[57] CLAIM

The ornamental design for a radiotelephone face plate, as shown and described.

DESCRIPTION

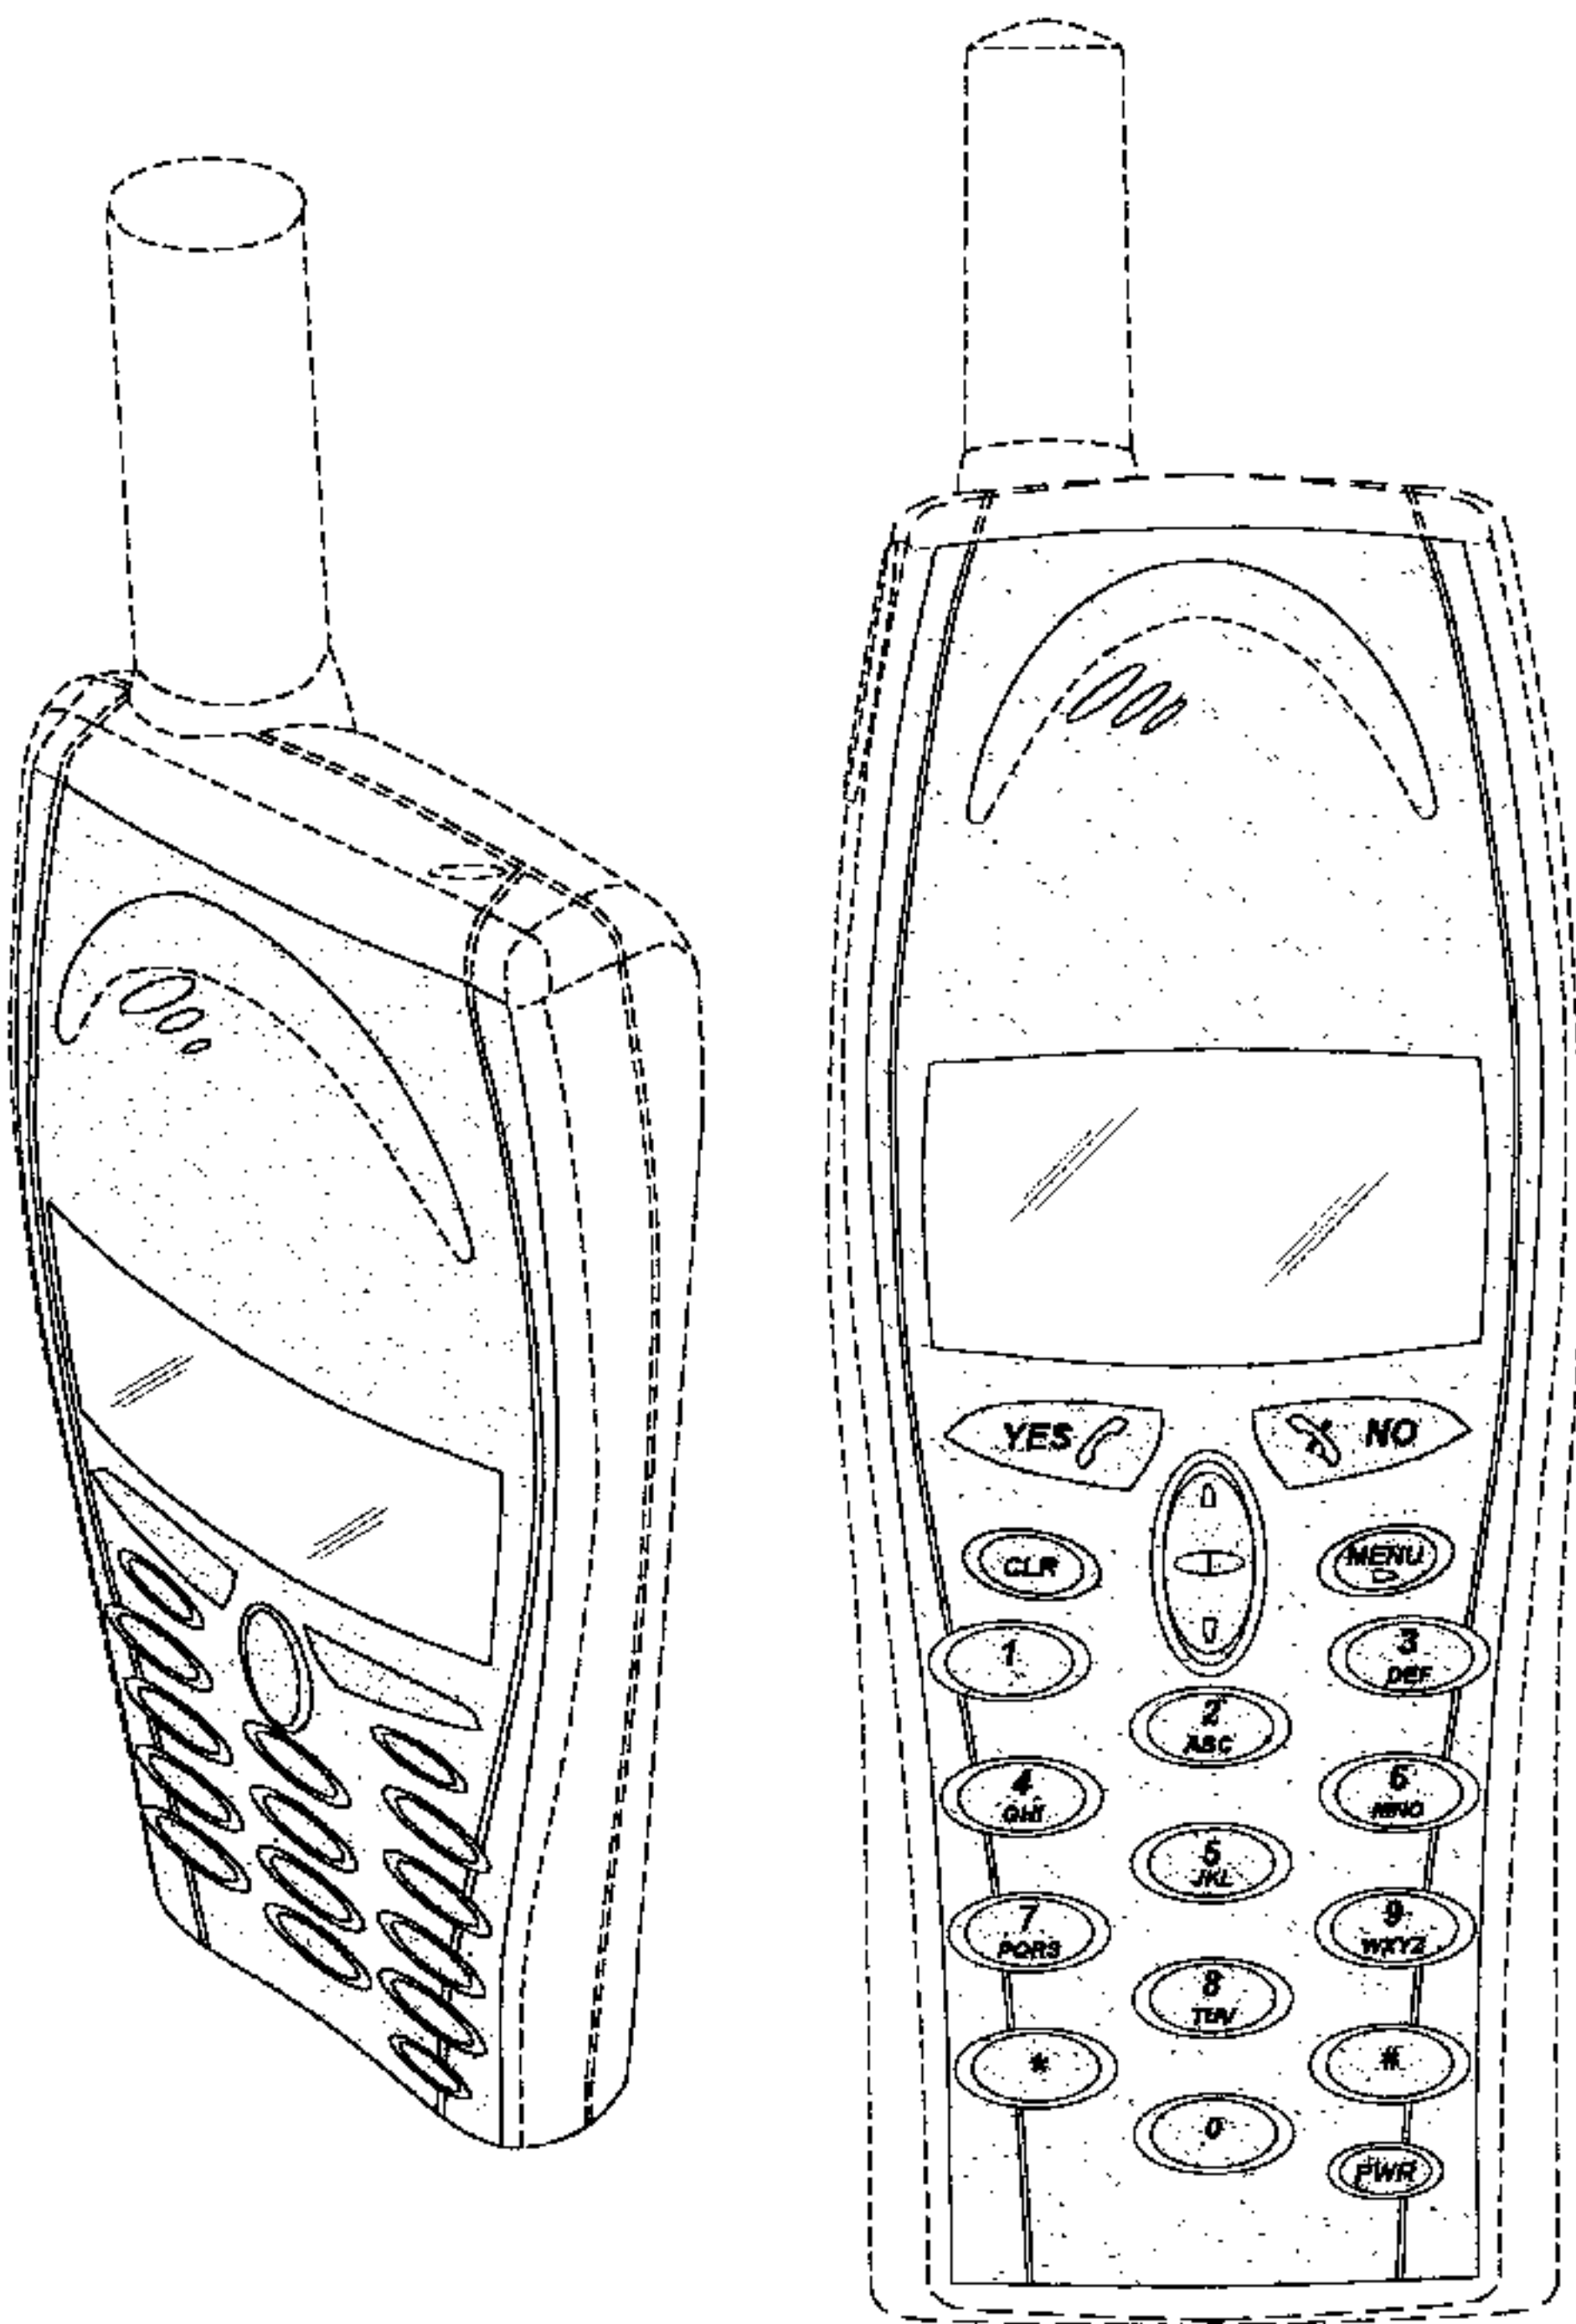

FIG. 1 is a perspective view of the radiotelephone face plate showing our design illustrated in the environment of a radiotelephone;
FIG. 2 is a front view thereof;
FIG. 3 is a front view of an alternative embodiment of our design; and,
FIG. 4 is a front view of another alternative embodiment of our design.

The claimed radiotelephone face plate is used for the front face of a radiotelephone.

The rear, sides, and ends of the radiotelephone face plate form no part of the claimed design.

The broken lines shown herein are for illustrative purposes only and form no part of the claimed design.
