[57] **CLAIM**

The ornamental design for an acceleration controller for electromotive bicycle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an acceleration controller for electromotive bicycle, showing my new design;
FIG. 2 is a front view of the acceleration controller for electromotive bicycle;
FIG. 3 is a rear view of the acceleration controller for electromotive bicycle;
FIG. 4 is a left side view of the acceleration controller for electromotive bicycle;
FIG. 5 is a right side view of the acceleration controller for electromotive bicycle;
FIG. 6 is a top view of the acceleration controller for electromotive bicycle; and,
FIG. 7 is a bottom view of the acceleration controller for electromotive bicycle.
