[57] CLAIM

The ornamental design for a soldering iron tip, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view showing my new design, the other side elevational view being a mirror image of this view;

FIG. 2 is a front elevational view showing my new design, the back elevational view being a mirror image of this view;

FIG. 3 is a top plan view showing my new design;

FIG. 4 is a bottom plan view showing my new design;

FIG. 5 is a perspective view showing my new design; and,

FIG. 6 is a side elevational view showing my new design, wherein the broken line depiction of the soldering iron is for illustrative purposes only, and forms no part of the claimed design.
