[57] CLAIM

The ornamental design for a reversible denim skirt, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a reversible denim skirt showing my new design; FIG. 2 is a rear perspective view thereof; FIG. 3 is a left side elevational view thereof; and, FIG. 4 is a right side elevational view thereof. The dashed lines shown in the figures represent a silhouette of an individual wearing a garment of the present designs, and forms no part of the current invention. The claimed design in it's reversible condition is identical to what is shown and described.
