[57] CLAIM

The ornamental design of a collapsible container, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of the collapsible container of our design;
FIG. 2 is a top plan view of our container;
FIG. 3 is a front elevational view of our container, the rear elevational view being identical thereto;
FIG. 4 is a right elevational view of our container, the left elevational view being identical thereto;
FIG. 5 is a bottom plan view of our container;
FIG. 6 is a perspective view of a second embodiment of the collapsible container of our design;
FIG. 7 is a top plan view of our container;
FIG. 8 is a front elevational view of our container, the rear elevational view being identical thereto;
FIG. 9 is a right elevational view of our container, the left elevational view being identical thereto; and,
FIG. 10 is a bottom plan view of our container.
