[57] CLAIM

The ornamental design for a foot-bed, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the foot-bed according to the invention;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a side view thereof;

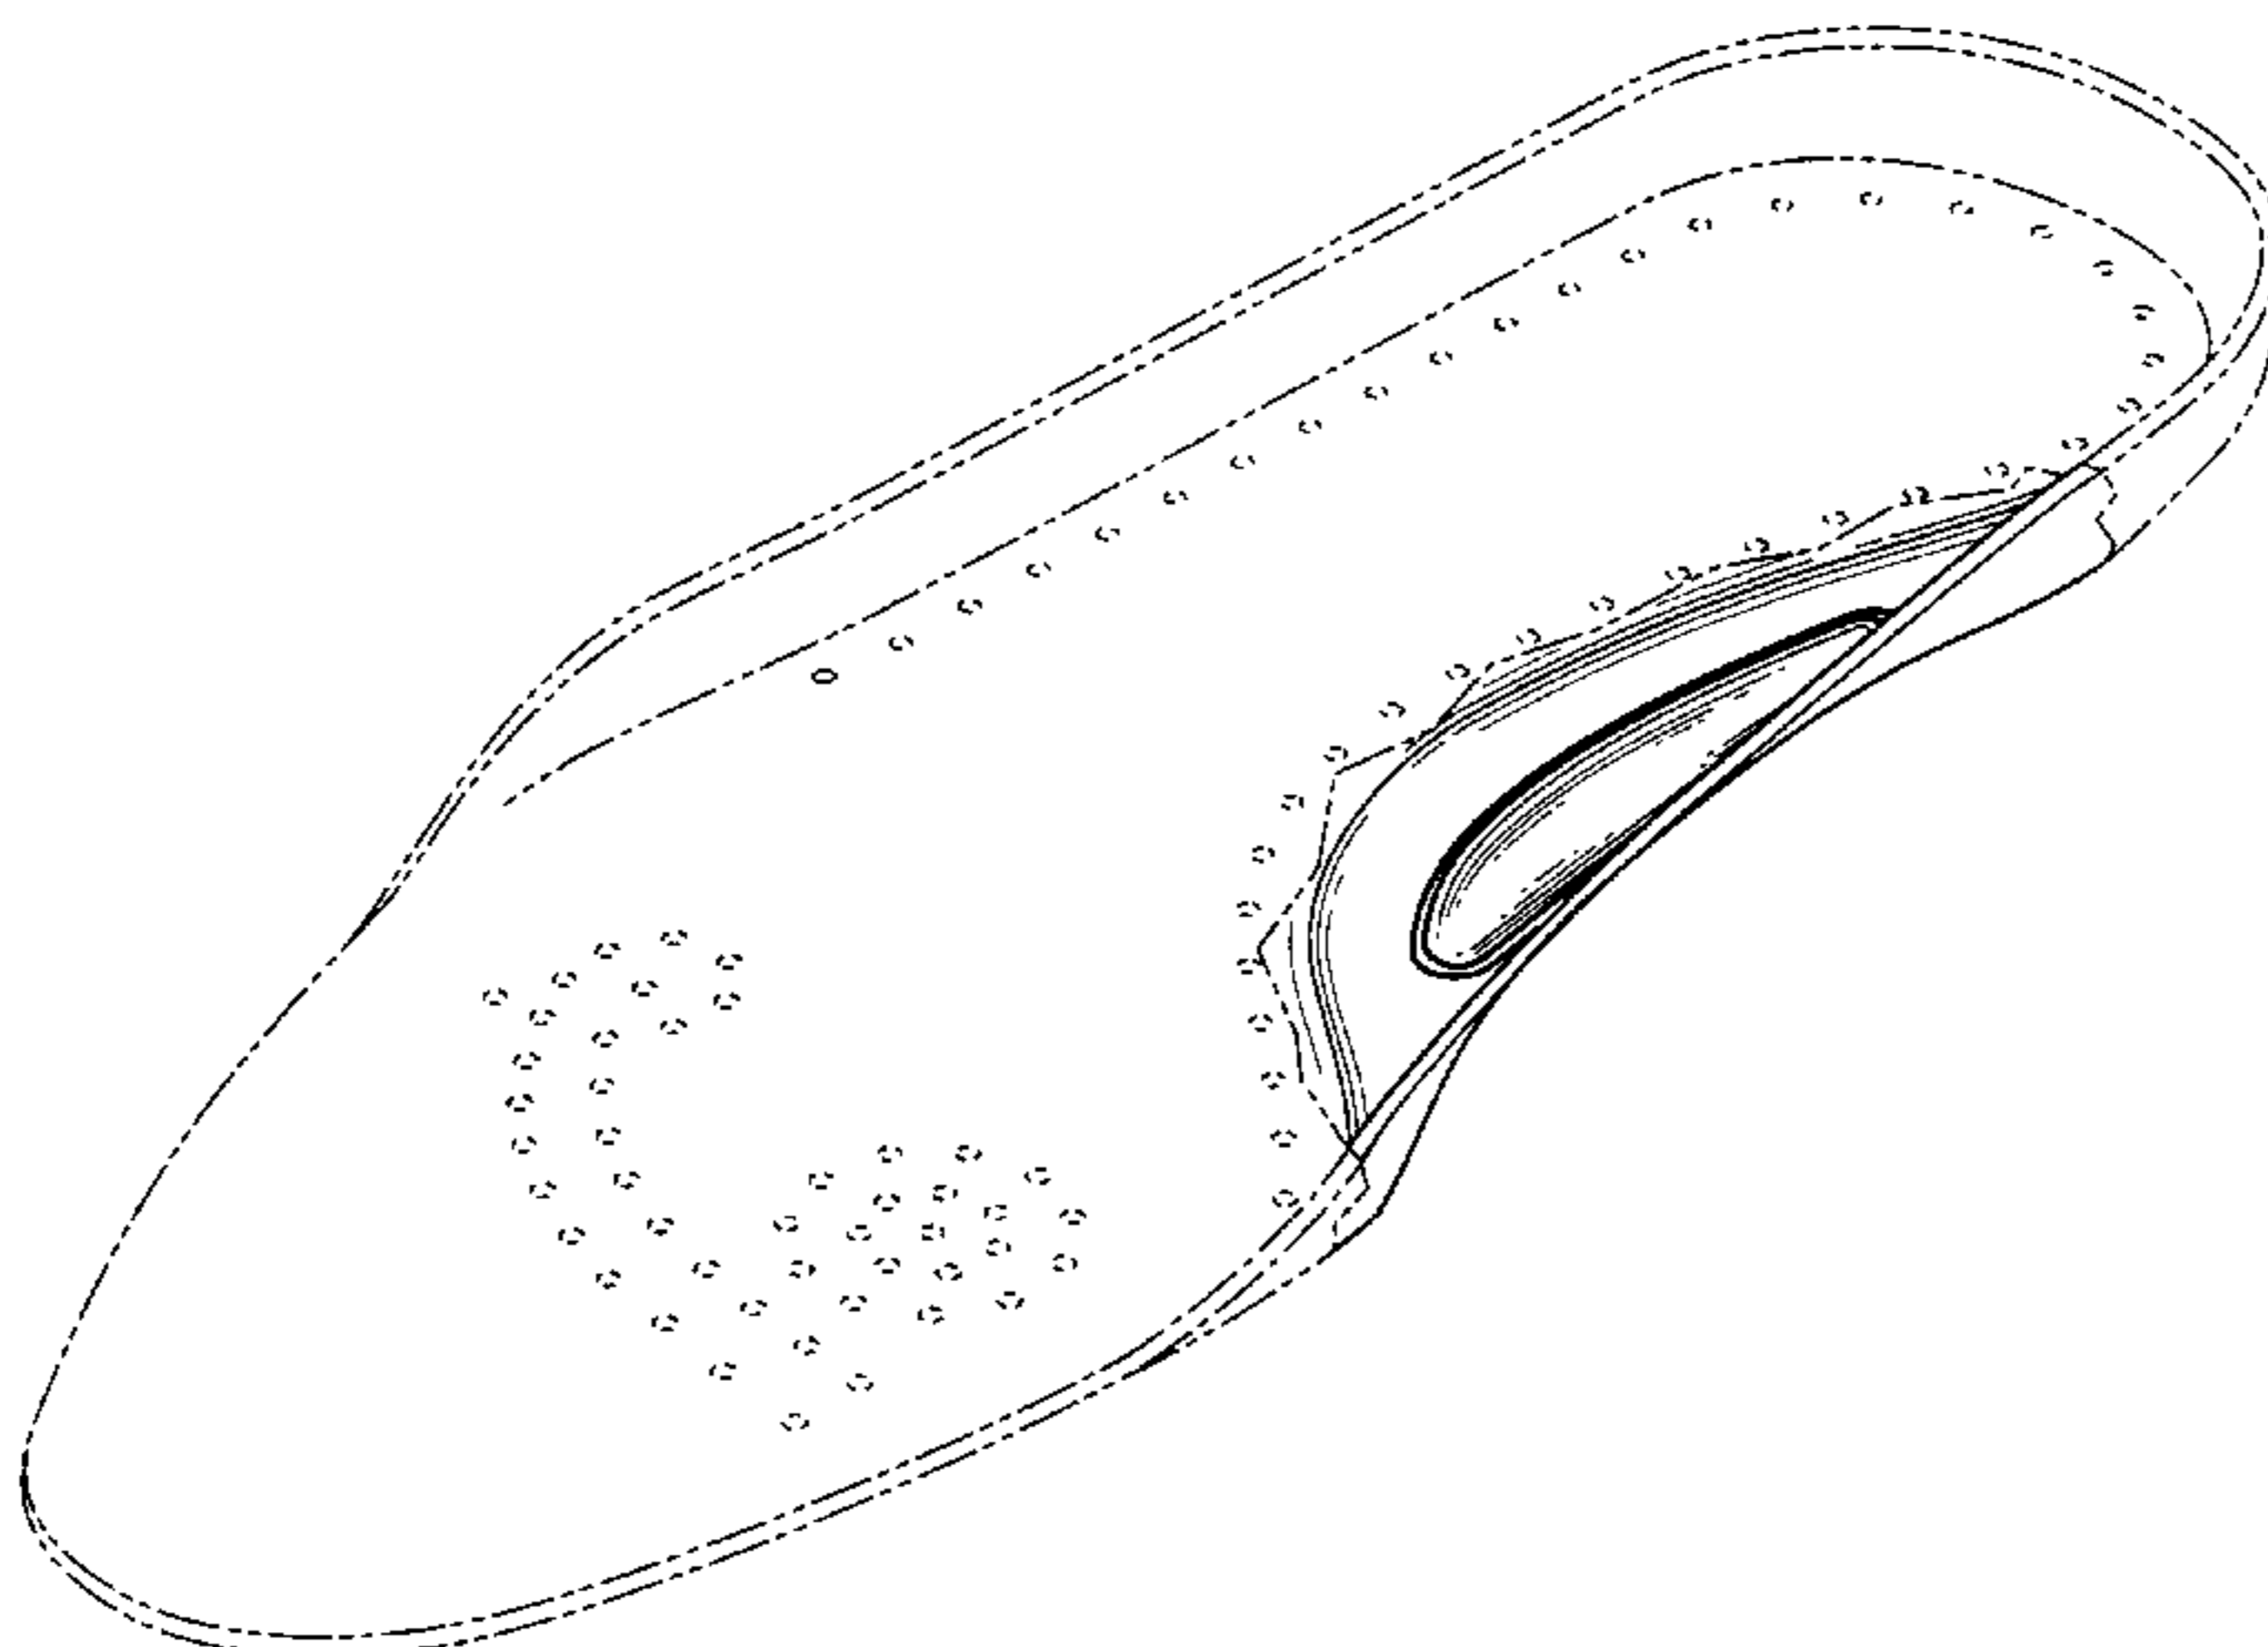

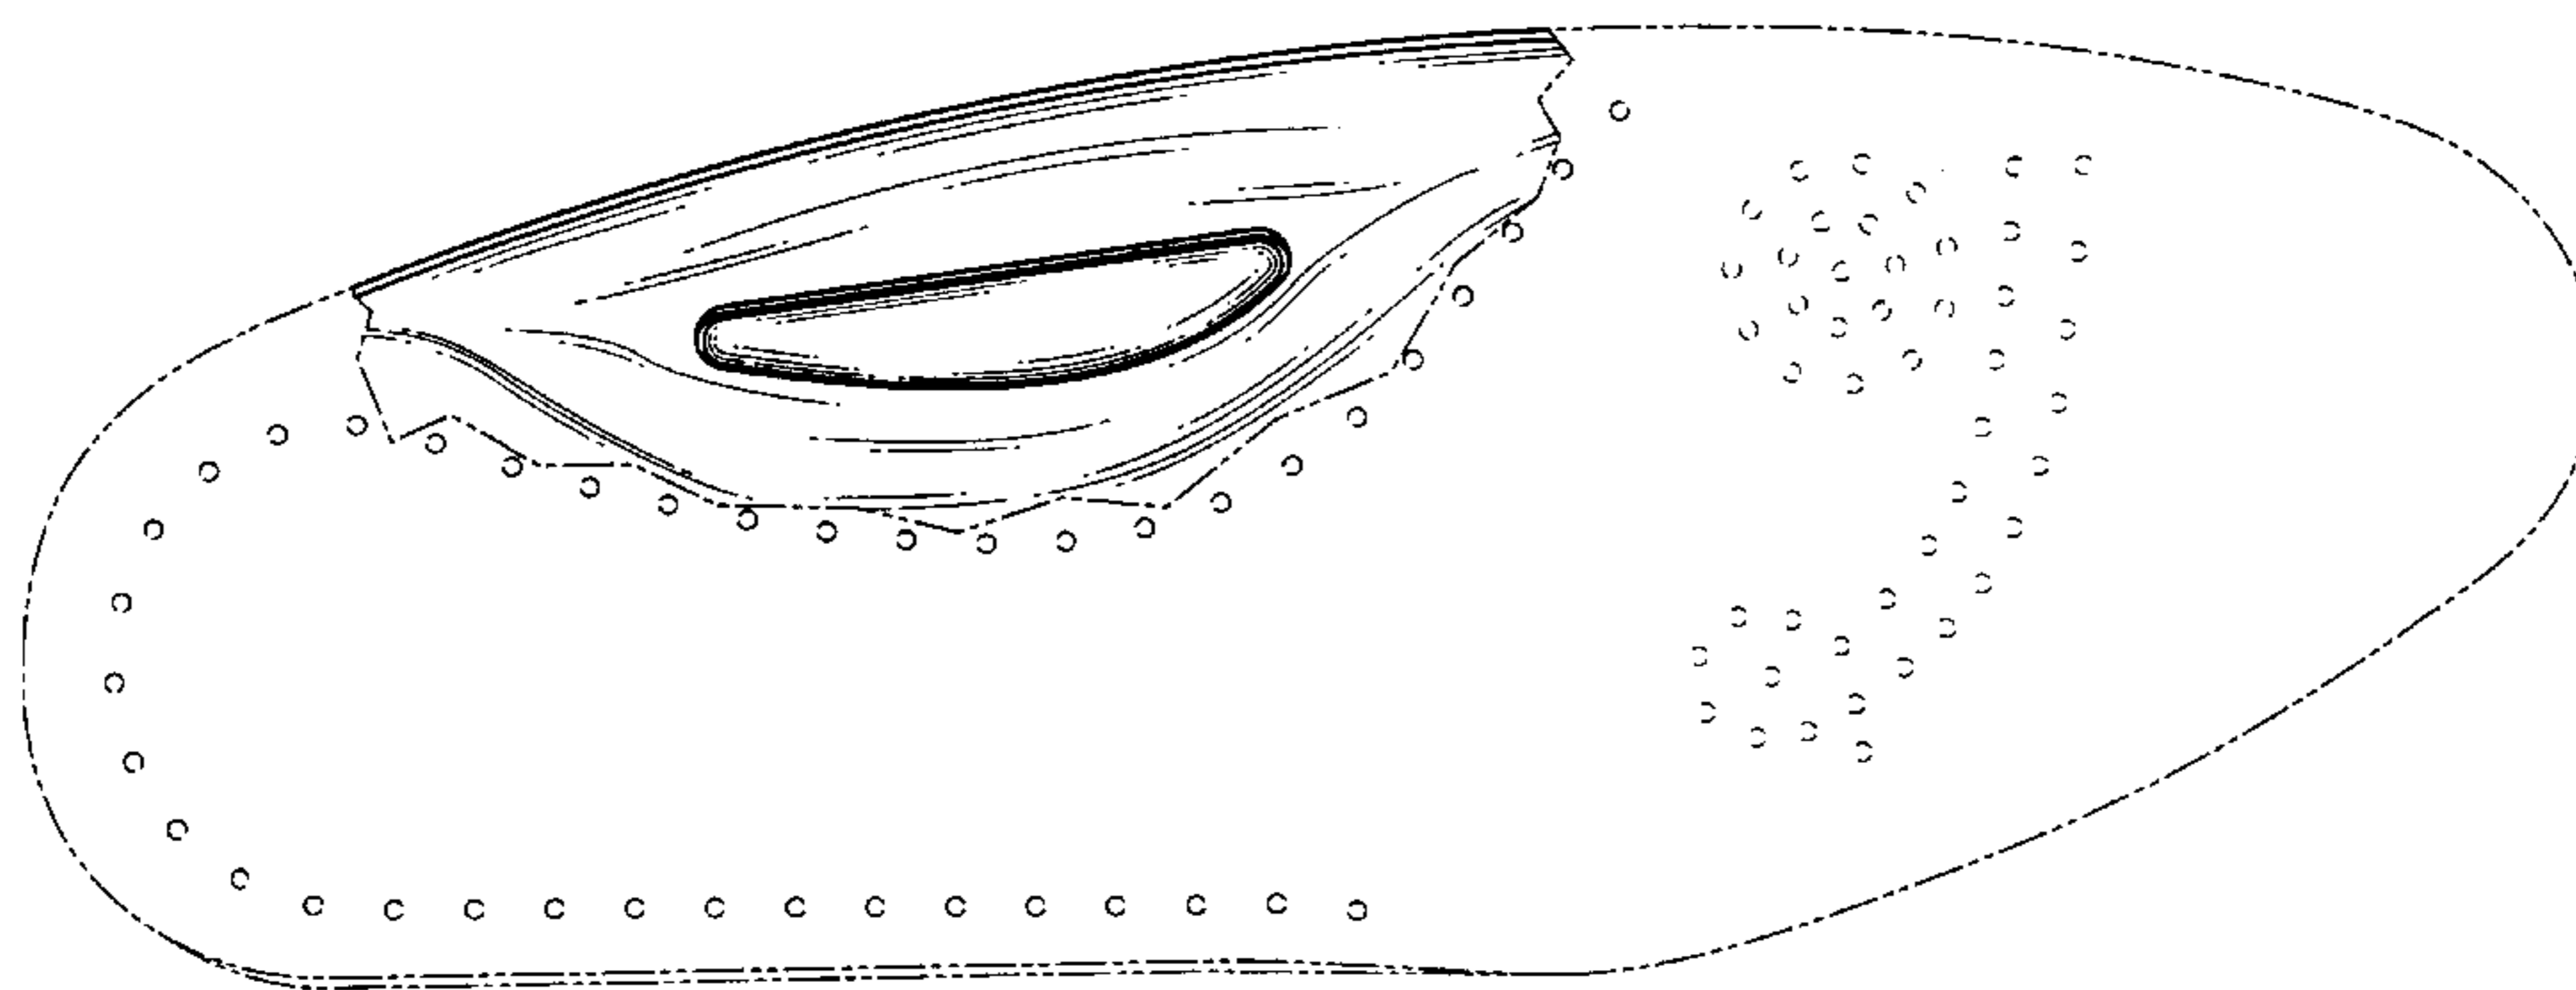

FIG. 4 is a perspective view from the front, top and side thereof, and,

FIG. 5 is a perspective view from the rear, bottom and side thereof.

The broken lines immediately adjacent the shaded areas that define the boundaries of the claimed design form no part thereof; all other broken lines in the Figures are for illustrative purposes only, and form no part of the claimed design.

The surface(s) or portion of the article not shown in the drawings or described in the specification form no part of the claimed design.
