[57] **CLAIM**

The ornamental design for a door closer cover, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a door closer cover according to the present invention;

FIG. 2 is a top view of a door closer cover according to the present invention;

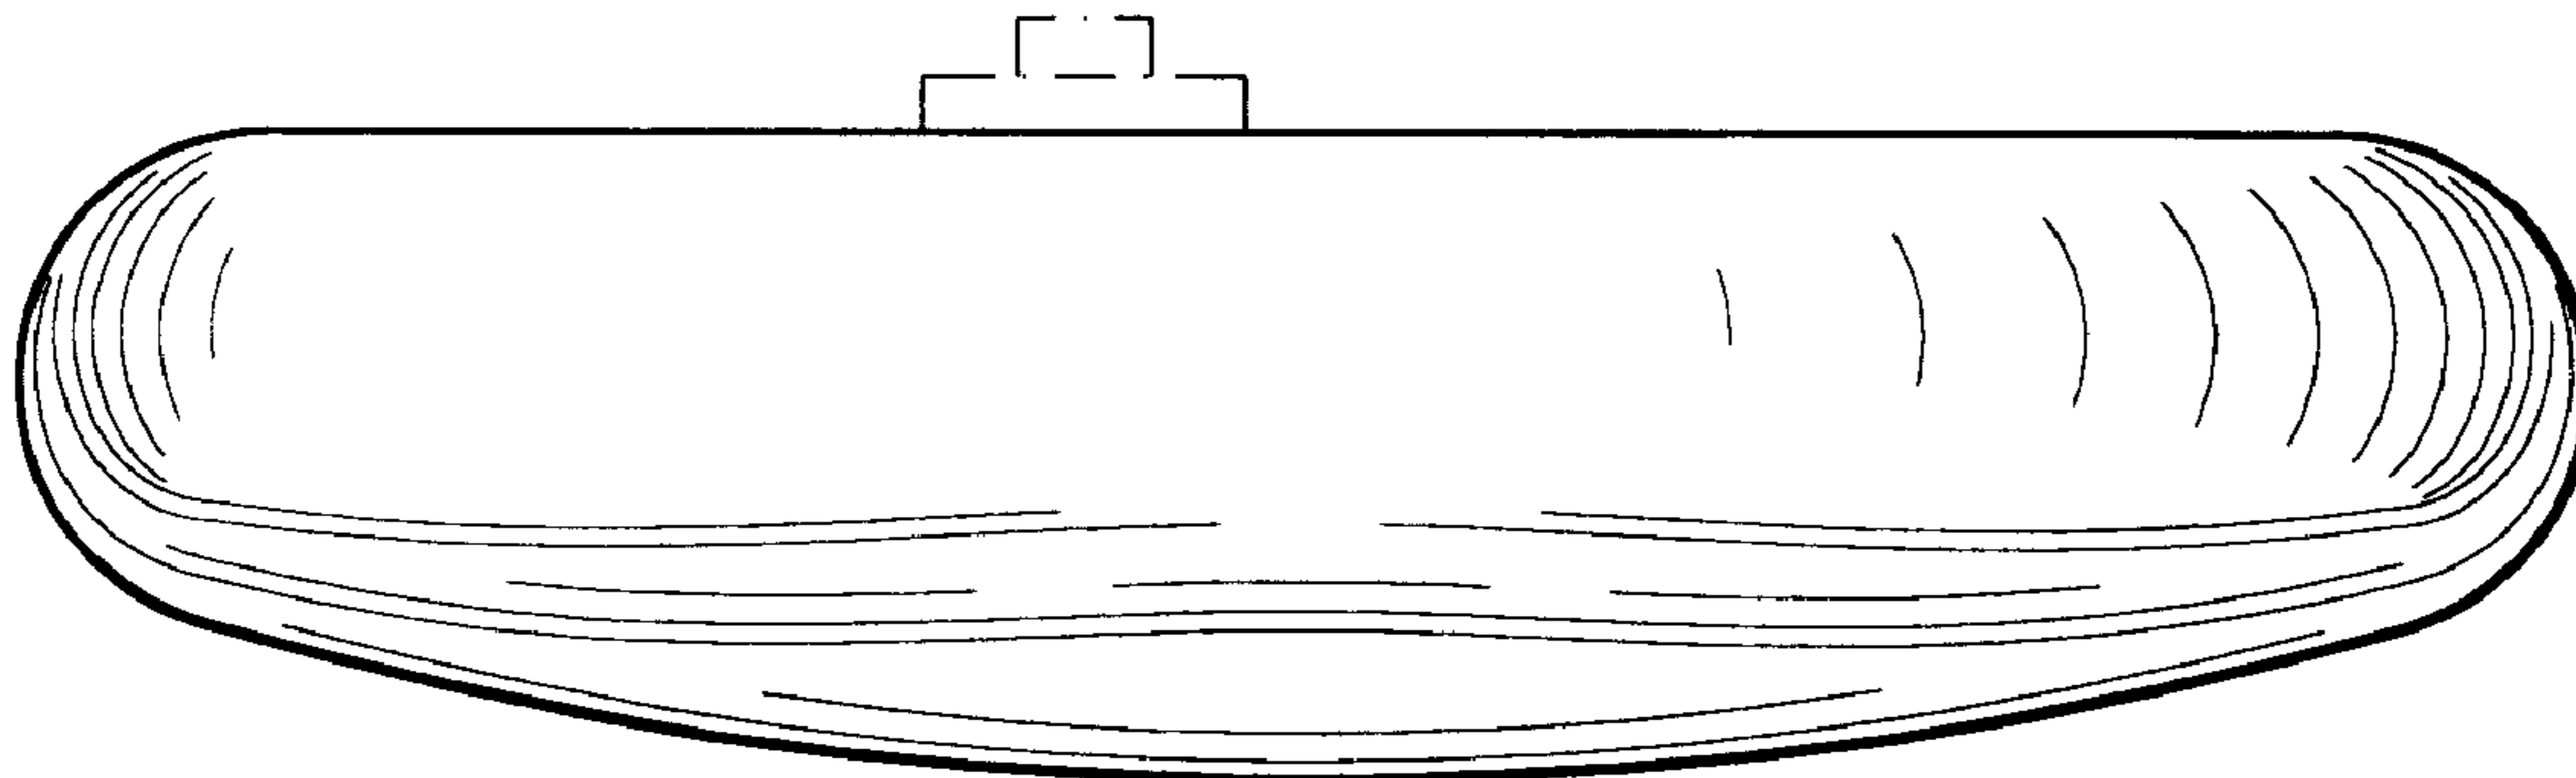

FIG. 3 is a bottom view of a door closer cover according to the present invention;

FIG. 4 is a left side view of a door closer cover according to the present invention; and,

FIG. 5 is a right side view of a door closer cover according to the present invention.

The broken line disclosure is for illustrative purposes only and forms no part of the claimed design. The surface(s) or portion(s) of the article not shown in the drawing or described in the specification form(s) no part of the claimed design.
