[57] **CLAIM**

The ornamental design of an face of a mounting element of a climbing hold, as shown and described.

**DESCRIPTION**

FIG. 1 is a side perspective view of a face of a mounting element of a climbing hold showing my new design; and, FIG. 2 is a top plan view thereof.

The broken lines showing of the climbing hold body is for illustrative purposes only and forms no part of the claimed design.

The undisclosed interior portions of the element forms no part of the claimed design.
