[57] CLAIM

The ornamental design for a can end pull tab, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a can end pull tab showing our new design;

FIG. 2 is a top plan view; and,

FIG. 3 is a cross-sectional view taken along line 3—3 of FIG. 2.

The surfaces or portions of the article not shown in the drawing or described in the specification forms no part of the claimed design.

The broken line showing of portions of the can end pull tab are for illustrative purposes only and form no part of the claimed design.
