[57] **CLAIM**

The ornamental design for a clam shell packaging, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a clam shell packaging showing my new design;

FIG. 2 is a left side elevational view thereof; the right side elevational view being a mirror image thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a reduced scale top view thereof; shown in an open position;

FIG. 7 is a left elevational view of FIG. 6; the right side elevational view being a mirror image thereof; and,

FIG. 8 is a left side elevational view thereof; similar to FIG. 2 but shown in closing position.

The broken line showing of pan is for illustrative purpose only and forms no part of the claimed design.
