[57] **CLAIM**

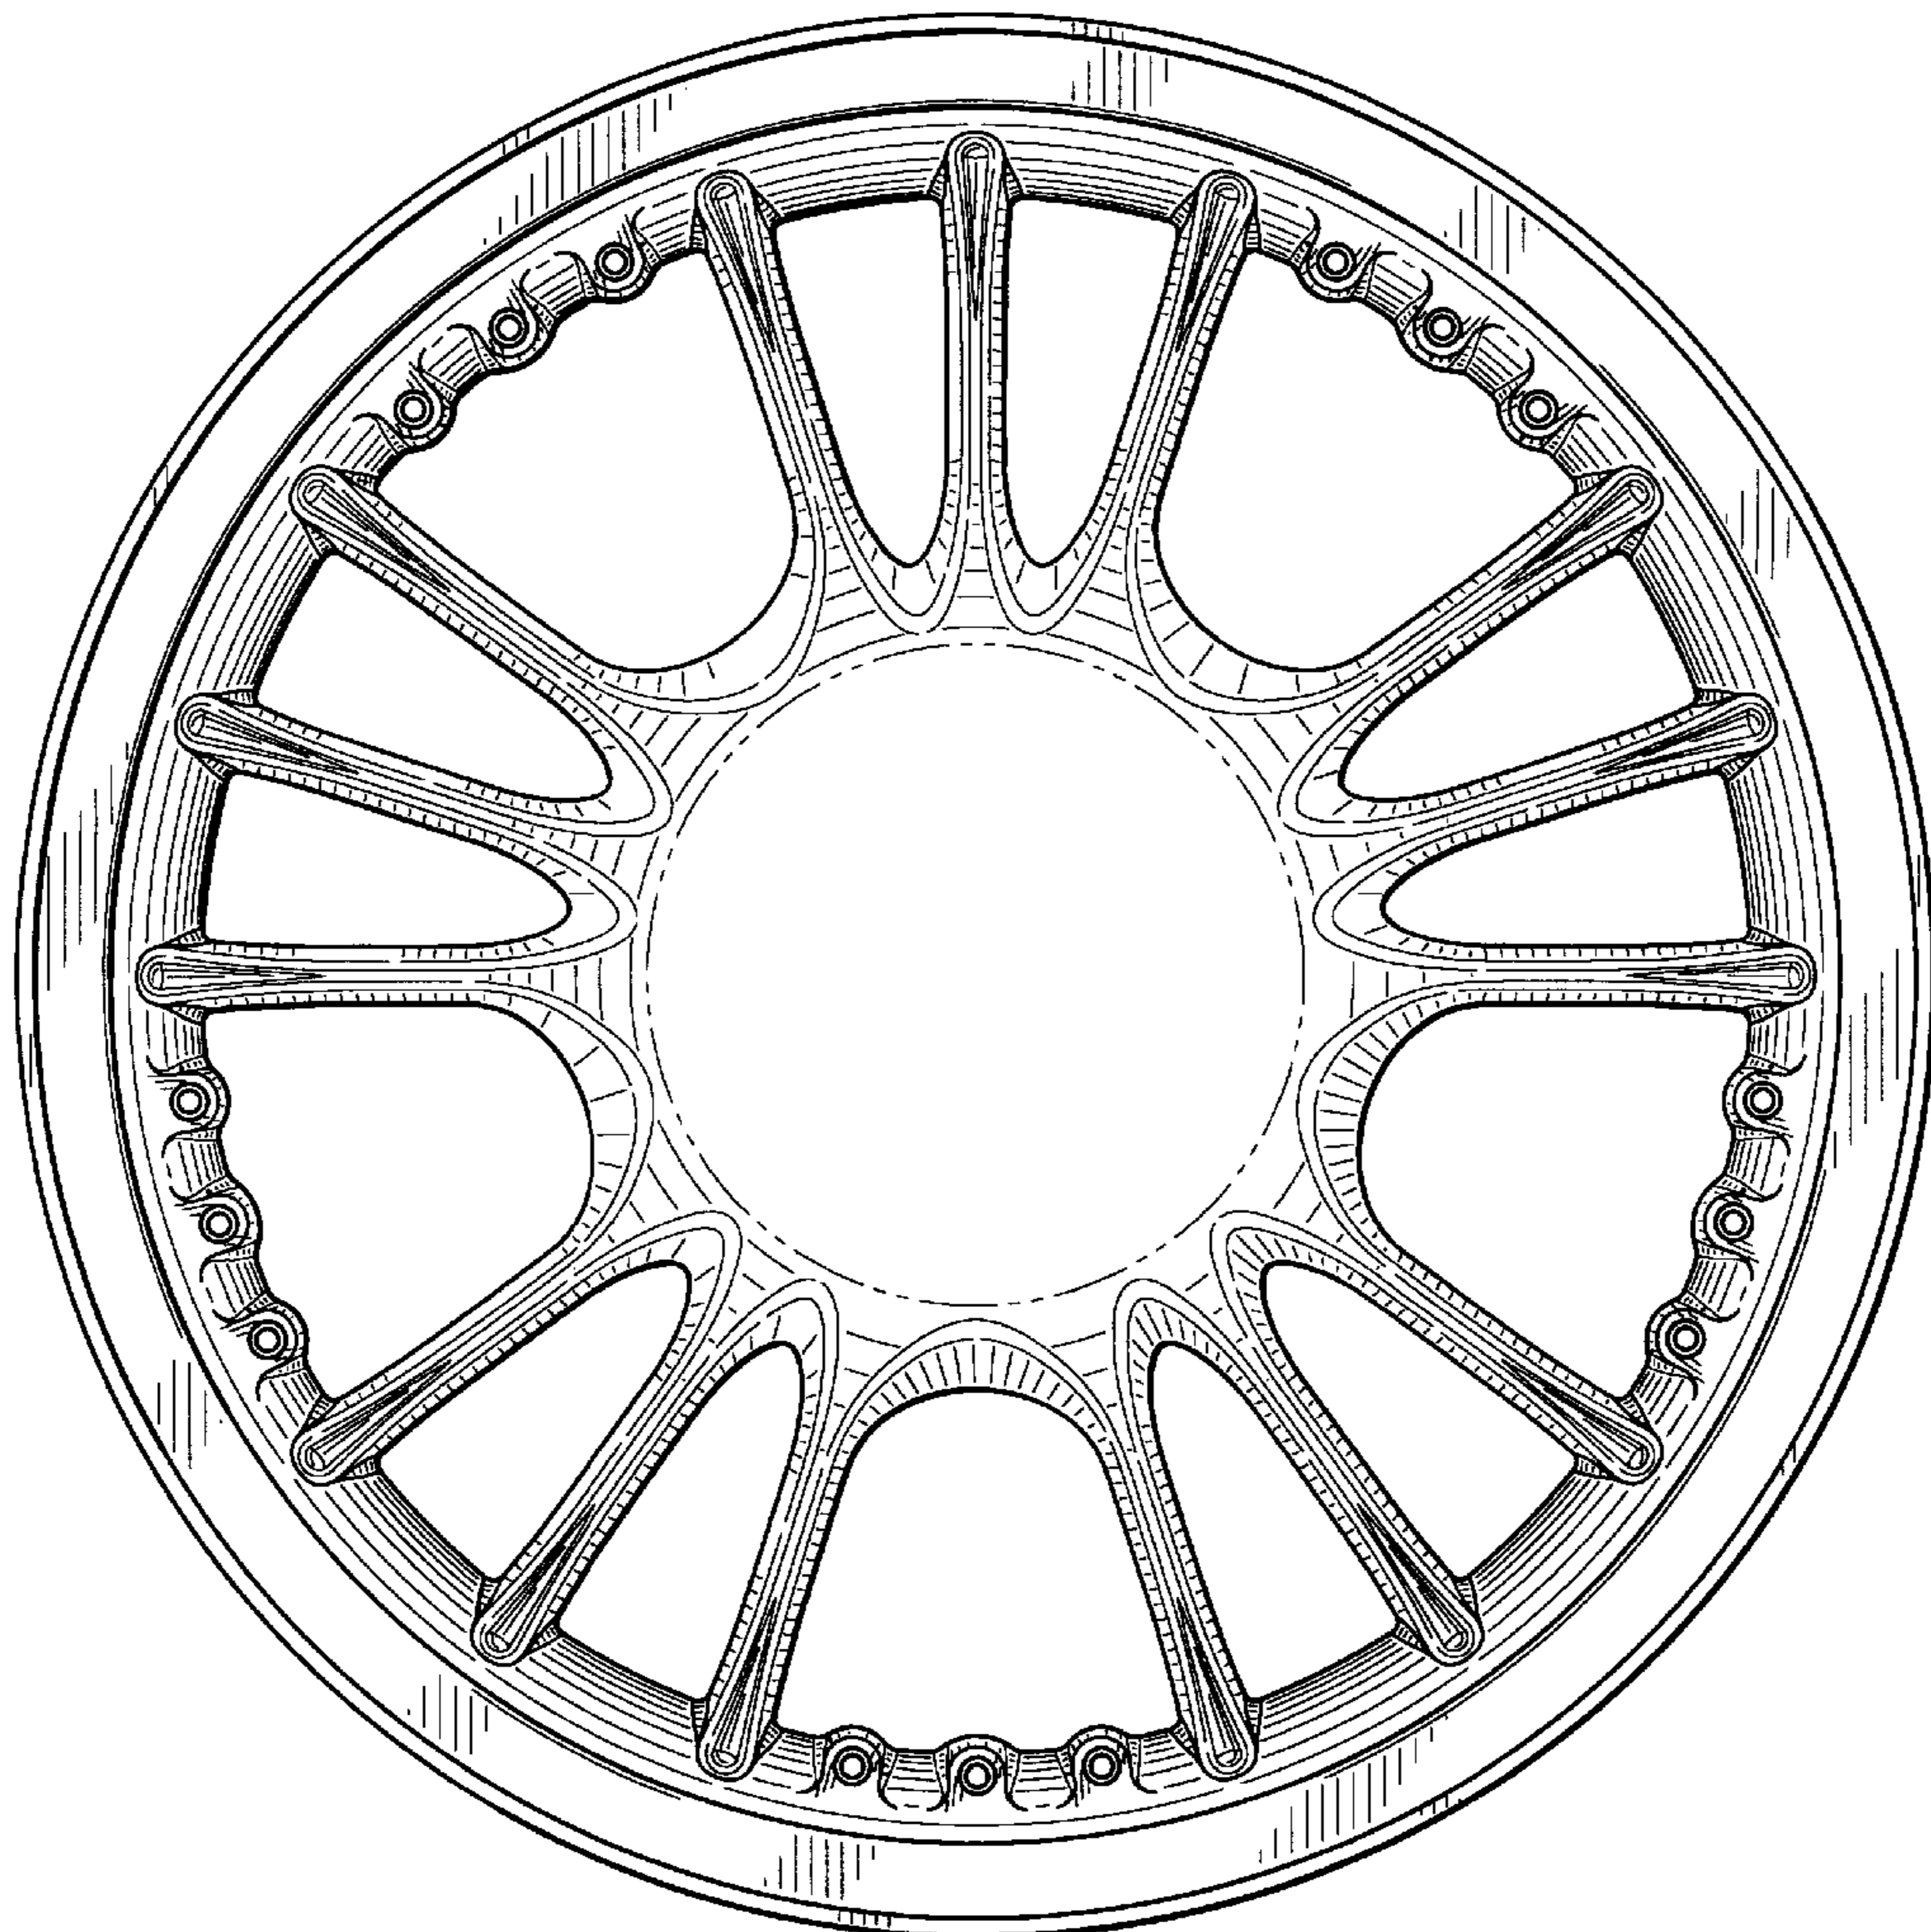

The ornamental design for a vehicle wheel front face, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the left hand side of my new vehicle wheel front face; and, FIG. 2 is a front elevational view thereof.

The broken lines adjacent to the spoke member in the center hub area define the bounds of the claimed design and form no part thereof while the remaining broken lines depict environment for illustrative purposes only and forms no part of the claimed design.
