[57] **CLAIM**
The ornamental design for a vending machine, as shown and described.

DESCRIPTION
FIG. 1 is a perspective view of a vending machine showing my new design; and,
FIG. 2 is a front elevational view thereof.
The undisclosed left side view is a mirror image of the right side view; and the rear view is the same as the right side view except for the coin receptor.
The undisclosed bottom view forms no part of the claimed design.
