[57] **CLAIM**

The ornamental design for a wheeled standing board for a baby carriage or stroller, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a wheeled standing board for a baby carriage or stroller, showing the top view, front view and right side view with the wheels removed, showing my new design;

FIG. 2 is a rear perspective view showing the top view, rear view and right side view thereof; and,

FIG. 3 is a bottom plan view thereof.

The left side view is a mirror image of the right side view.
