[57] **CLAIM**

The ornamental design for decorative trim for a motor vehicle, as shown and described.

DESCRIPTION

The file of the patent contains at least one drawing executed in color. Copies of this patent with color drawing will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.
The sole FIGURE is a plan view of decorative trim for a motor vehicle, showing my new design.
The broken lines depict the boundaries of the claimed design, it being understood that the pattern continues indefinitely in one or more directions. The broken lines form no part of the claimed design.
