[57] **CLAIM**

The ornamental design for a bidet seat and cover combination, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a bidet seat and cover combination showing our new design with the cover lowered;

FIG. 2 is a front perspective view thereof, with the cover removed for clarity of illustration.

FIG. 3 is a top plan view thereof with the cover lowered;

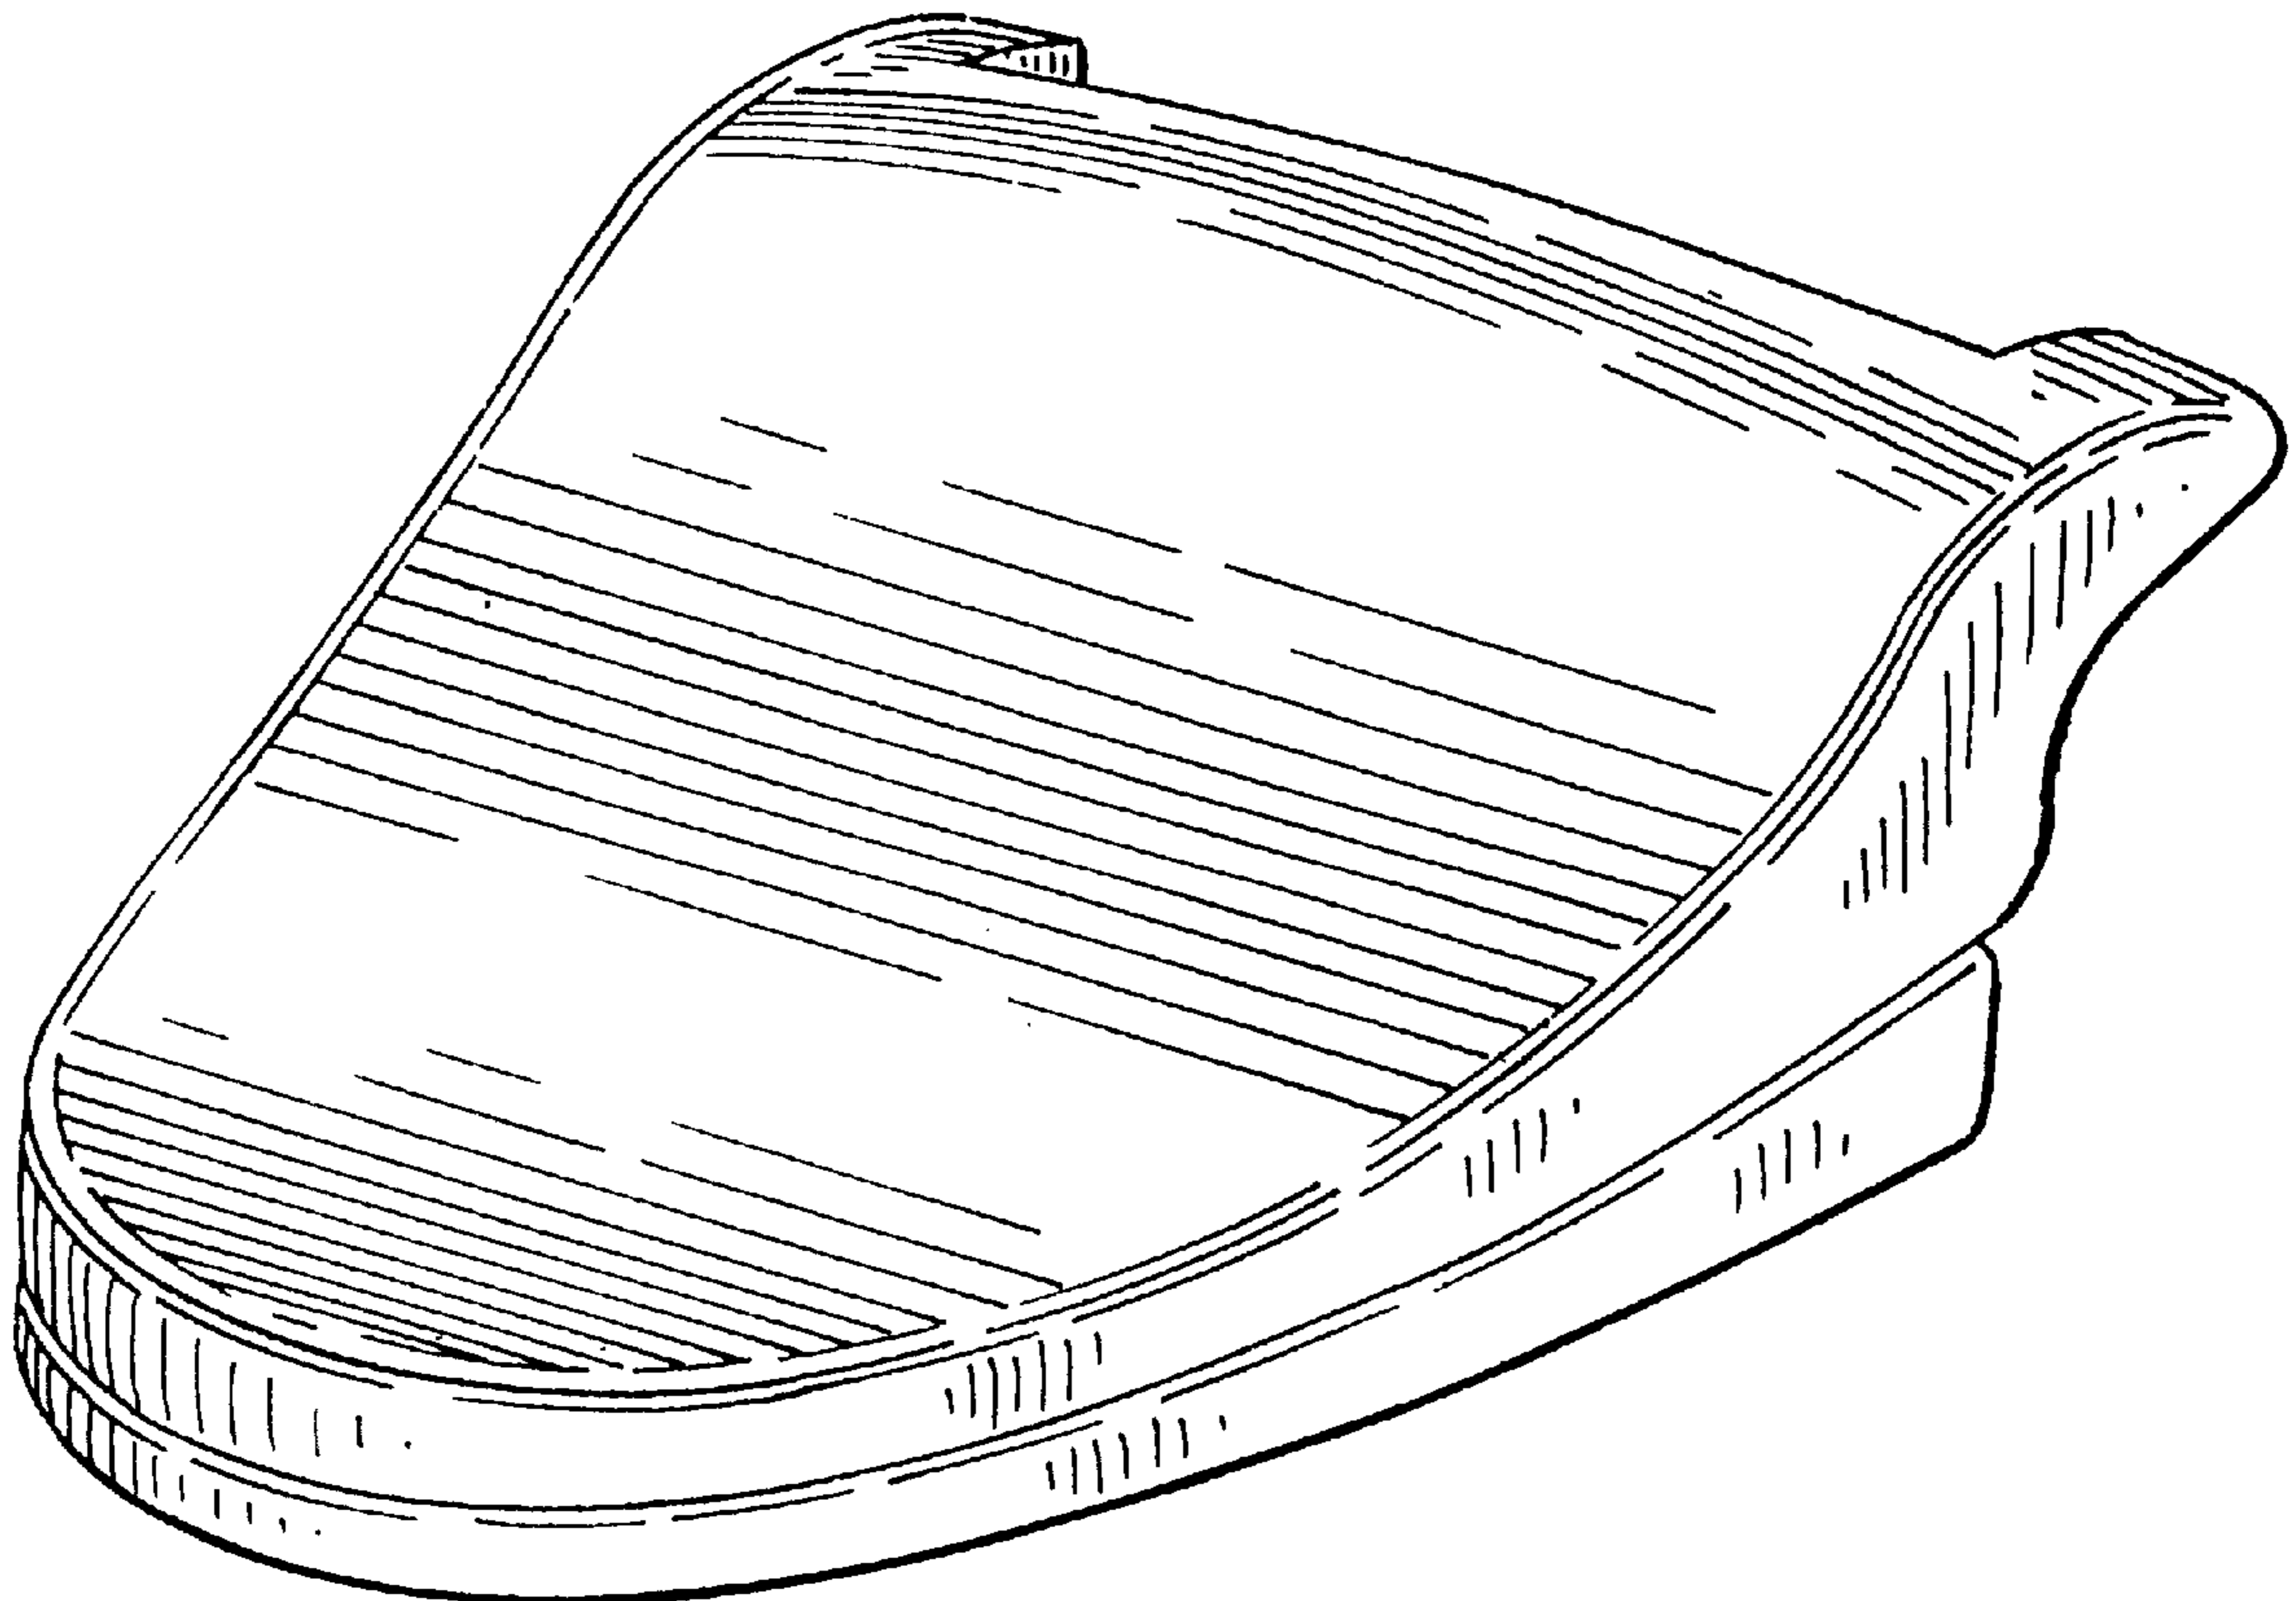

FIG. 4 is a left side elevational view thereof with the cover lowered, the right side view being a mirror image of that shown; and,

FIG. 5 is a front elevational view thereof with the cover lowered.

The bottom and rear surfaces of the seat and cover are not part of the design sought to be patented and are therefore not shown or are shown in broken lines

The other portions of the seat and the cover shown in broken lines are not part of the design sought to be patented.
