[57] **CLAIM**

The ornamental design for a closure with lenticular lens insert, as shown.

DESCRIPTION

FIG. 1 is a top plan view of a closure with lenticular lens insert showing my design;
FIG. 2 is a bottom plan view thereof;
FIGS. 3–4 are side elevation views thereof; and,
FIG. 5 is a perspective view thereof.
The characteristic feature of the design resides in a closure having a lenticular lens insert.
The broken line illustration in the Figures illustrates a surface image of the lenticular lens, and is not part of the claimed design.
