[57] CLAIM

The ornamental design for an outer surface of a side console, as shown and described.

DESCRIPTION

FIG. 1 is a rear, top perspective view of an outer surface of a side console showing our new design.
FIG. 2 is an enlarged front, top perspective view of the outer surface of a side console design of FIG. 1.
FIG. 3 is a front view of the outer surface of a side console of FIG. 2.
FIG. 4 is a right side view of the outer surface of a side console of FIG. 2; and,
FIG. 5 is a top plan view of the outer surface of a side console of FIG. 2.

The broken lines immediately adjacent the shaded surfaces represents the bounds of the claim and all other broken lines are for illustrative purposes only. None of the broken lines form part of the claimed design.
