### [57] CLAIM

I claim the ornamental design of a cut stone, as shown and described.

### DESCRIPTION

FIG. 1 is a front, perspective view of a first embodiment of a cut stone showing a twelve sided unturned rondelle bead of my new design;

FIG. 2 is a top plan view of the first embodiment of the cut stone of FIG. 1, the bottom side view being the same;

FIG. 3 is a front, elevational view of the cut stone of FIG. 1, the rear, elevational view being same;

FIG. 4 is a front, perspective view of a second embodiment of a cut stone showing a sixteen sided unturned rondelle bead of my new design;

FIG. 5 is a top plan view of the second embodiment of the cut stone of FIG. 4, the bottom side view being the same; and,

FIG. 6 is a front, elevational view of the cut stone of FIG. 4, the rear, elevational view being same.
