[57] **CLAIM**

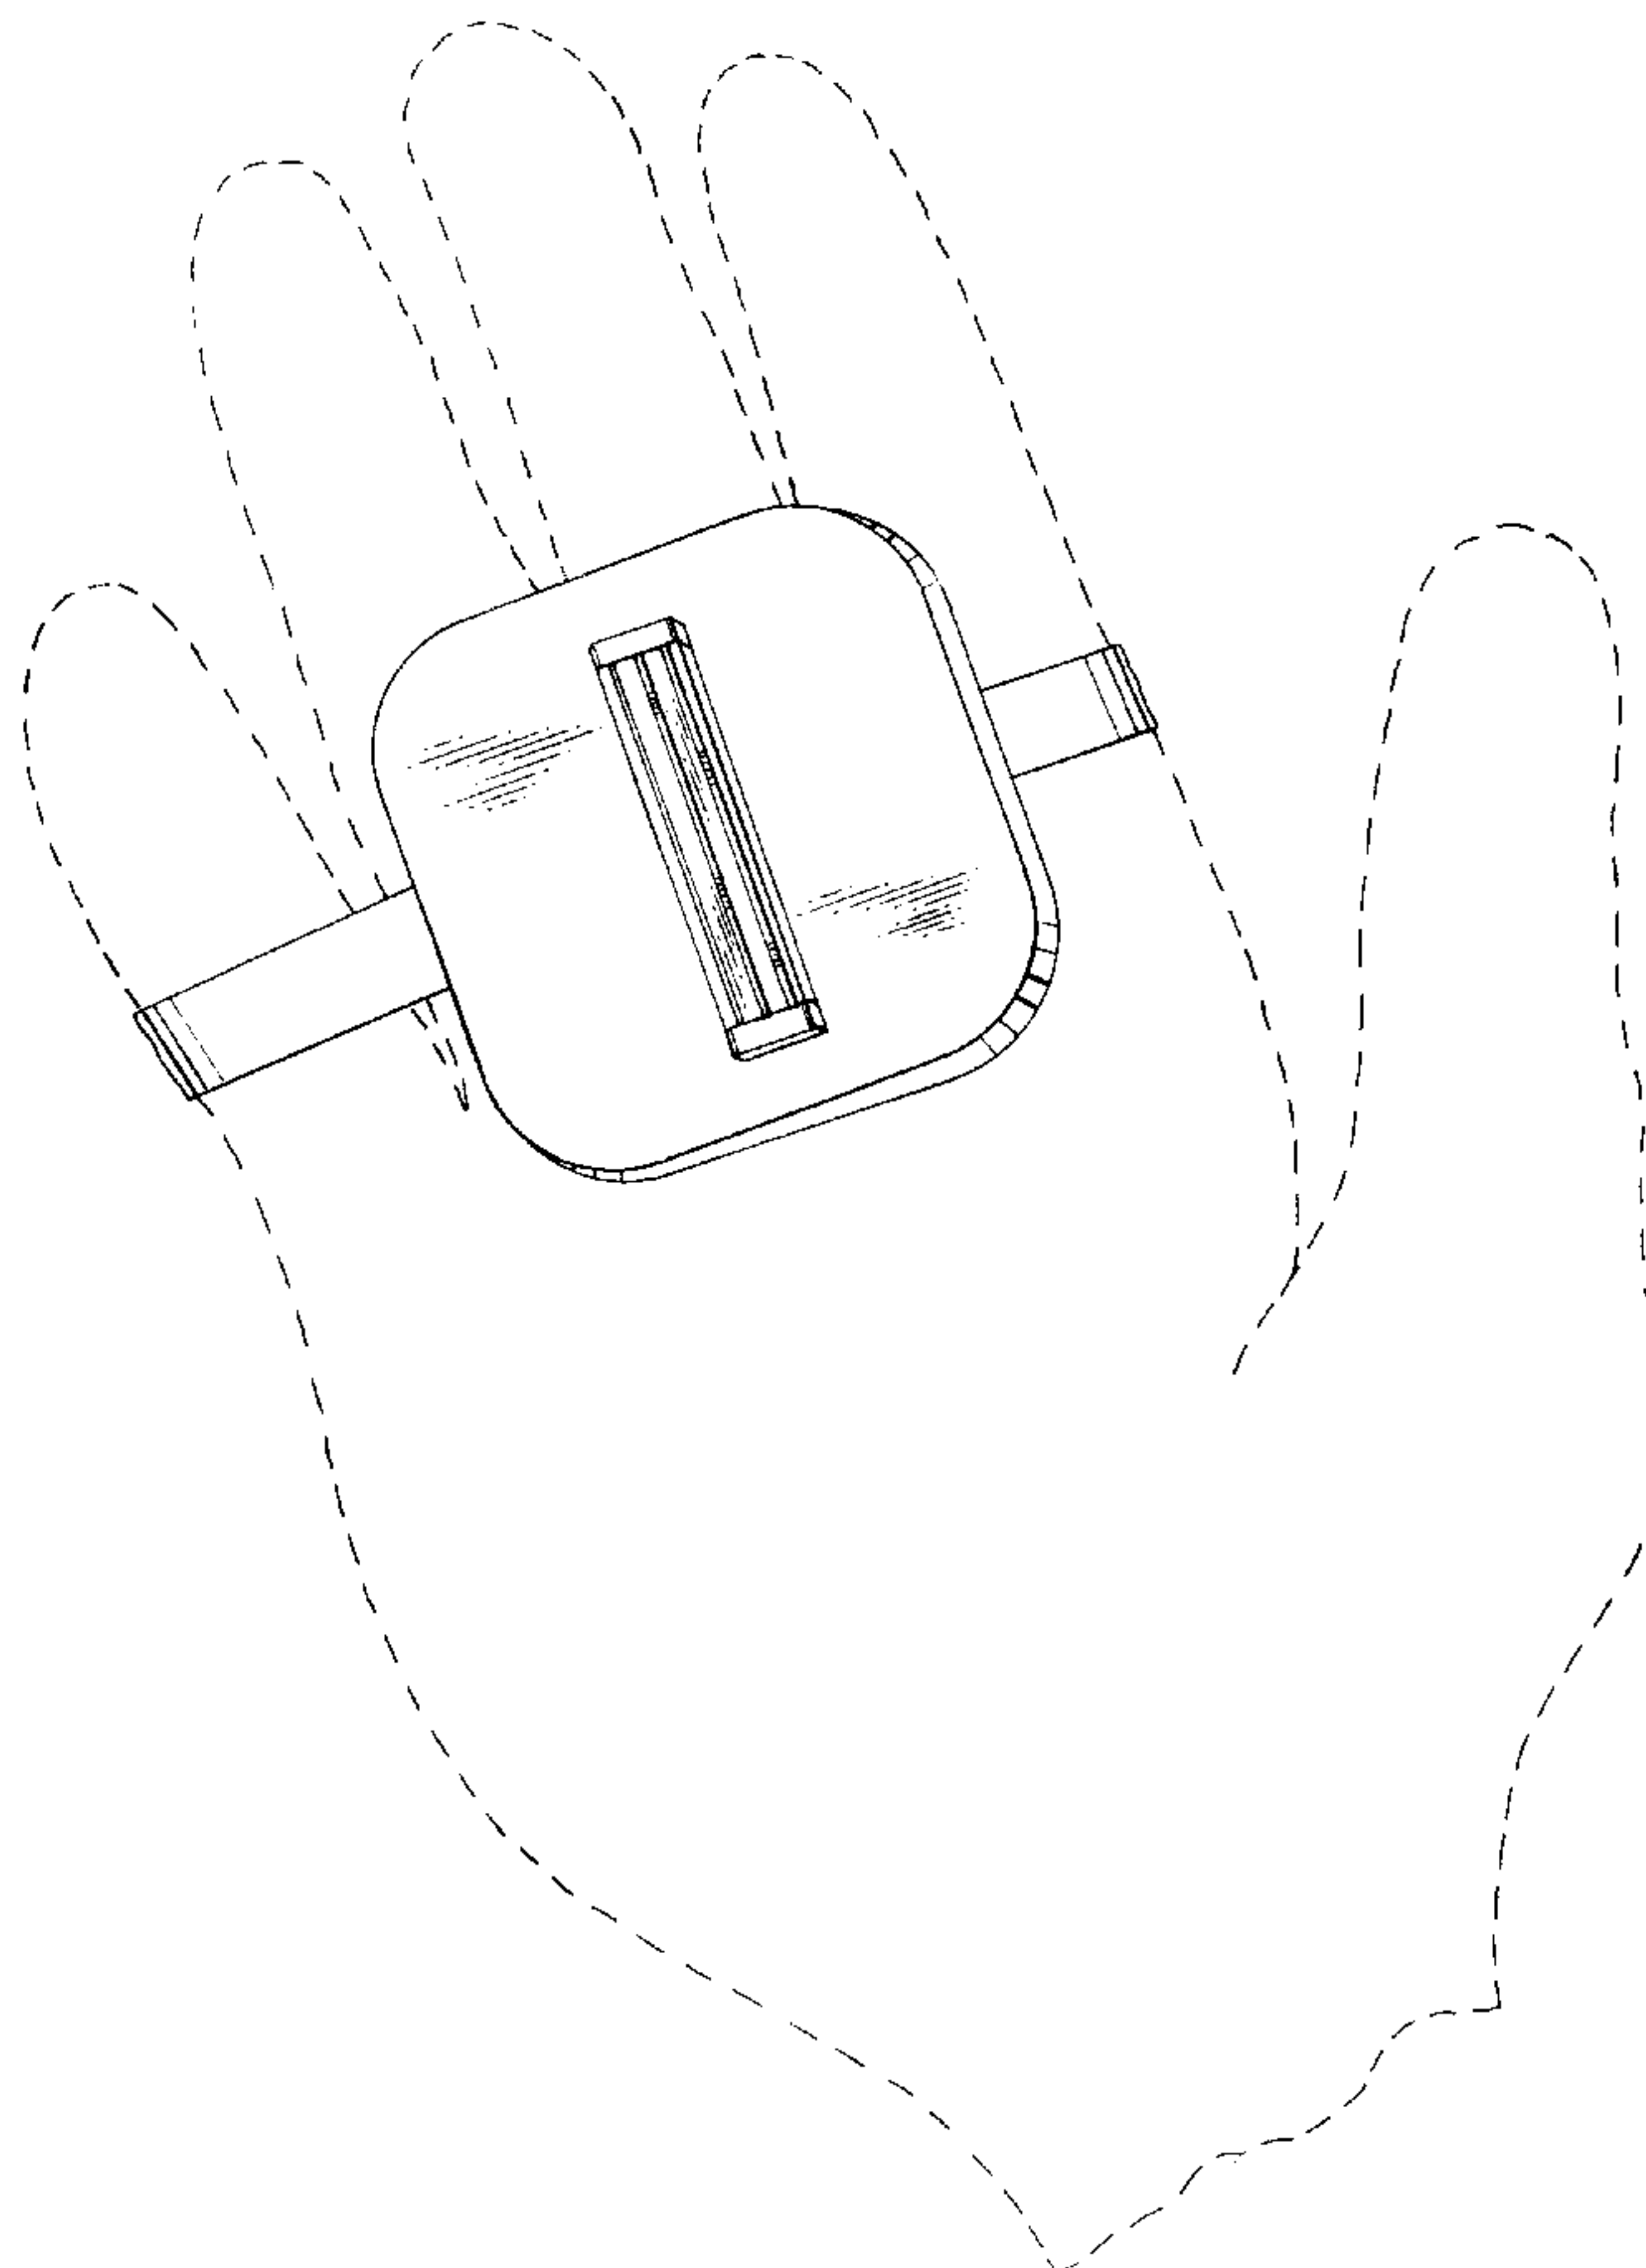

The ornamental design of a ladies hand shaver, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the hand shaver of the invention;
FIG. 2 is a bottom plan view showing the handle partially broken away to expose a portion of the underlying surface;
FIG. 3 is a top plan view thereof;
FIG. 4 is a right side elevation view thereof, wherein the side of the blade head is partially broken away for a clear disclosure of the top surface configuration; the left side elevation being a mirror image thereof; and,
FIG. 5 is a front elevation view thereof.

The broken line showing of the human hand in FIG. 1 is for illustrative purposes only and forms no part of the claimed design. Surfaces or portions of the article not shown in the drawings or described in the specification form no part of the claimed design.
