[57] **CLAIM**

The ornamental design for a vehicle mirror, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a vehicle mirror according to my novel design;

FIG. 2 is a rear view of a vehicle mirror according to my novel design;

FIG. 3 is a top view of a vehicle mirror according to my novel design;

FIG. 4 is a bottom view of a vehicle mirror according to my novel design; and,

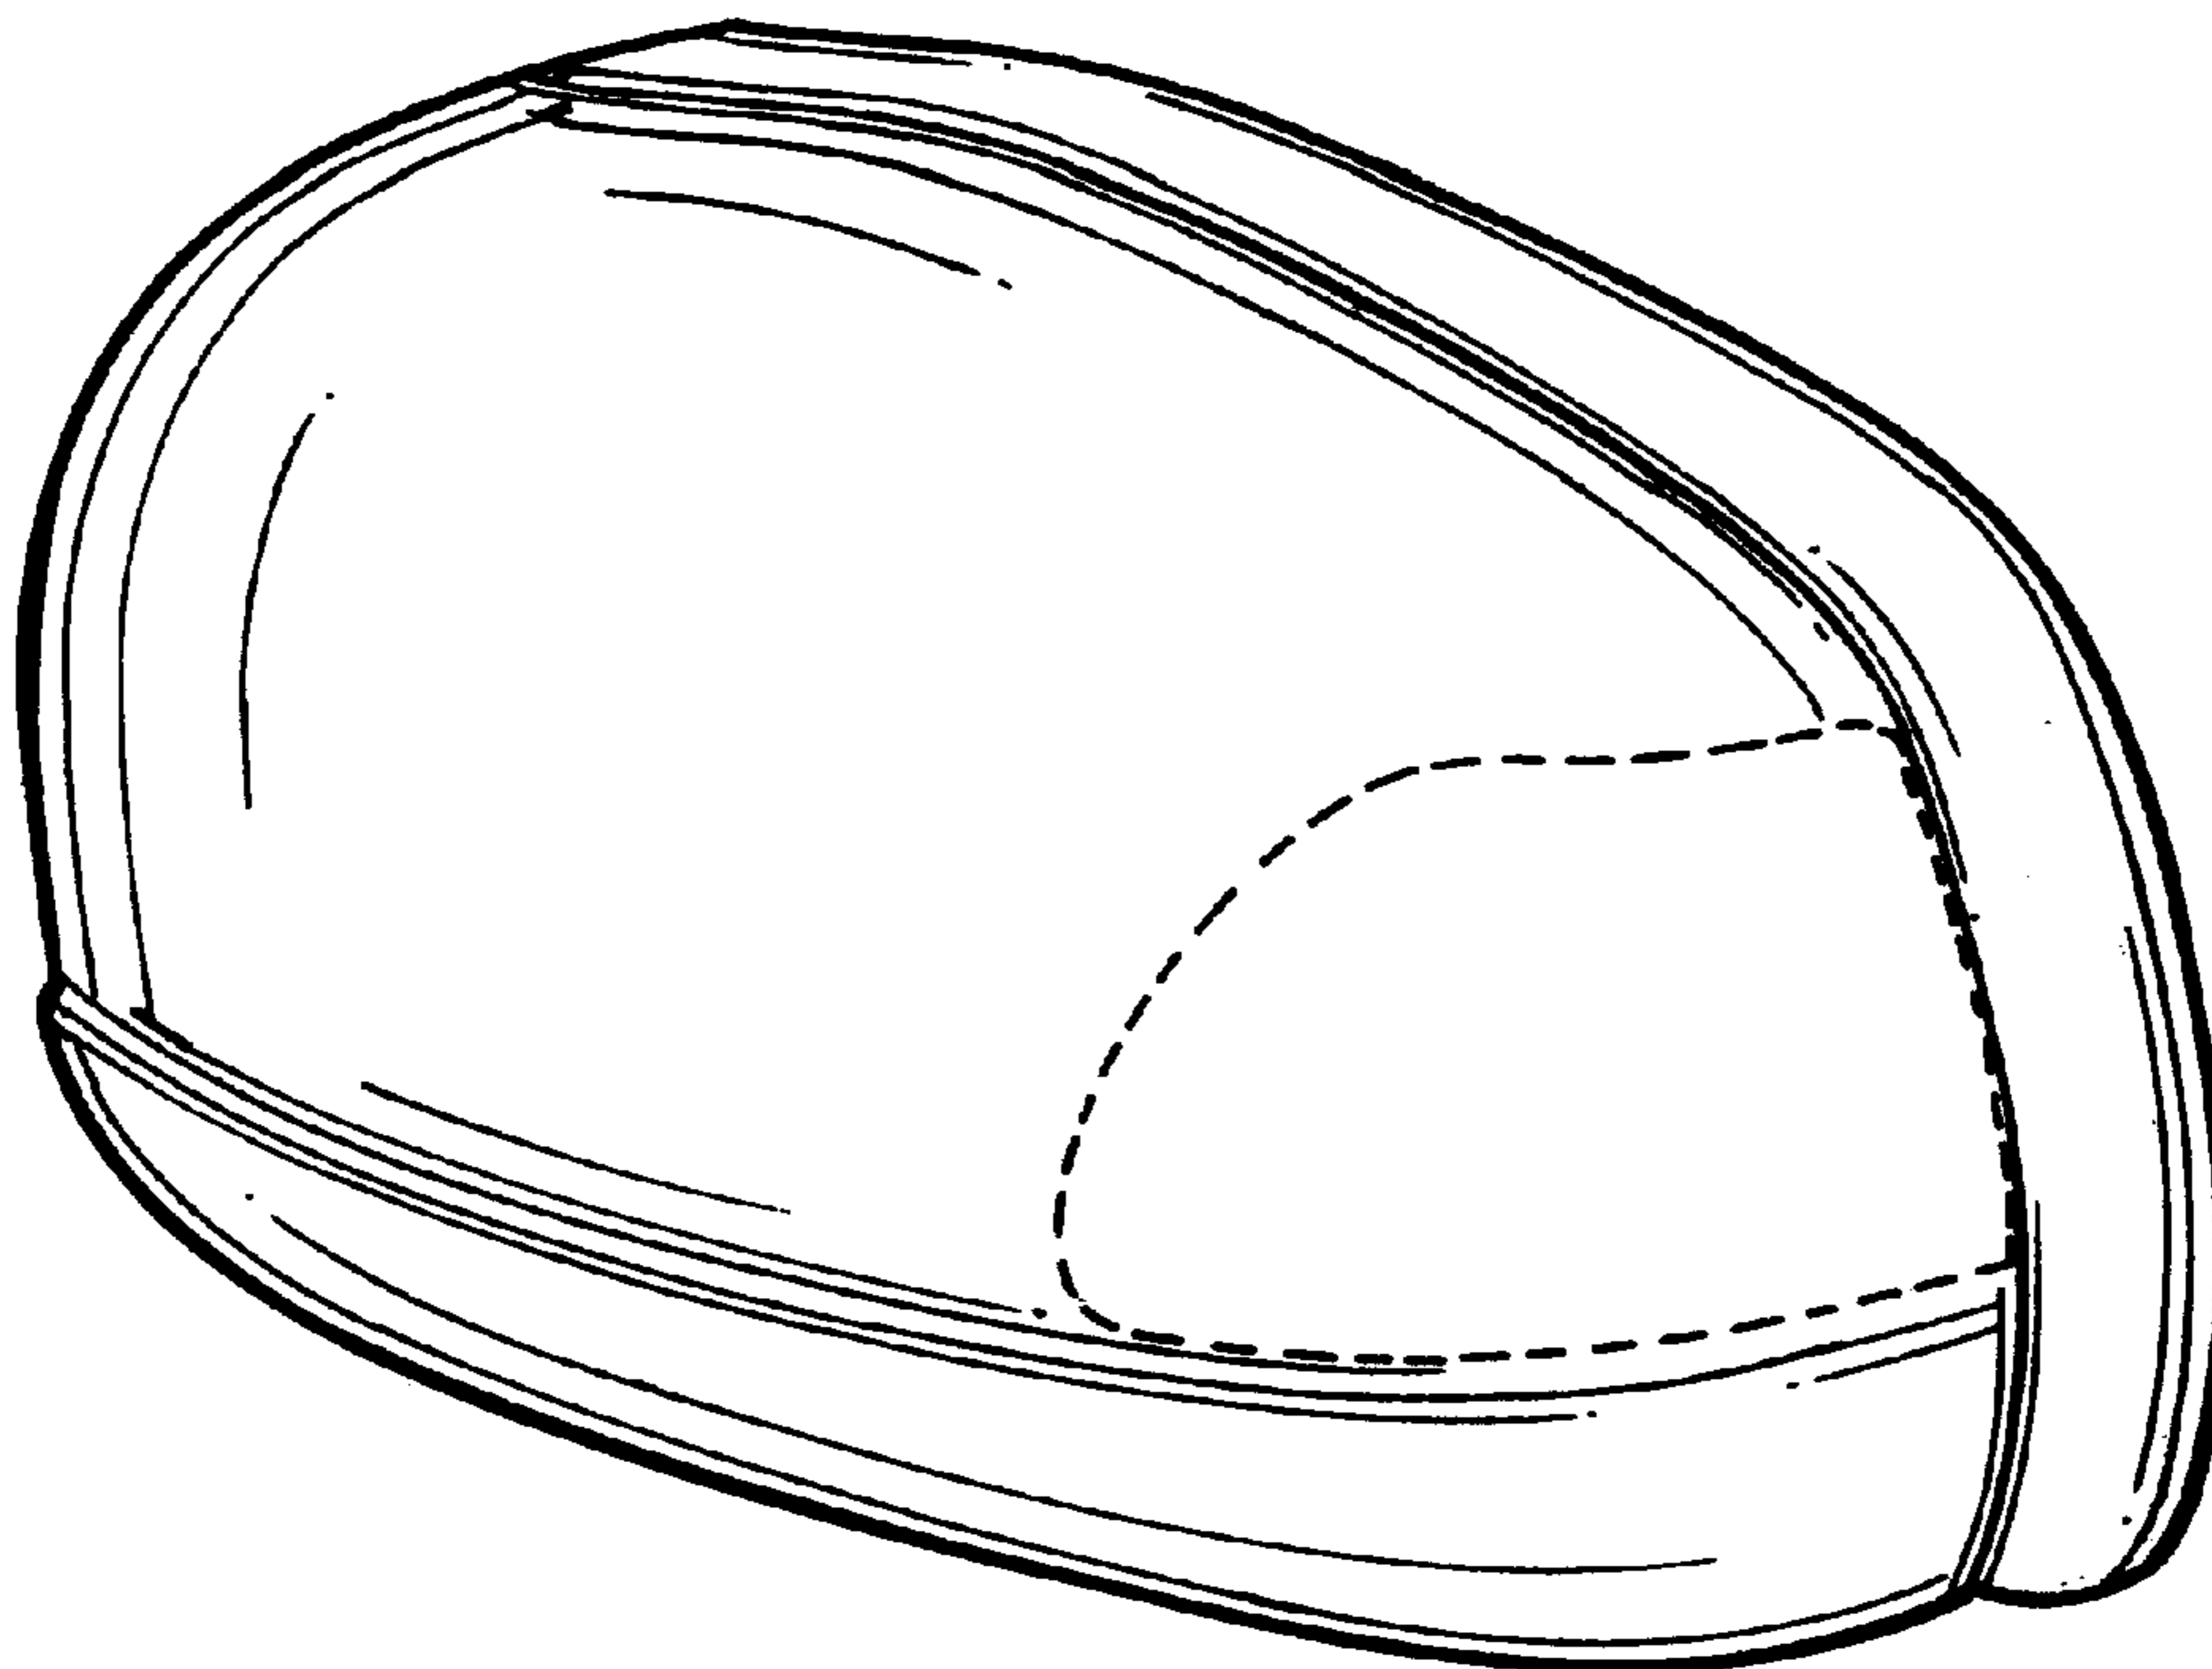

FIG. 5 is a side view of a vehicle mirror according to my novel design.

This design represents one embodiment of a mirror configuration for a vehicle. The depicted embodiment is the right side mirror. The design also contemplates a left side embodiment that is mirror symmetrical to the design illustrated and is therefore not separately illustrated.

The broken line immediately next to the structure line represents the bounds of the design. All other broken line matter represents environment. None of the broken lines form any part of the claimed design.

The surface(s) or portion(s) of the article not shown in the drawing or described in the specification form(s) no part of the claimed design.
