[57] **CLAIM**

The ornamental design for a scalene triangle puzzle, as shown and described.

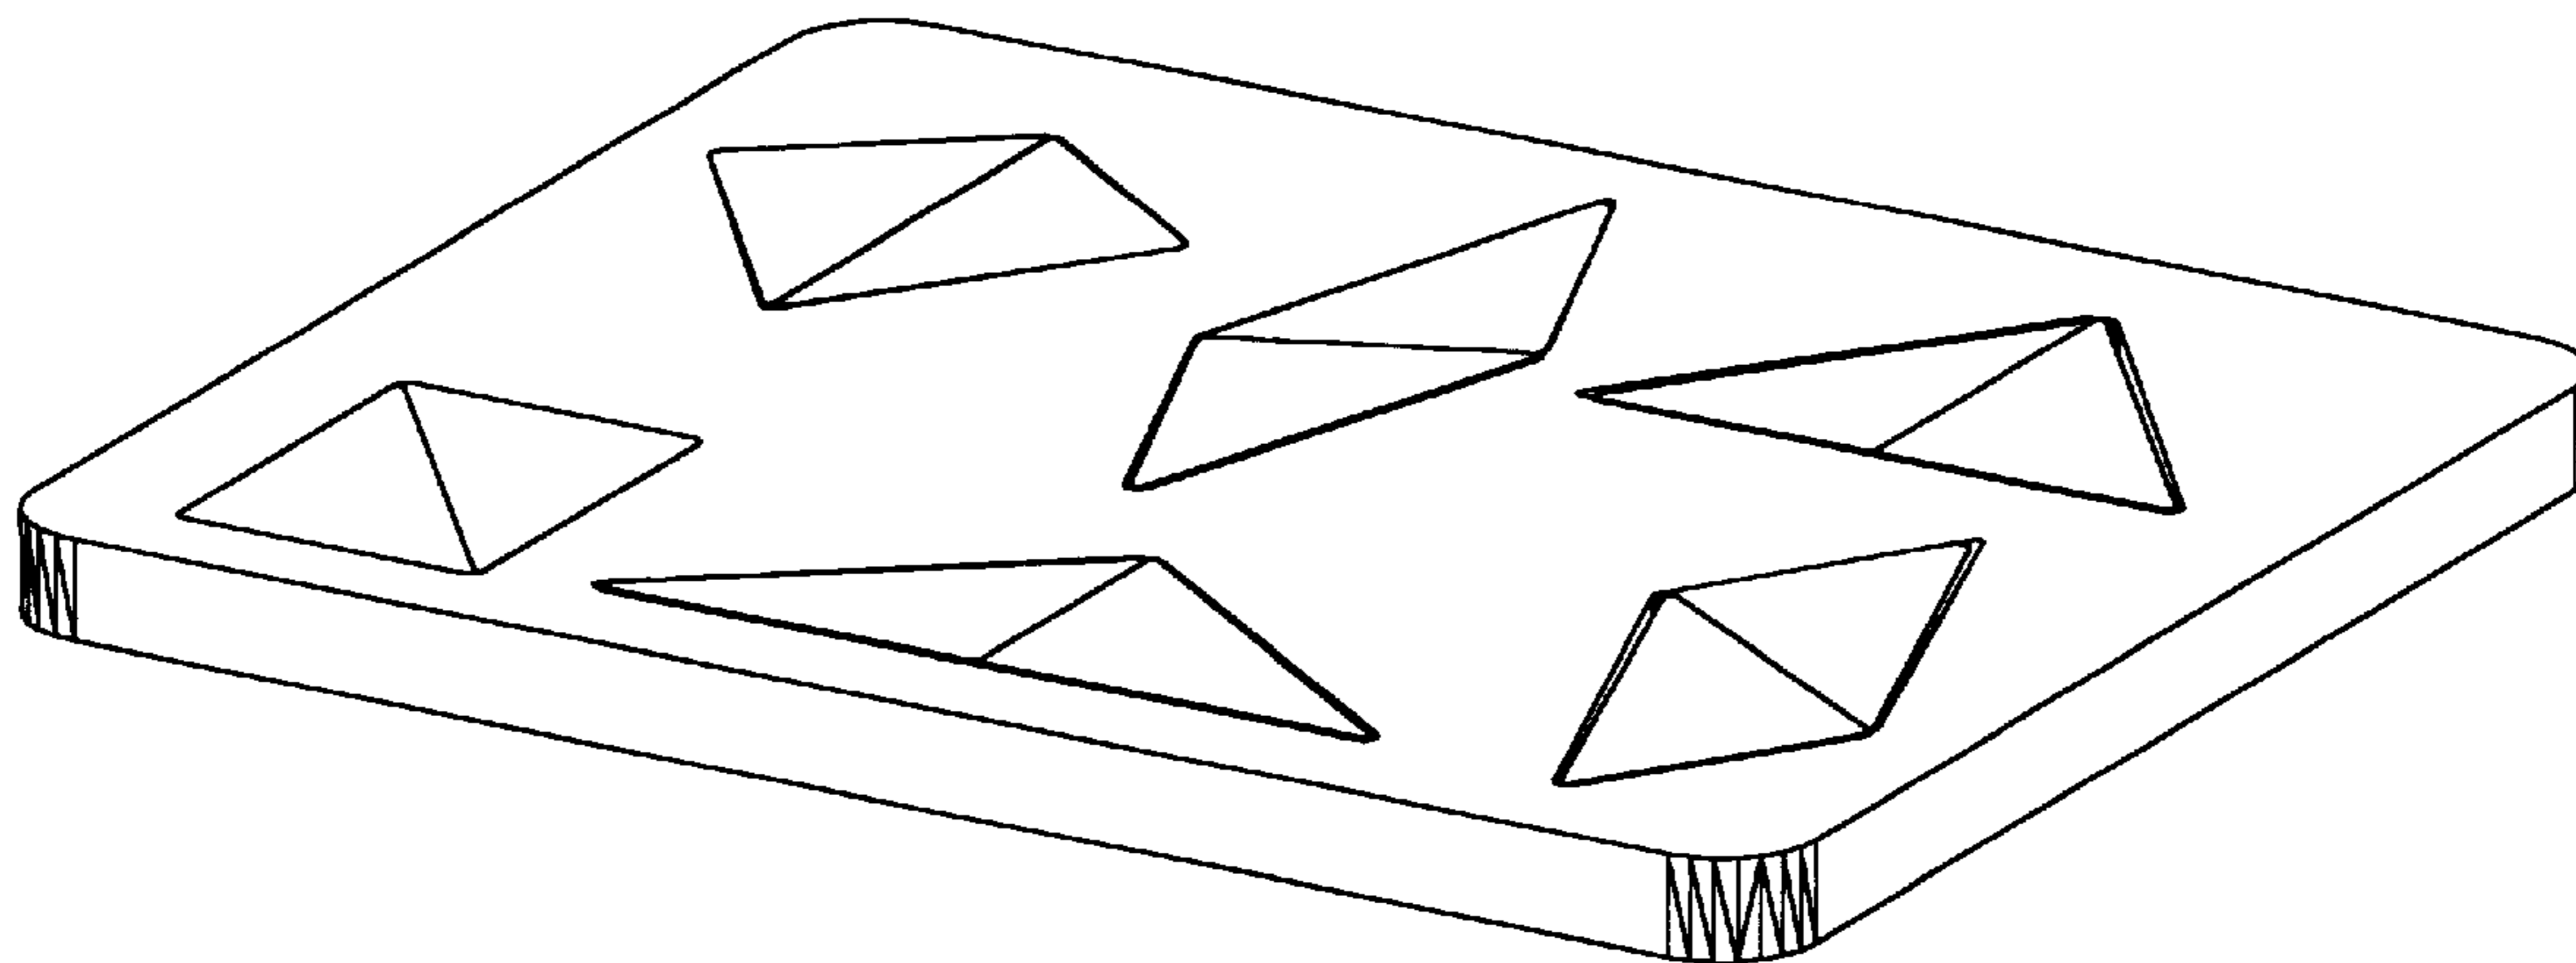

DESCRIPTION

FIG. 1 is a fully assembled perspective view showing each puzzle board receptacle filled with the two identical scalene triangle inserts.

FIG. 2 is an exploded view, showing the required orientation of the two identical scalene triangle puzzle inserts to fill each puzzle board receptacle.

The ends of the scalene triangle puzzle are unornamented. The bottom of the scalene triangle puzzle is unornamented.
