[57] **CLAIM**

The ornamental design for a ceiling mounted light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a ceiling mounted light fixture showing my new design, the left side elevational, right side elevational and rear elevational views being identical thereto;

FIG. 2 is a bottom view thereof;

FIG. 3 is a top view thereof;

FIG. 4 is a bottom plan view of a second embodiment of the claimed design; and,

FIG. 5 is a front elevation view of the second embodiment of the claimed design, the left side elevational, the right side elevational, and rear elevational views being identical.
