[57] **CLAIM**

The ornamental design for an easily foldable and transportable inflatable seat cushion, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of an easily foldable and transportable inflatable seat cushion in a flat deflated condition, showing my new design;

FIG. 2 is a bottom plan view of FIG. 1;

FIG. 3 is a perspective view of the cushion of FIG. 1, shown folded and in the manner it would be carried in a pocket of an individual, with the individual and pocket shown for illustrative purposes only, and forming no part of the claimed design;

FIG. 4 is a bottom plan view, similar to FIG. 2, with the cushion in a partially inflated condition, ready for use;

FIG. 5 is a top plan view, similar to FIG. 1, with the cushion in a substantially full inflated condition; and,

FIG. 6 is side elevational view of FIG. 5, the other side being a mirror image thereof.
