[57] **CLAIM**

The ornamental design for a bezel for a computer chassis, as shown and described.

DESCRIPTION

FIG. 1 is a left front perspective view of a bezel for a computer chassis showing my design, features shown in broken lines are for illustrative purposes only and form no part of the invention;
FIG. 2 is a top plan view of a bezel for a computer chassis showing my design, features shown in broken lines are for illustrative purposes only and form no part of the invention;
FIG. 3 is a front elevation view of a bezel for a computer chassis showing my design, features shown in broken lines are for illustrative purposes only and form no part of the invention; and,
FIG. 4 is a left side elevation view of a bezel for a computer chassis showing my new design. The right side view is a mirror image. The features shown in broken lines are for illustrative purposes only and form no part of the invention.
