[57] **CLAIM**

The ornamental design for a combined vacuum cleaner handle and hose, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combined vacuum cleaner handle and hose showing our new design; FIG. 2 is a right side elevational view thereof and wherein the left side elevational view is a mirror image thereof; FIG. 3 is a front elevational view thereof; and, FIG. 4 is a rear elevational view thereof.

The parts shown in broken lines in FIGS. 1-4 are shown for illustrative purposes only and form no part of the claimed design.

The end views of the article not shown in the drawings or described in the specification form no part of the claimed design.
