[57] **CLAIM**

The ornamental design for a child's car, as shown and described.

**DESCRIPTION**

FIG. 1 is an environmental right side elevational view, with the left side being a mirror image, of a child's car showing our new design;

FIG. 2 is a top plan view thereof;

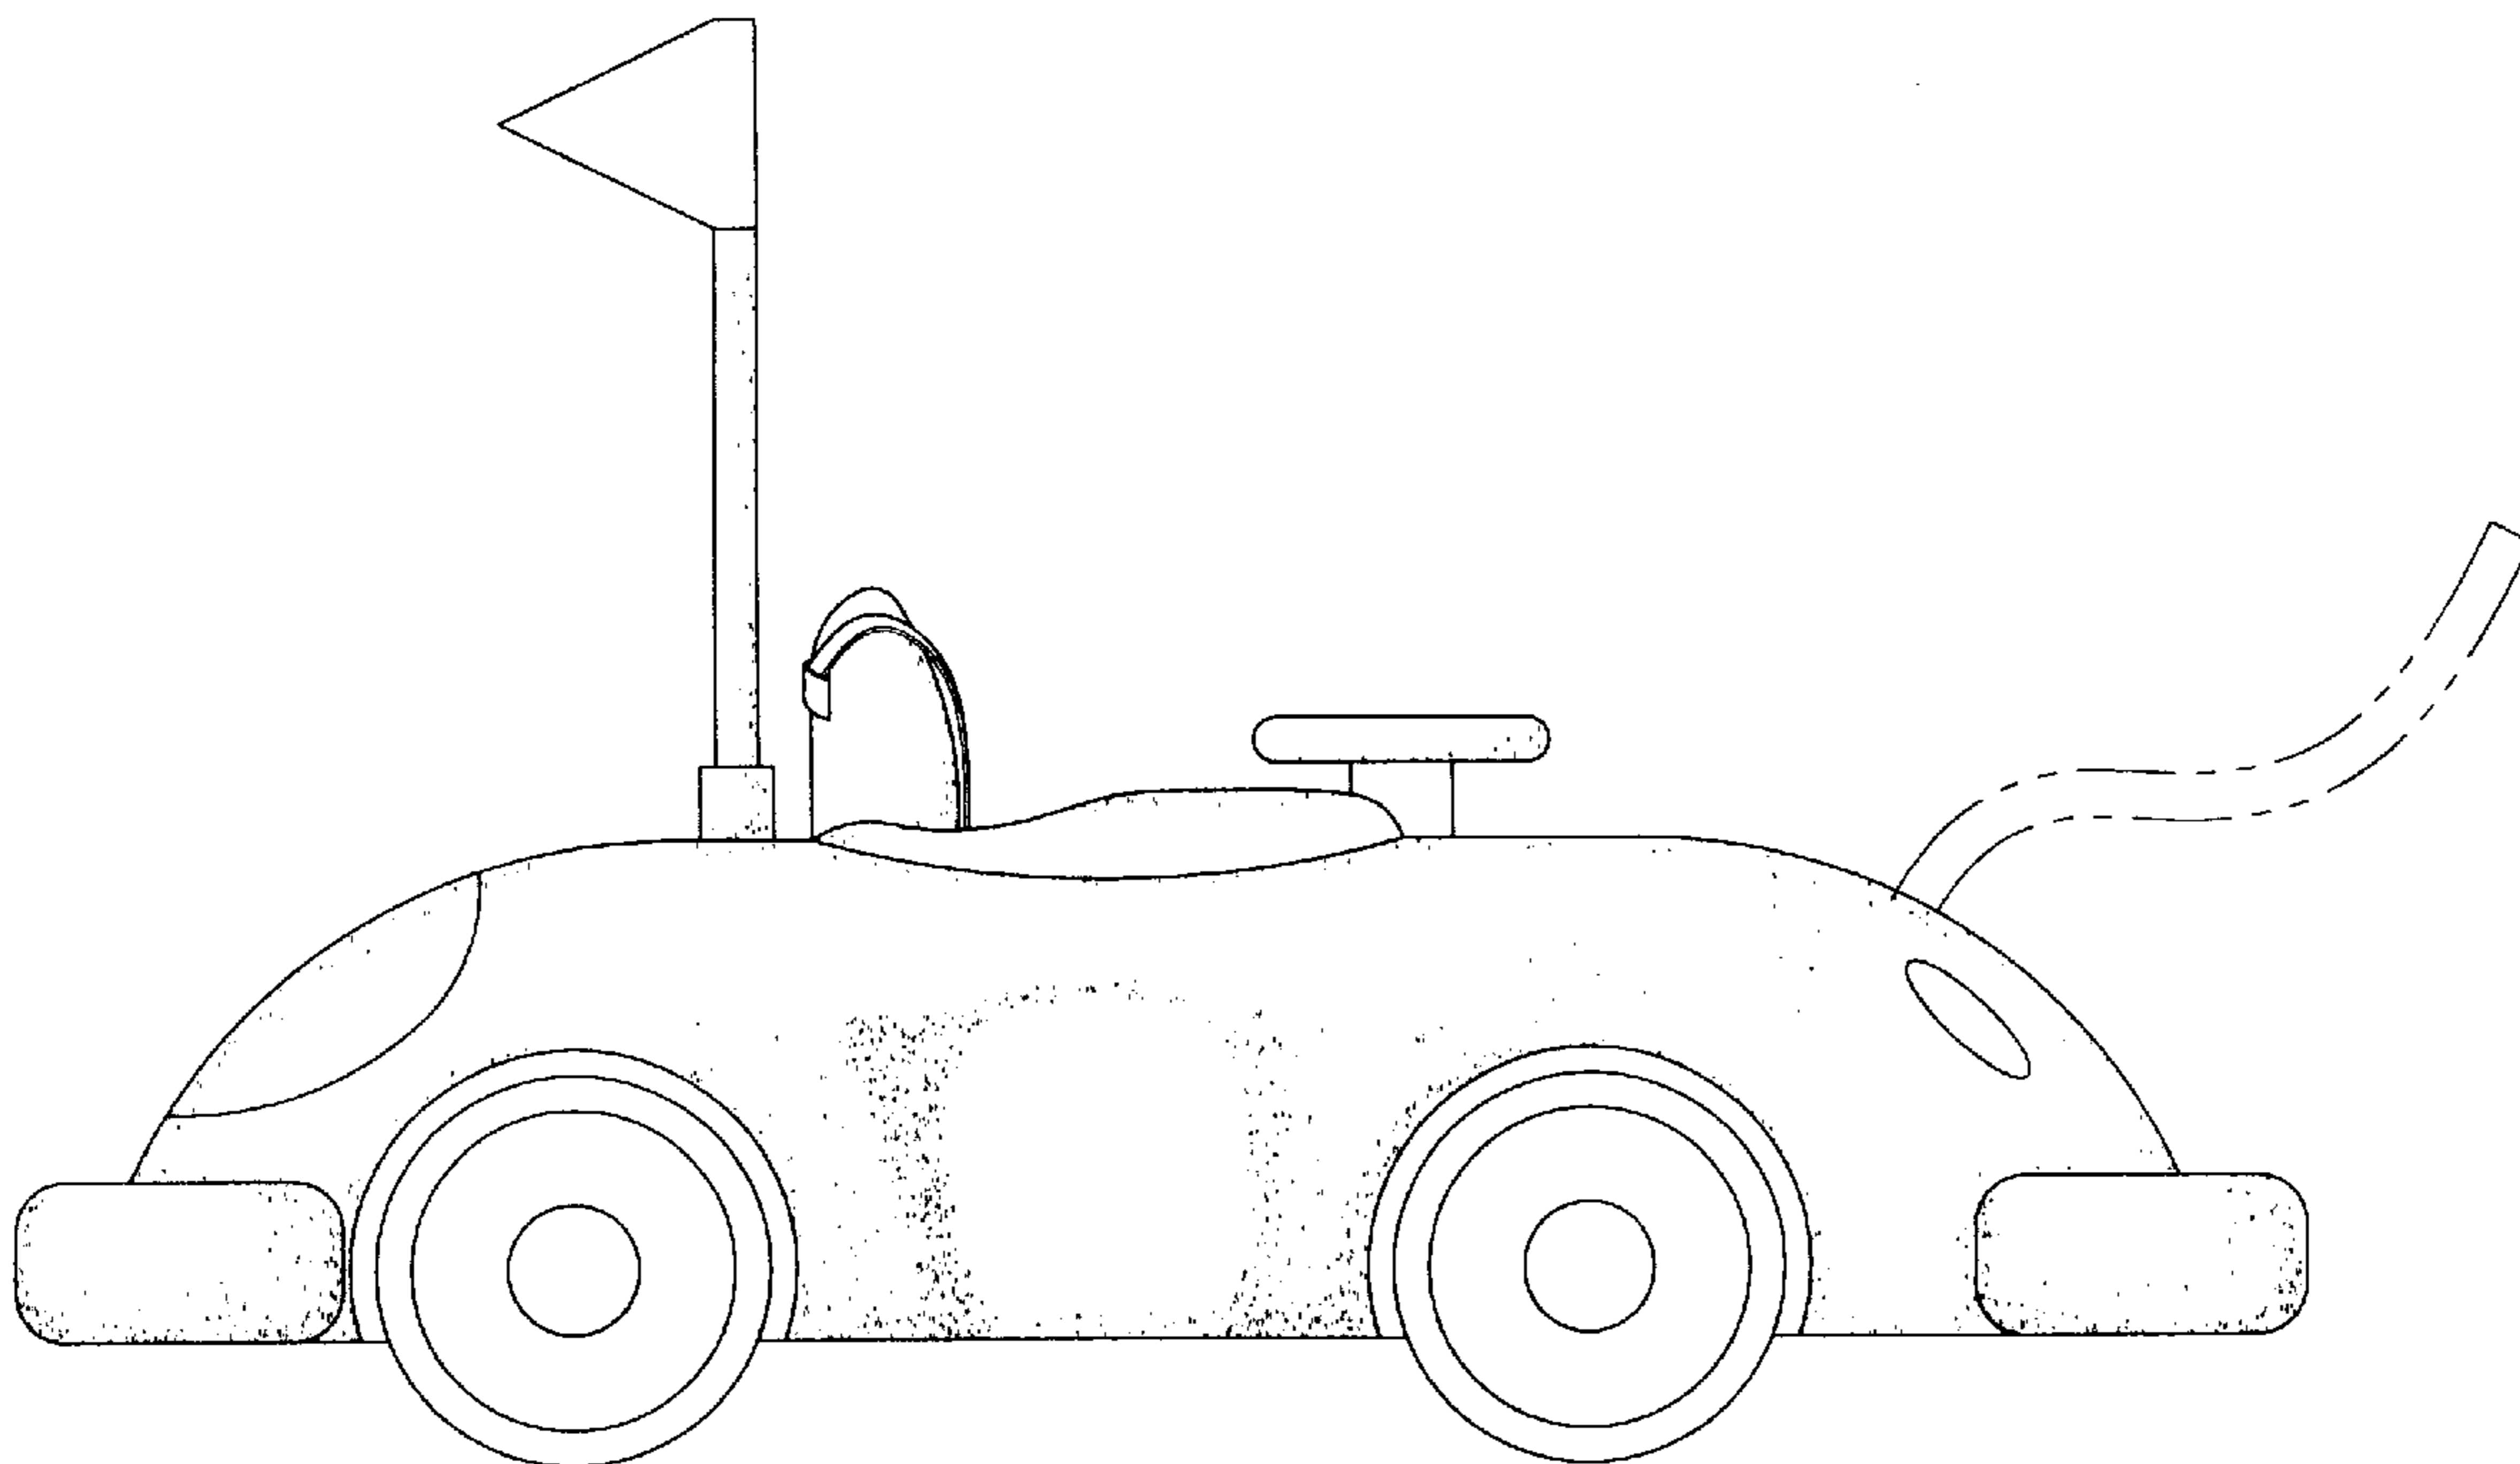

FIG. 3 is a rear elevational view thereof; and,

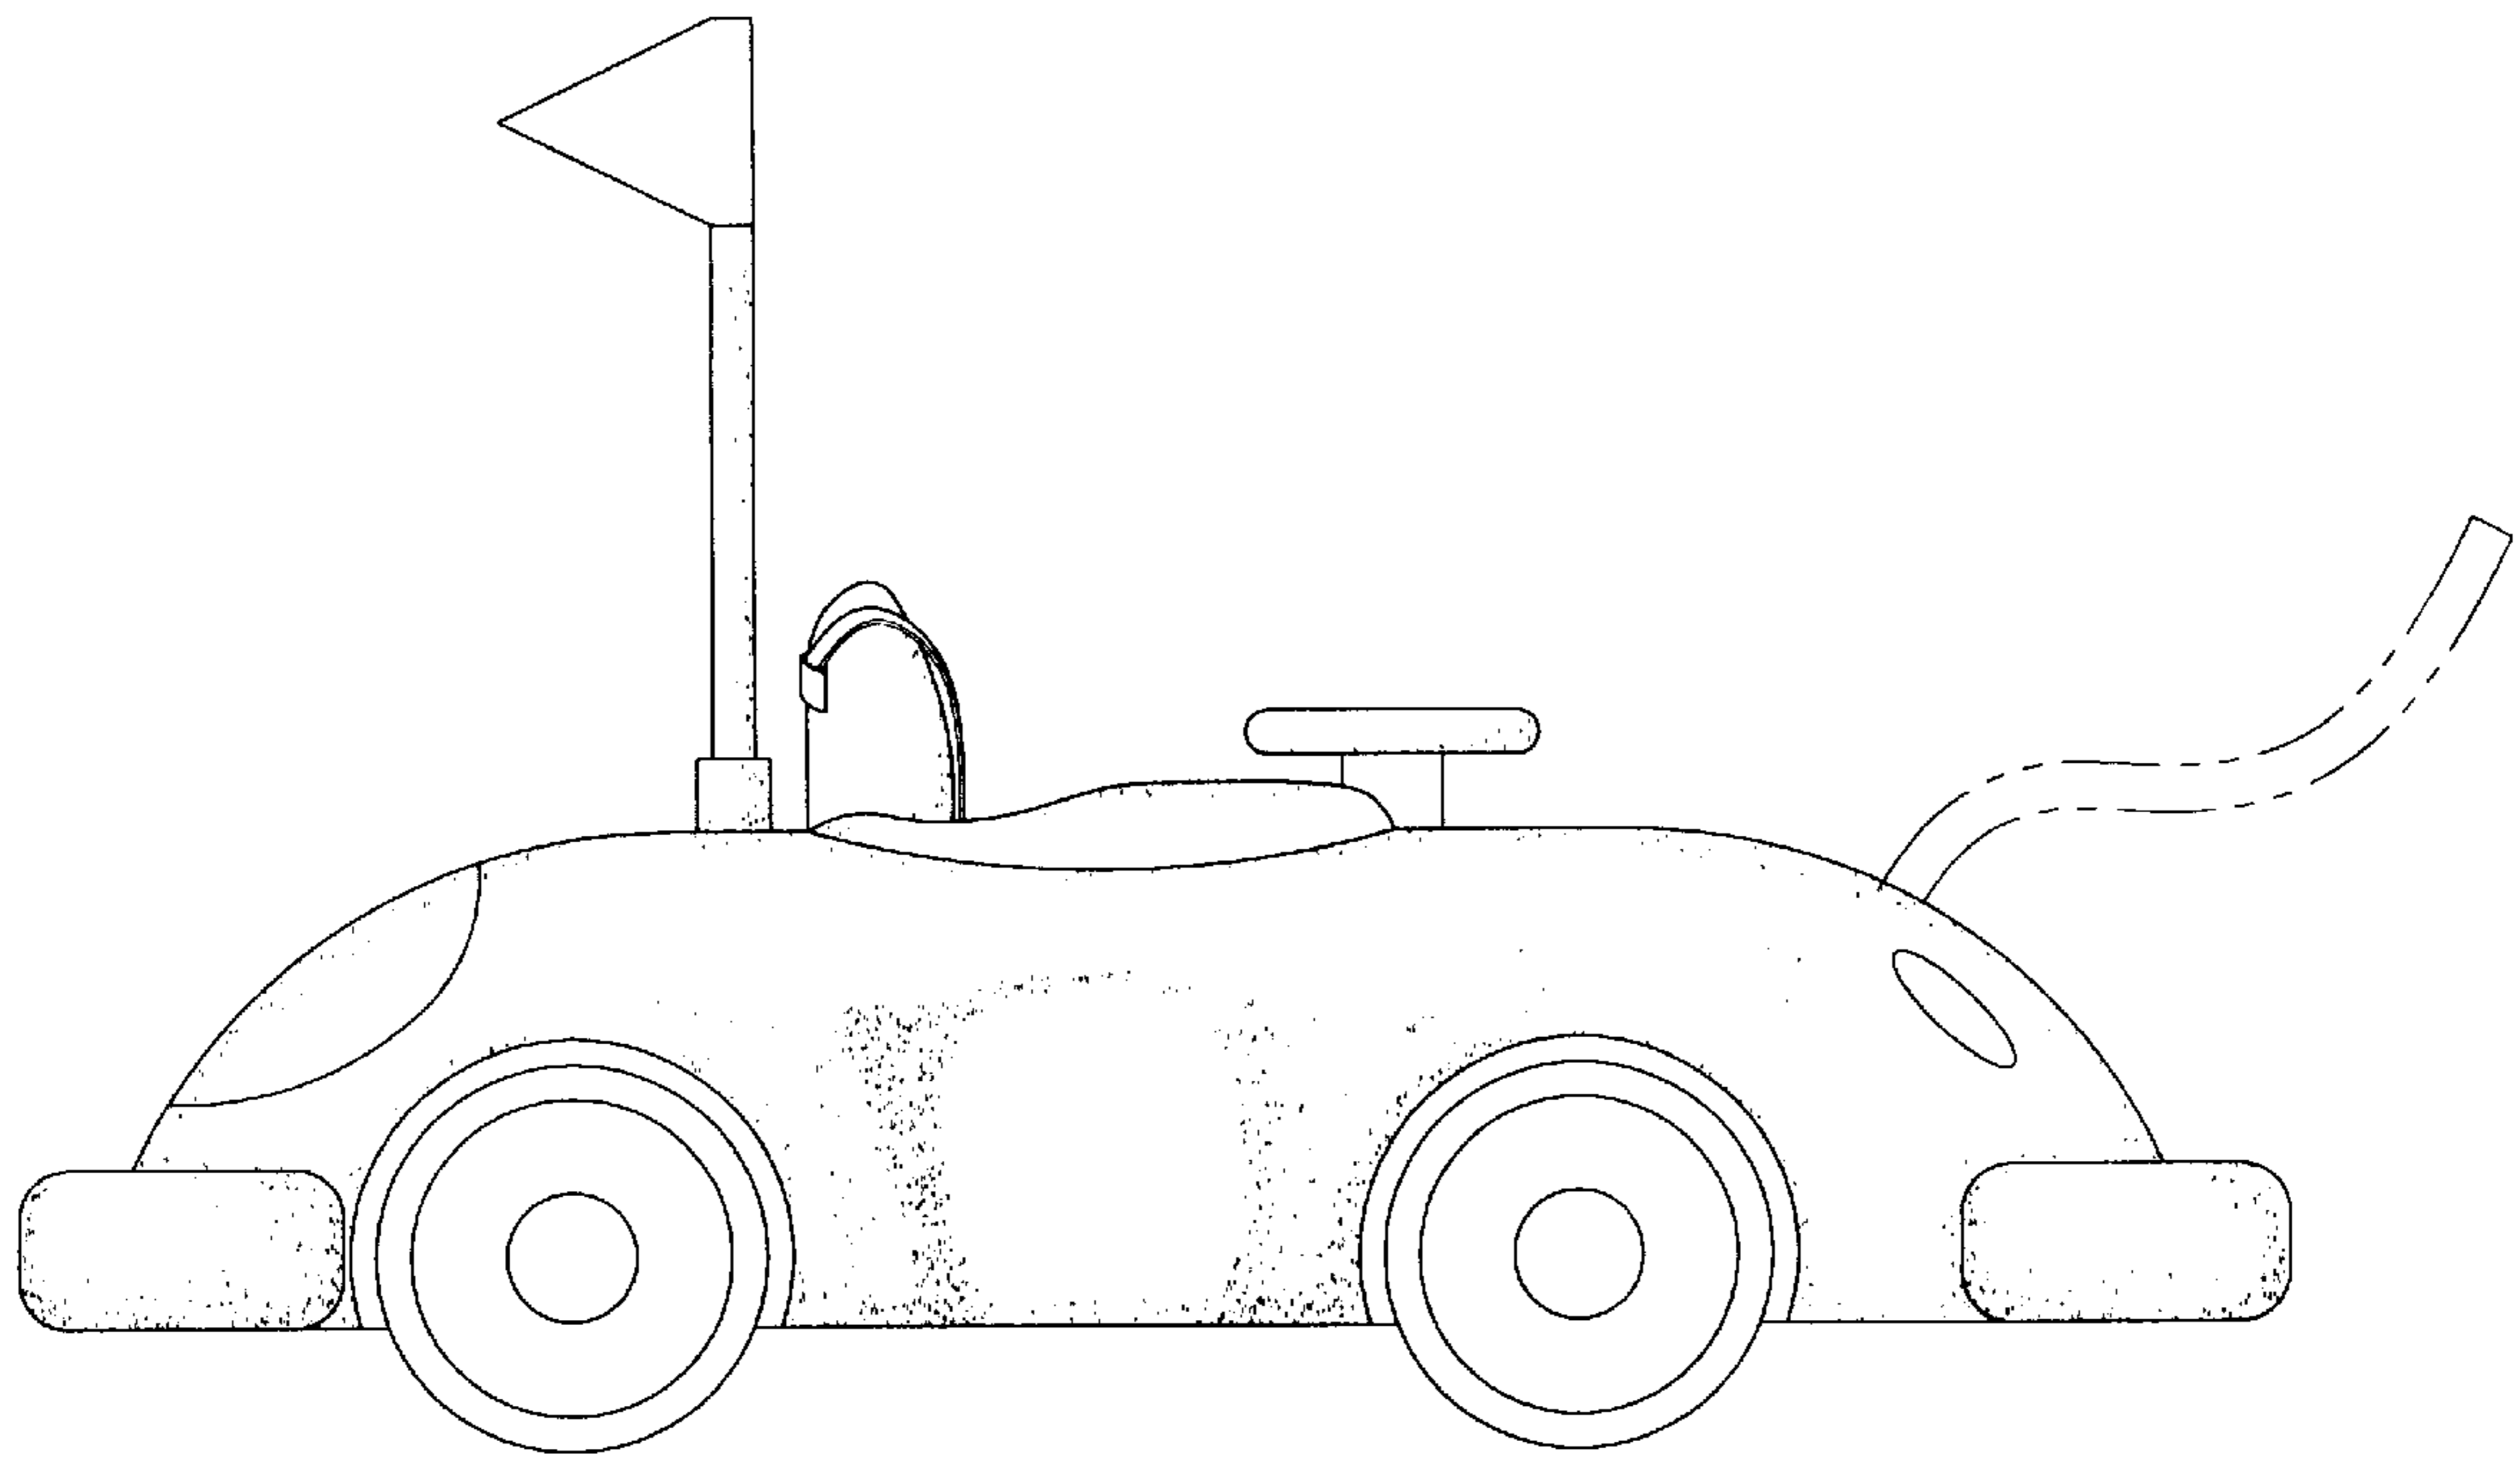

FIG. 4 is a front elevational view thereof.

The broken line showing of the tether in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.

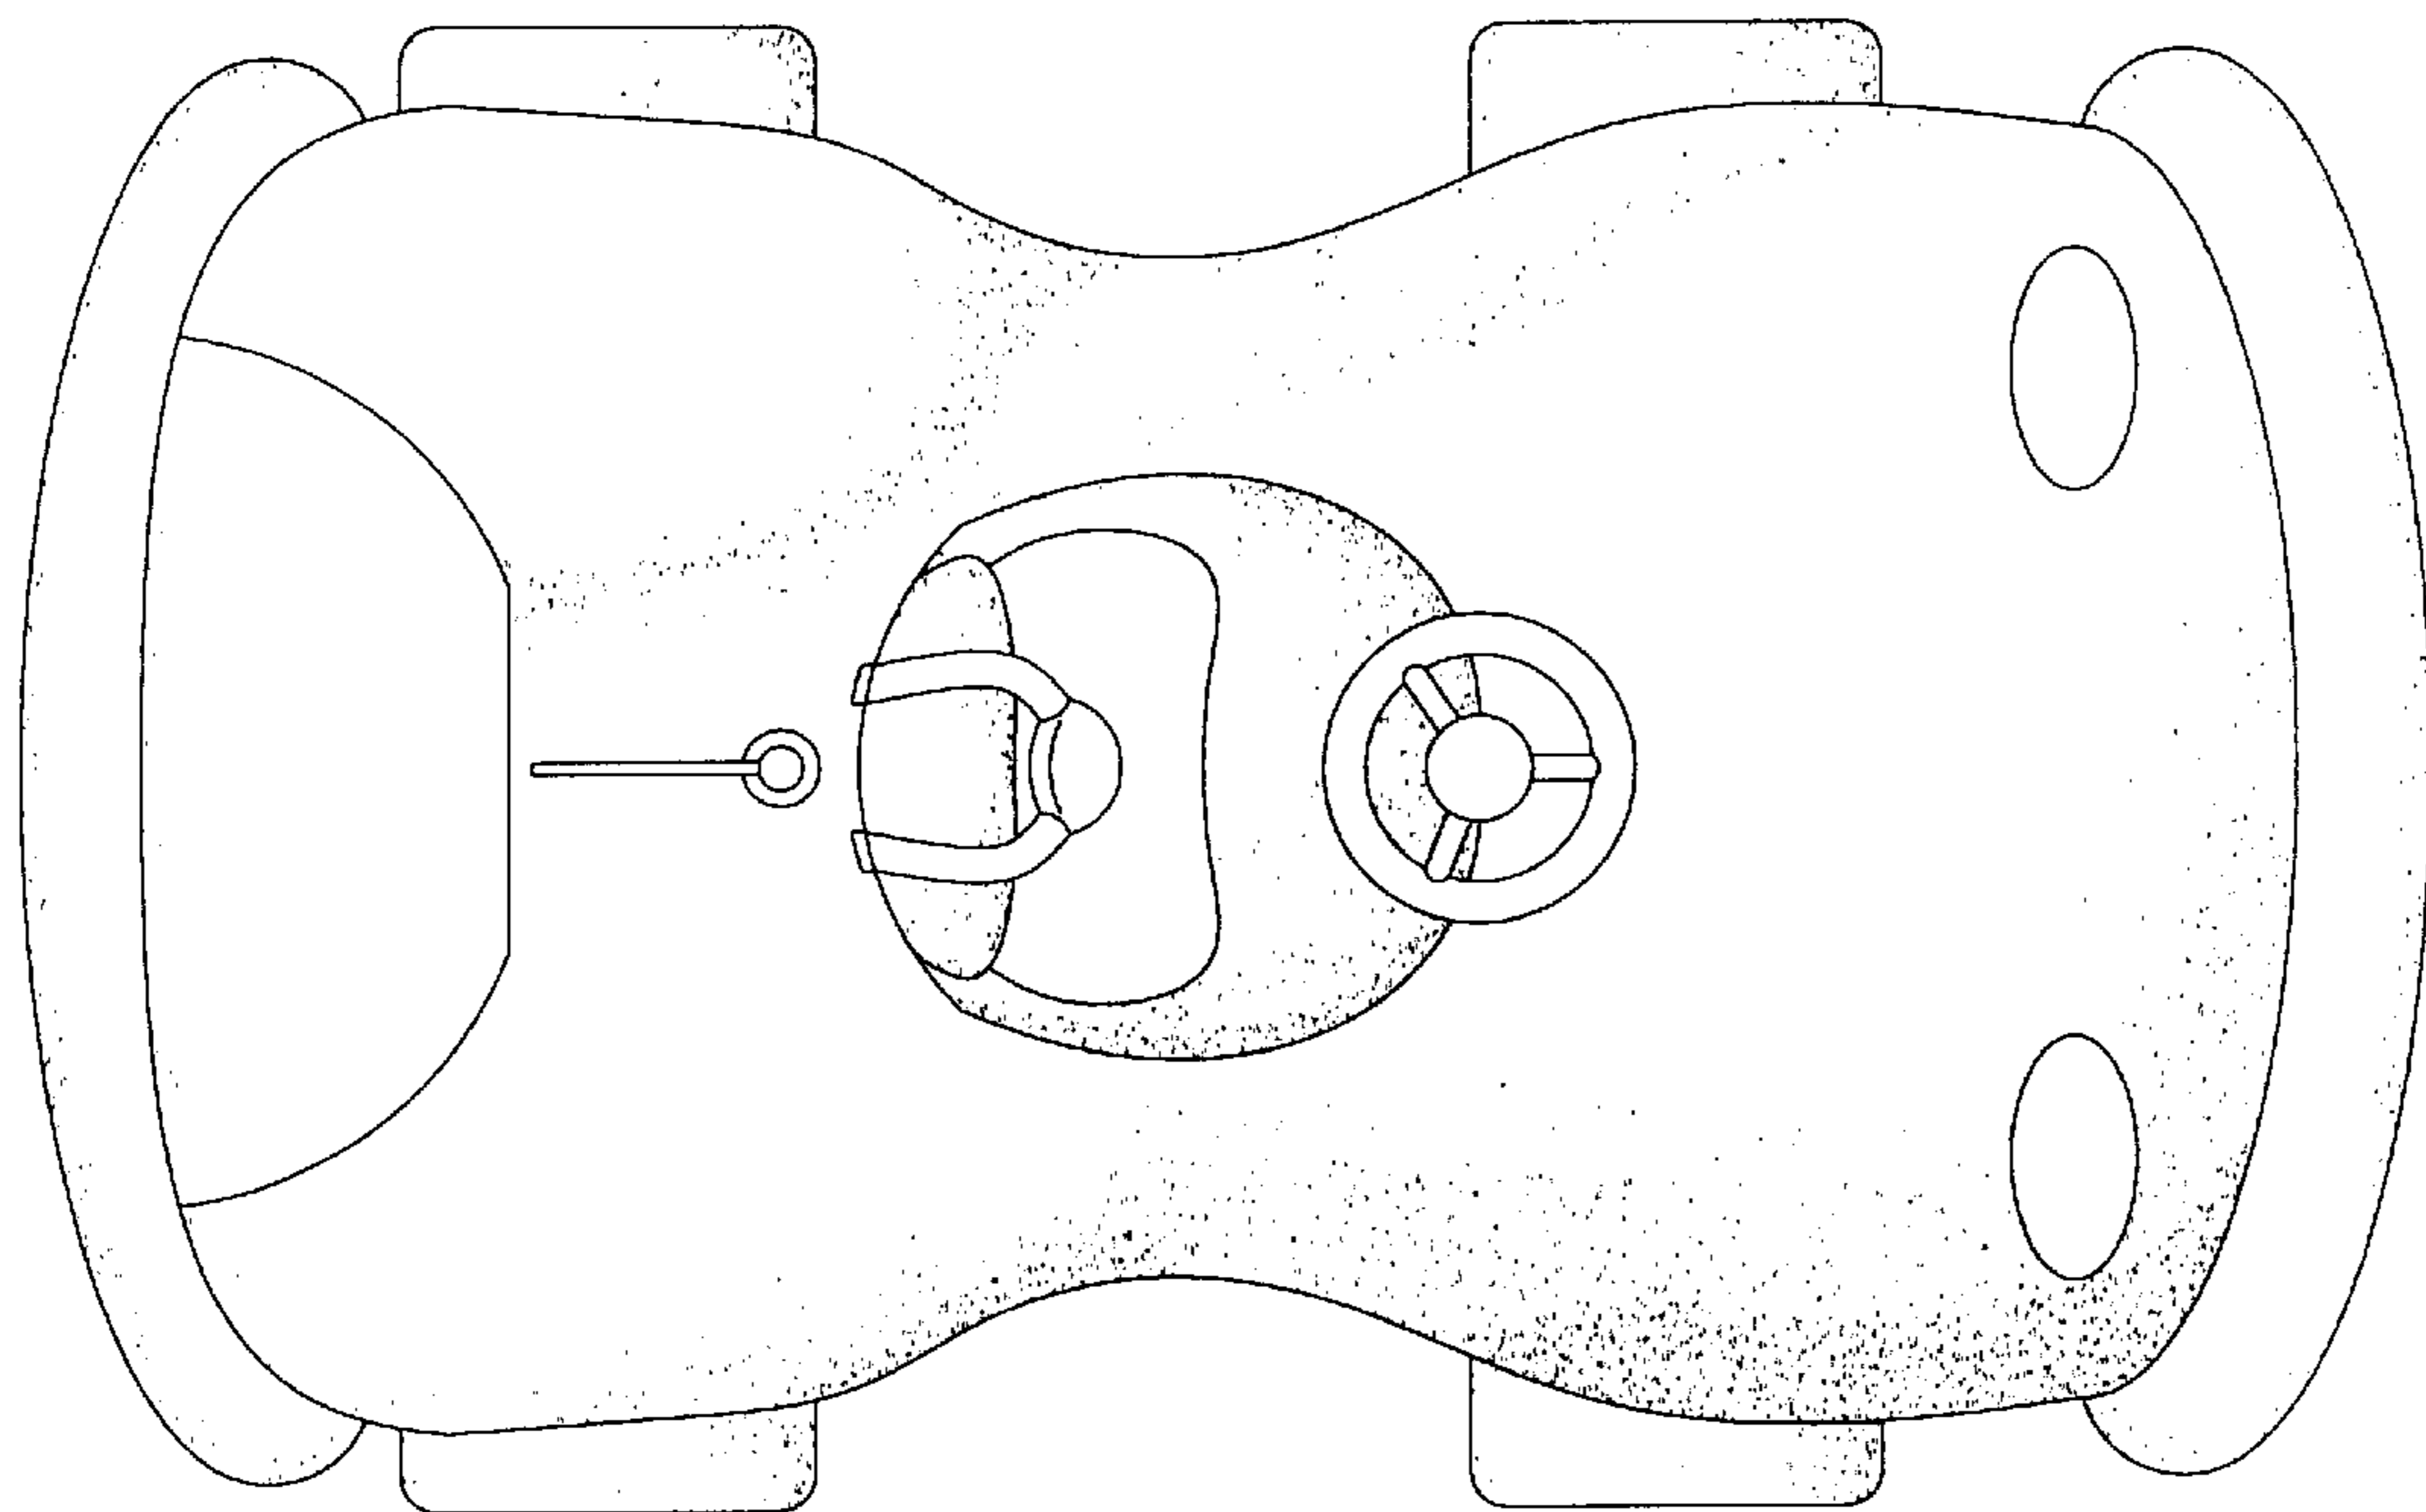

The bottom view is plain and unornamented.
