[57] **CLAIM**

The ornamental design for a knife handle, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view from the upper right front of a knife handle showing our new design, wherein the broken-line depiction of a knife blade associated therewith is included merely for illustrative purposes and forms no part of our claimed design;

FIG. 2 is a right side elevational view of the knife handle shown in FIG. 1, the left side elevational view thereof being a mirror image of this view;

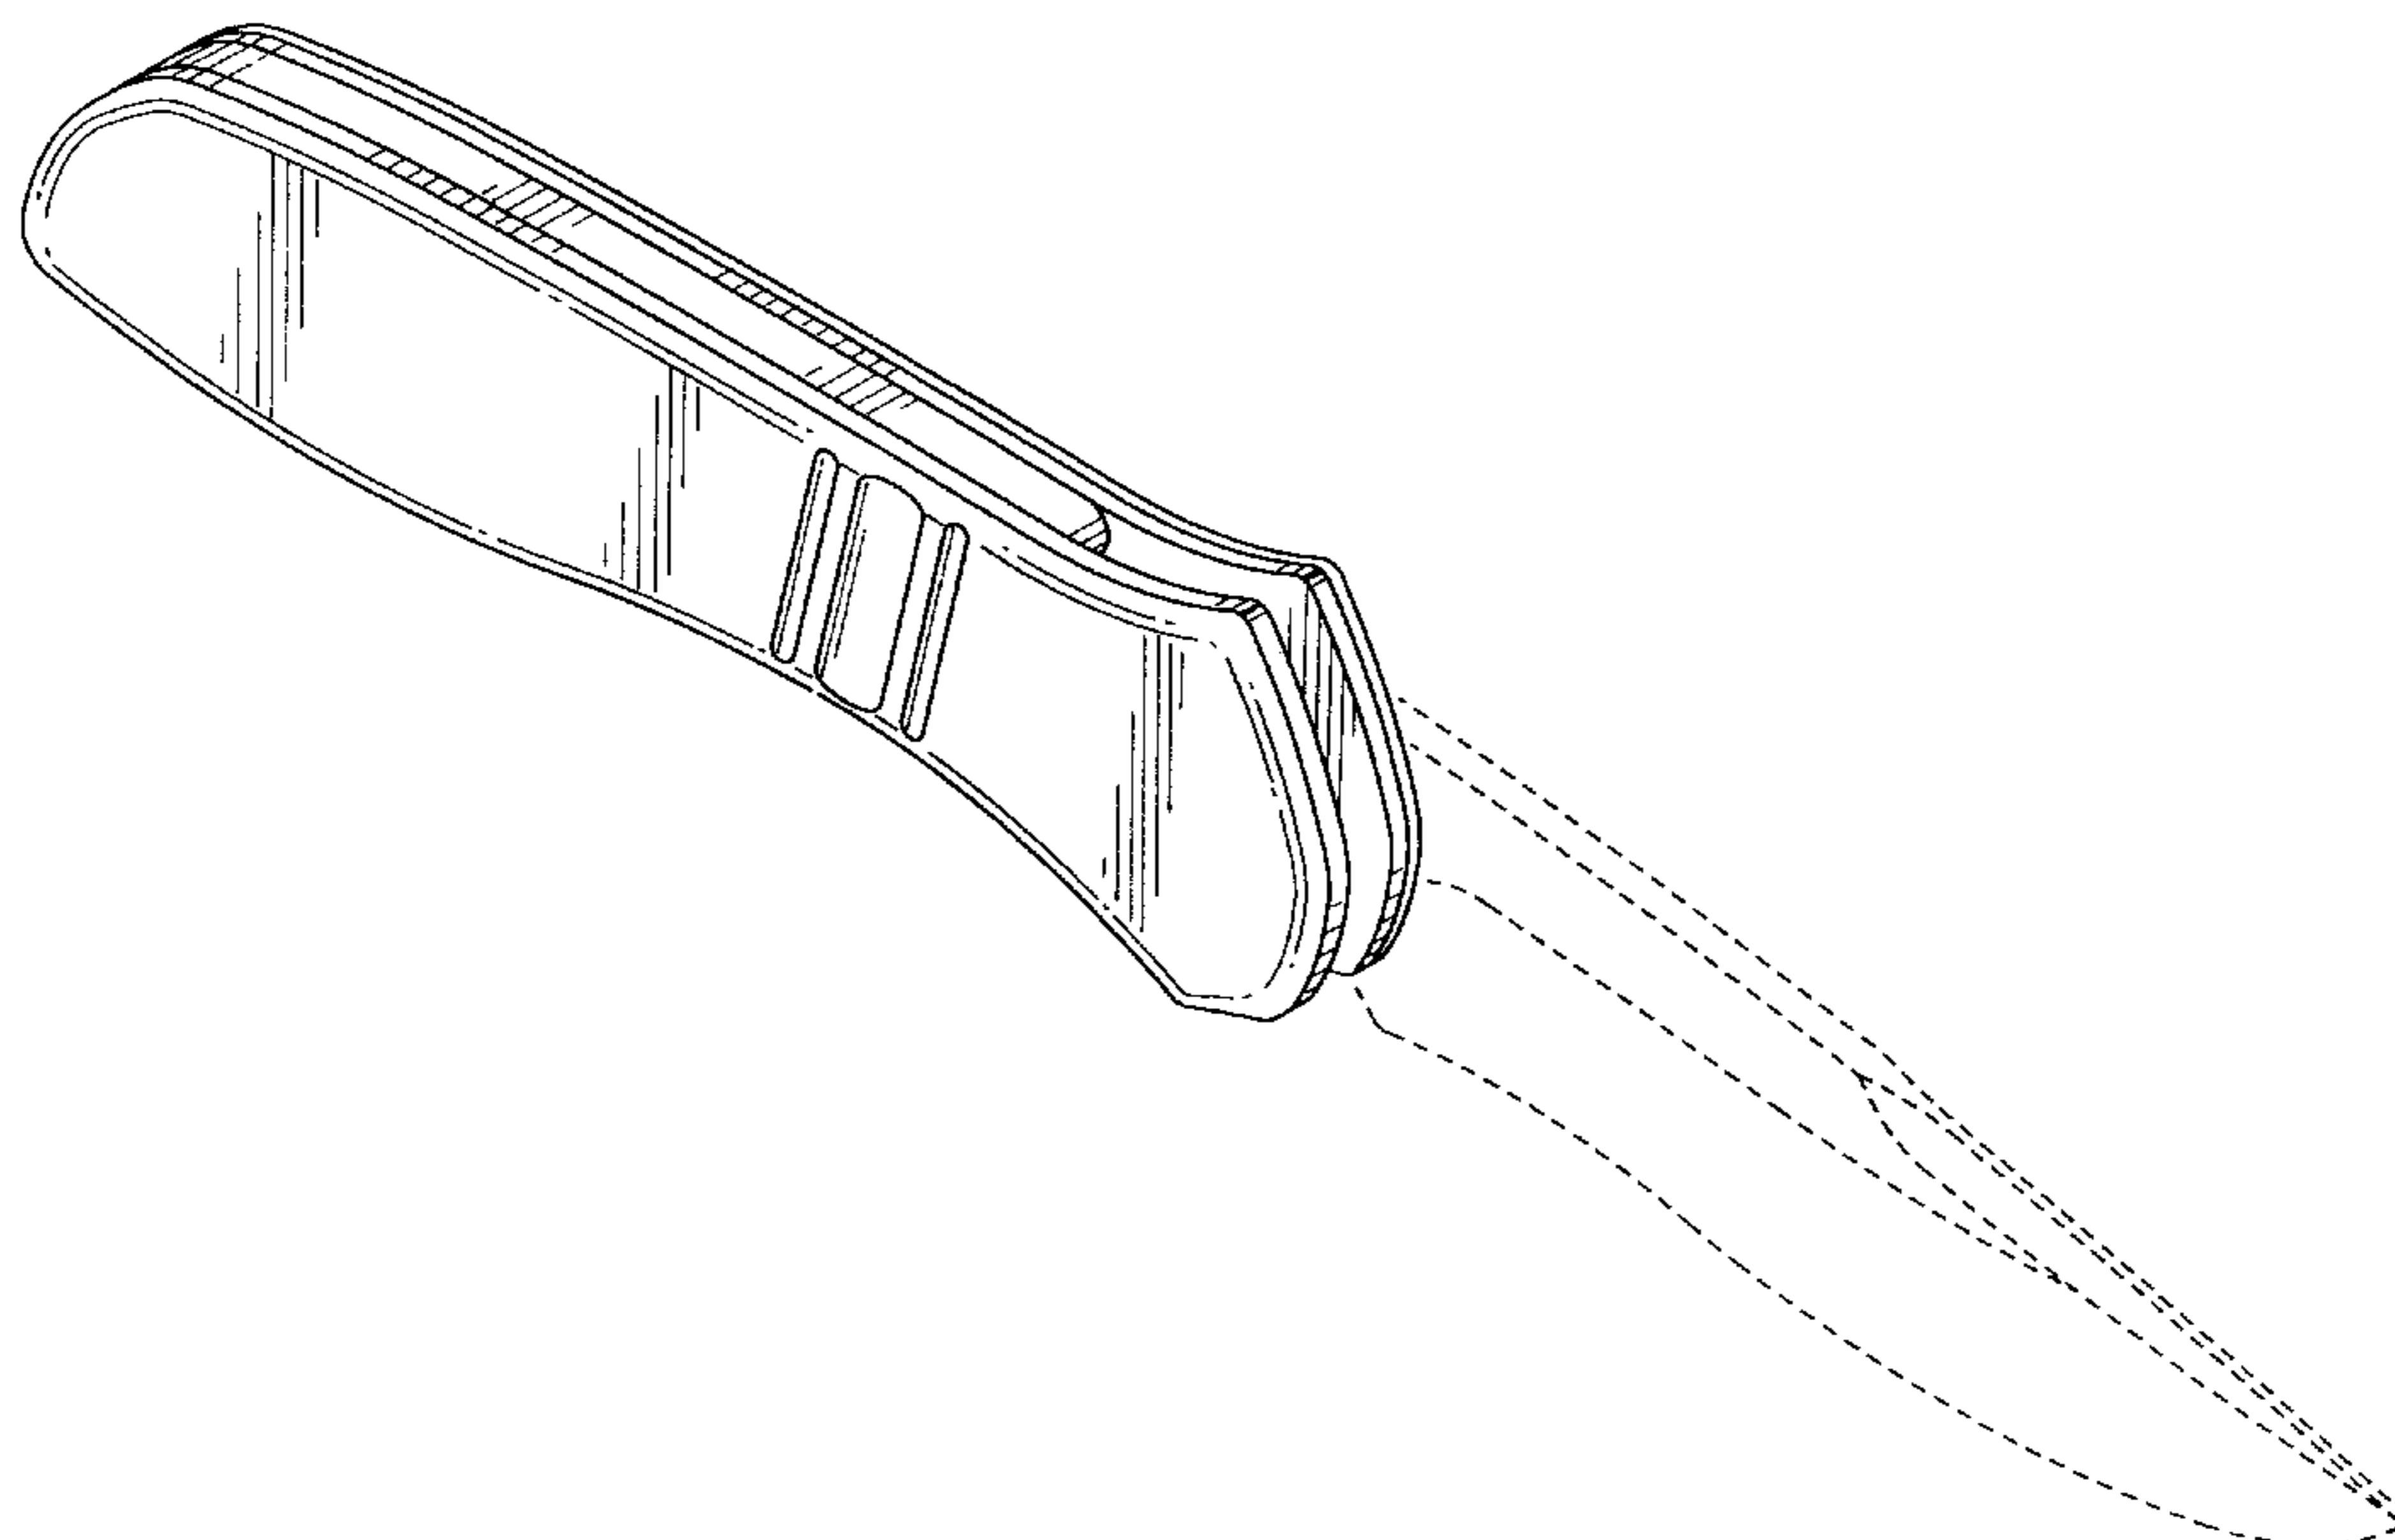

FIG. 3 is a top plan, or back, view of the knife handle shown in FIG. 2;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a rear, or butt, end elevational view thereof; and,

FIG. 6 is a front, or blade, end elevational view thereof.
