[57] **CLAIM**

The ornamental design for a round crib with dome top, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the present invention (a rear elevational view, a left side elevational view and a right side elevational view are the same as the front elevational view of the present invention because they are symmetrical); FIG. 2 is a top plan view thereof; and, FIG. 3 is a bottom plan view thereof. The broken lines are for environmental purposes only and form no part of the claimed design.
