[57] **CLAIM**

The ornamental design for a fire alarm pull station, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a fire alarm pull station of the present invention;
 FIG. 2 is front view of the fire alarm pull station of FIG. 1;
 FIG. 3 is a top view of the fire alarm pull station of FIG. 2;
 FIG. 4 is a left side view of the fire alarm pull station of FIG. 2;
 FIG. 5 is a right side view of the fire alarm pull station of FIG. 2; and,
 FIG. 6 is a bottom view of the fire alarm pull station of FIG. 2.
 The back is unadorned and not part of the design. It has not been illustrated.
