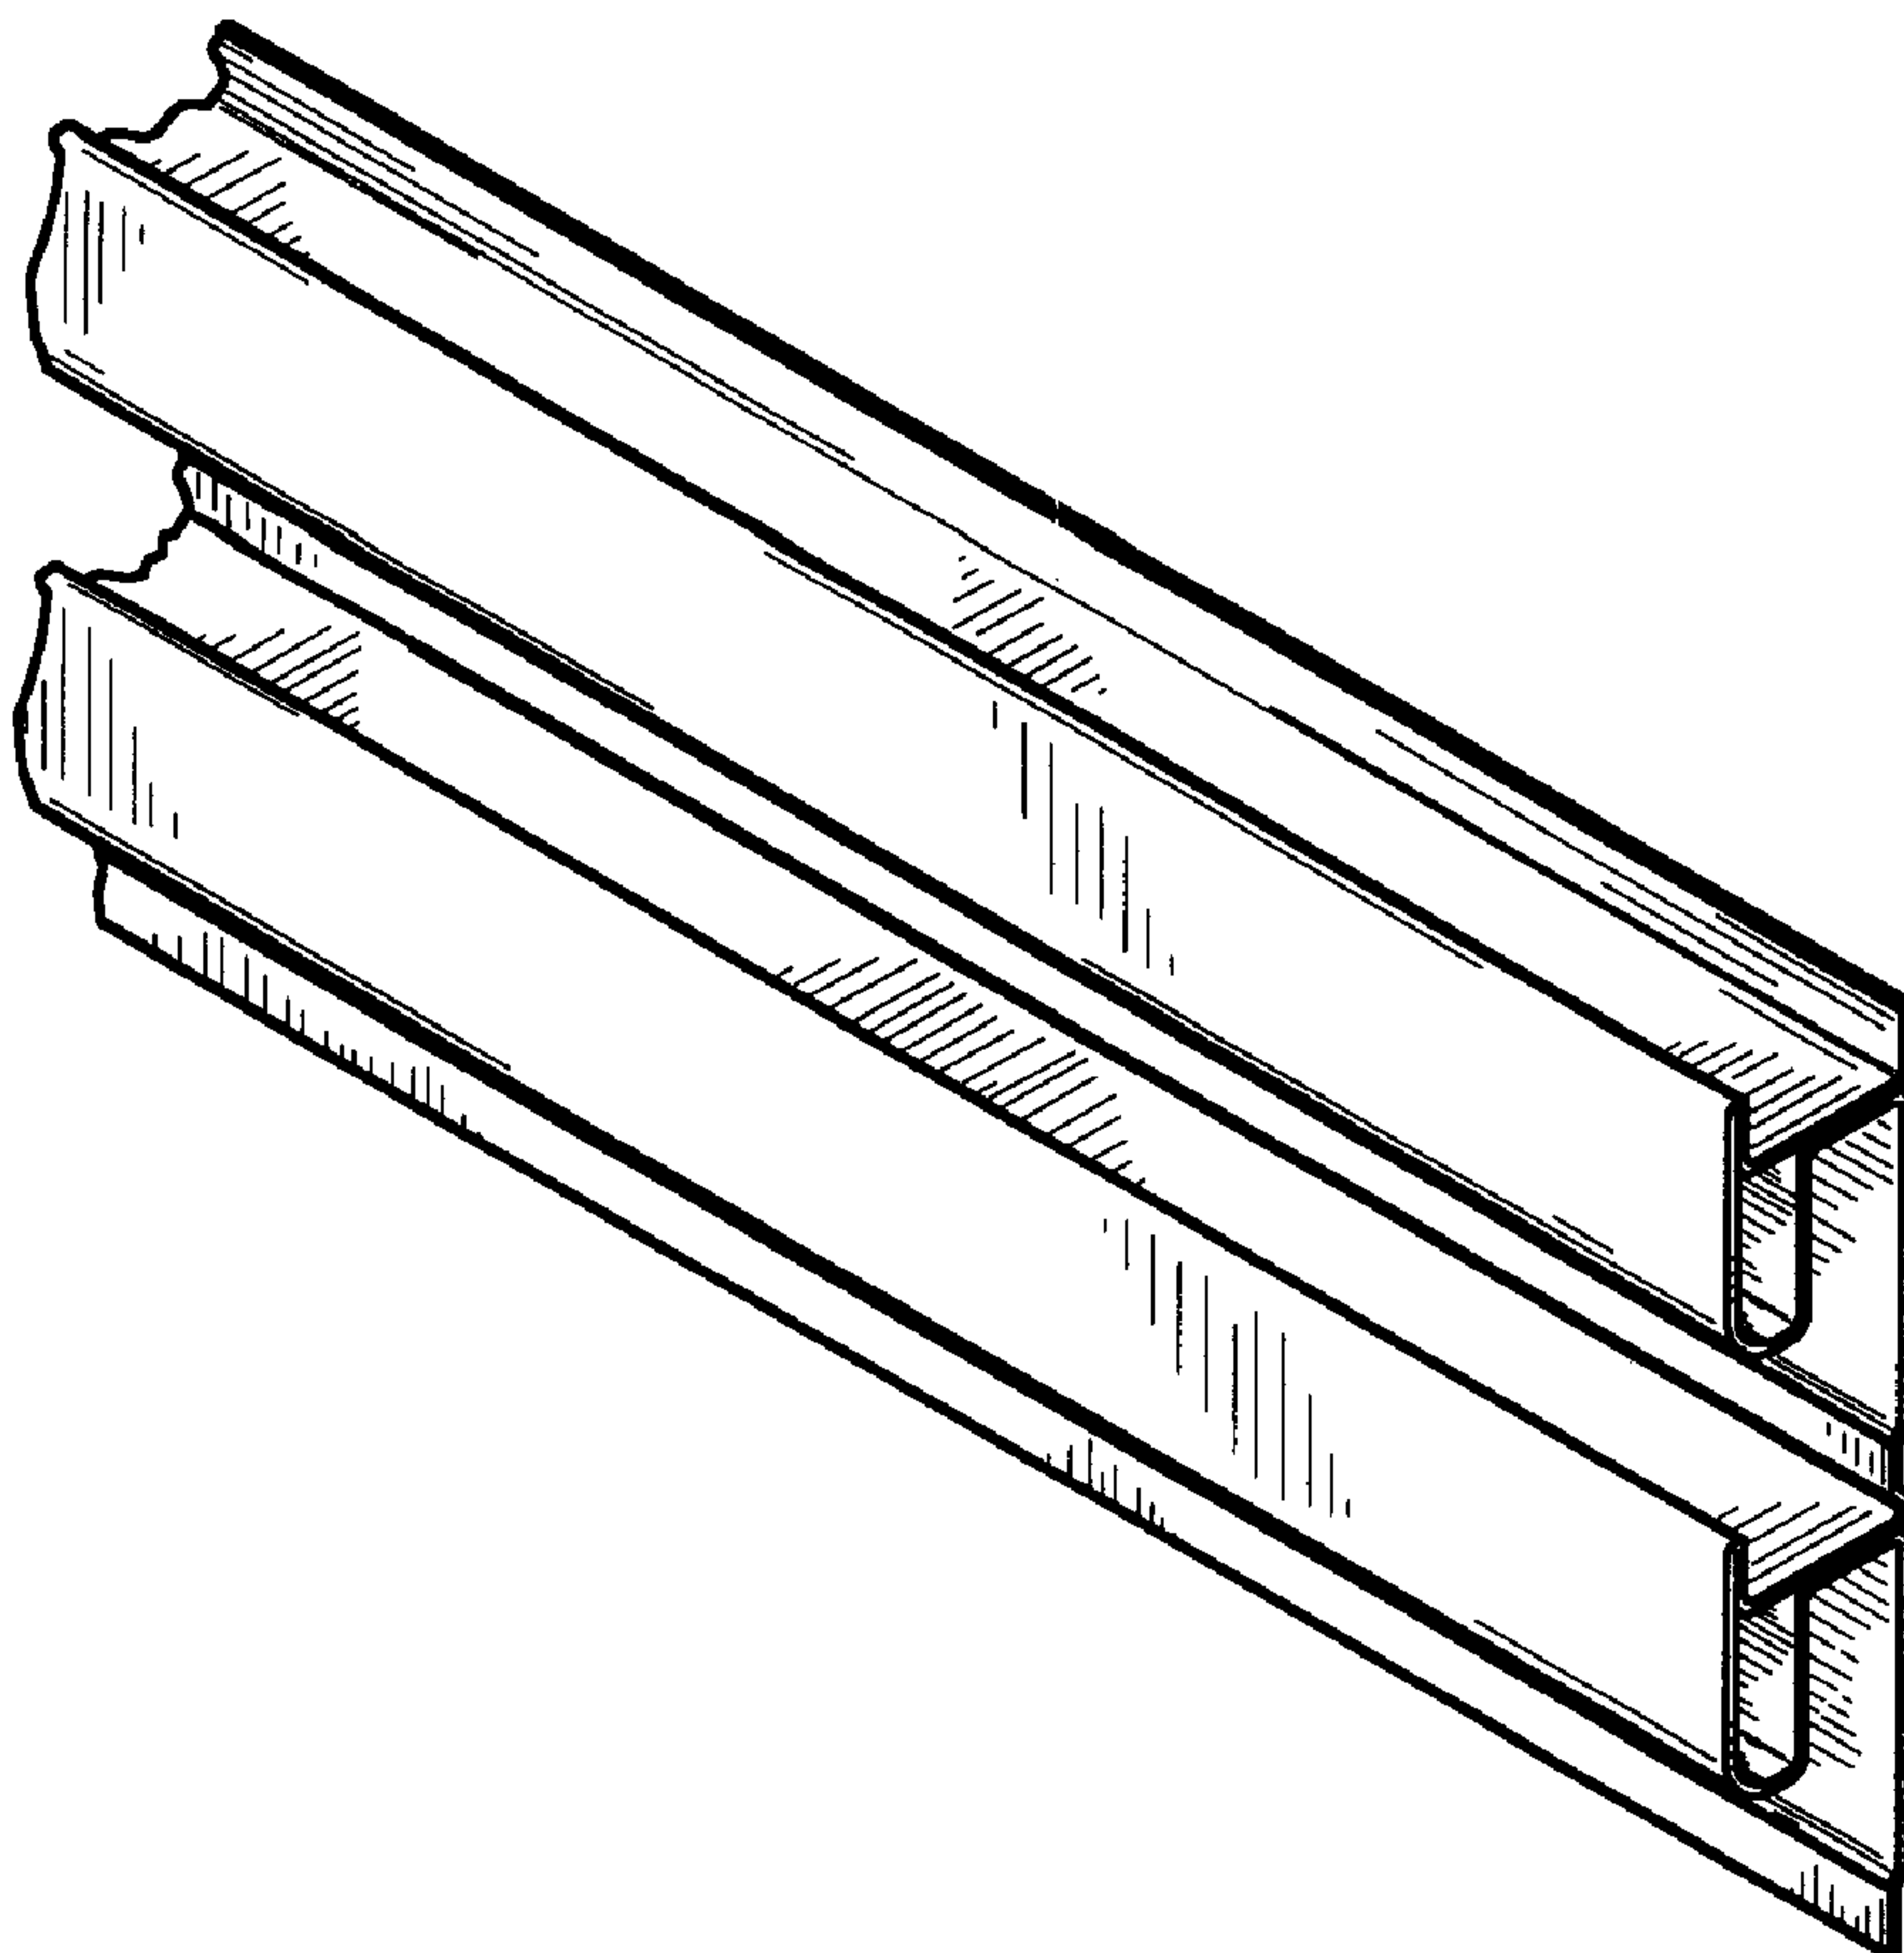

FIG. 3 is an end view of the roll formed channel for retail displays of the present invention;

FIG. 4 is an elevation view of the roll formed channel for retail displays of the present invention; and,

FIG. 5 is an elevation view of the roll formed channel for retail displays of the present invention.

The design is shown broken away in all of the drawing views to indicate indeterminate length. The broken line disclosure is for illustrative purposes only and forms no part of the claimed design.
