[57] CLAIM

The ornamental design for a door having an inner panel with arch, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a door having an inner panel with arch showing my new design; FIG. 2 is a profile view taken along line 2-2 of FIG. 1; FIG. 3 is a side elevational view thereof; FIG. 4 is a top plan view thereof; and, FIG. 5 is a rear elevational view thereof.

The door is shown broken away throughout the views to indicate indeterminate length and width.
