[57] CLAIM

The ornamental design for high-end tower workstation computer, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a high-end tower workstation computer showing my new design; FIG. 2 is a left-side elevational view thereof; the right-side elevational view being a mirror image thereof; FIG. 3 is a top elevational view thereof; and, FIG. 4 is a rear elevational view thereof.

The broken line showing the portions of the disk drives and various ports and connectors in FIGS. 1 and 4 are for illustrative purposes only and forms no part of the claimed design. The undisclosed bottom view is unornamented.
