[57] **CLAIM**
The ornamental design for a manhole cover, substantially as
shown and described.

DESCRIPTION
FIG. 1 is a perspective view of the manhole cover;
FIG. 2 is a top plan view of the manhole cover; the bottom
plan view is identical except that its handle assembly is
diametrically disposed in relation to the assembly shown in
FIG. 2;
FIG. 3 is a side elevational view of the manhole cover;
FIG. 4 is a cross sectional view taken along line 4—4 of FIG.
2; and,
FIG. 5 is an enlarged fragmentary top plan view showing in
detail a portion of the surface ornamentation.
Brief description of nature and intended use: The article is
intended for use as a reversible manhole cover of identical
appearance from both its top and bottom sides.
