[57] CLAIM

The ornamental design for a push-up hand rest, as shown
and described.

DESCRIPTION

FIG. 1 provides a perspective view of the ornamental design
for a push-up hand rest produced in accordance with the
teachings of this invention.

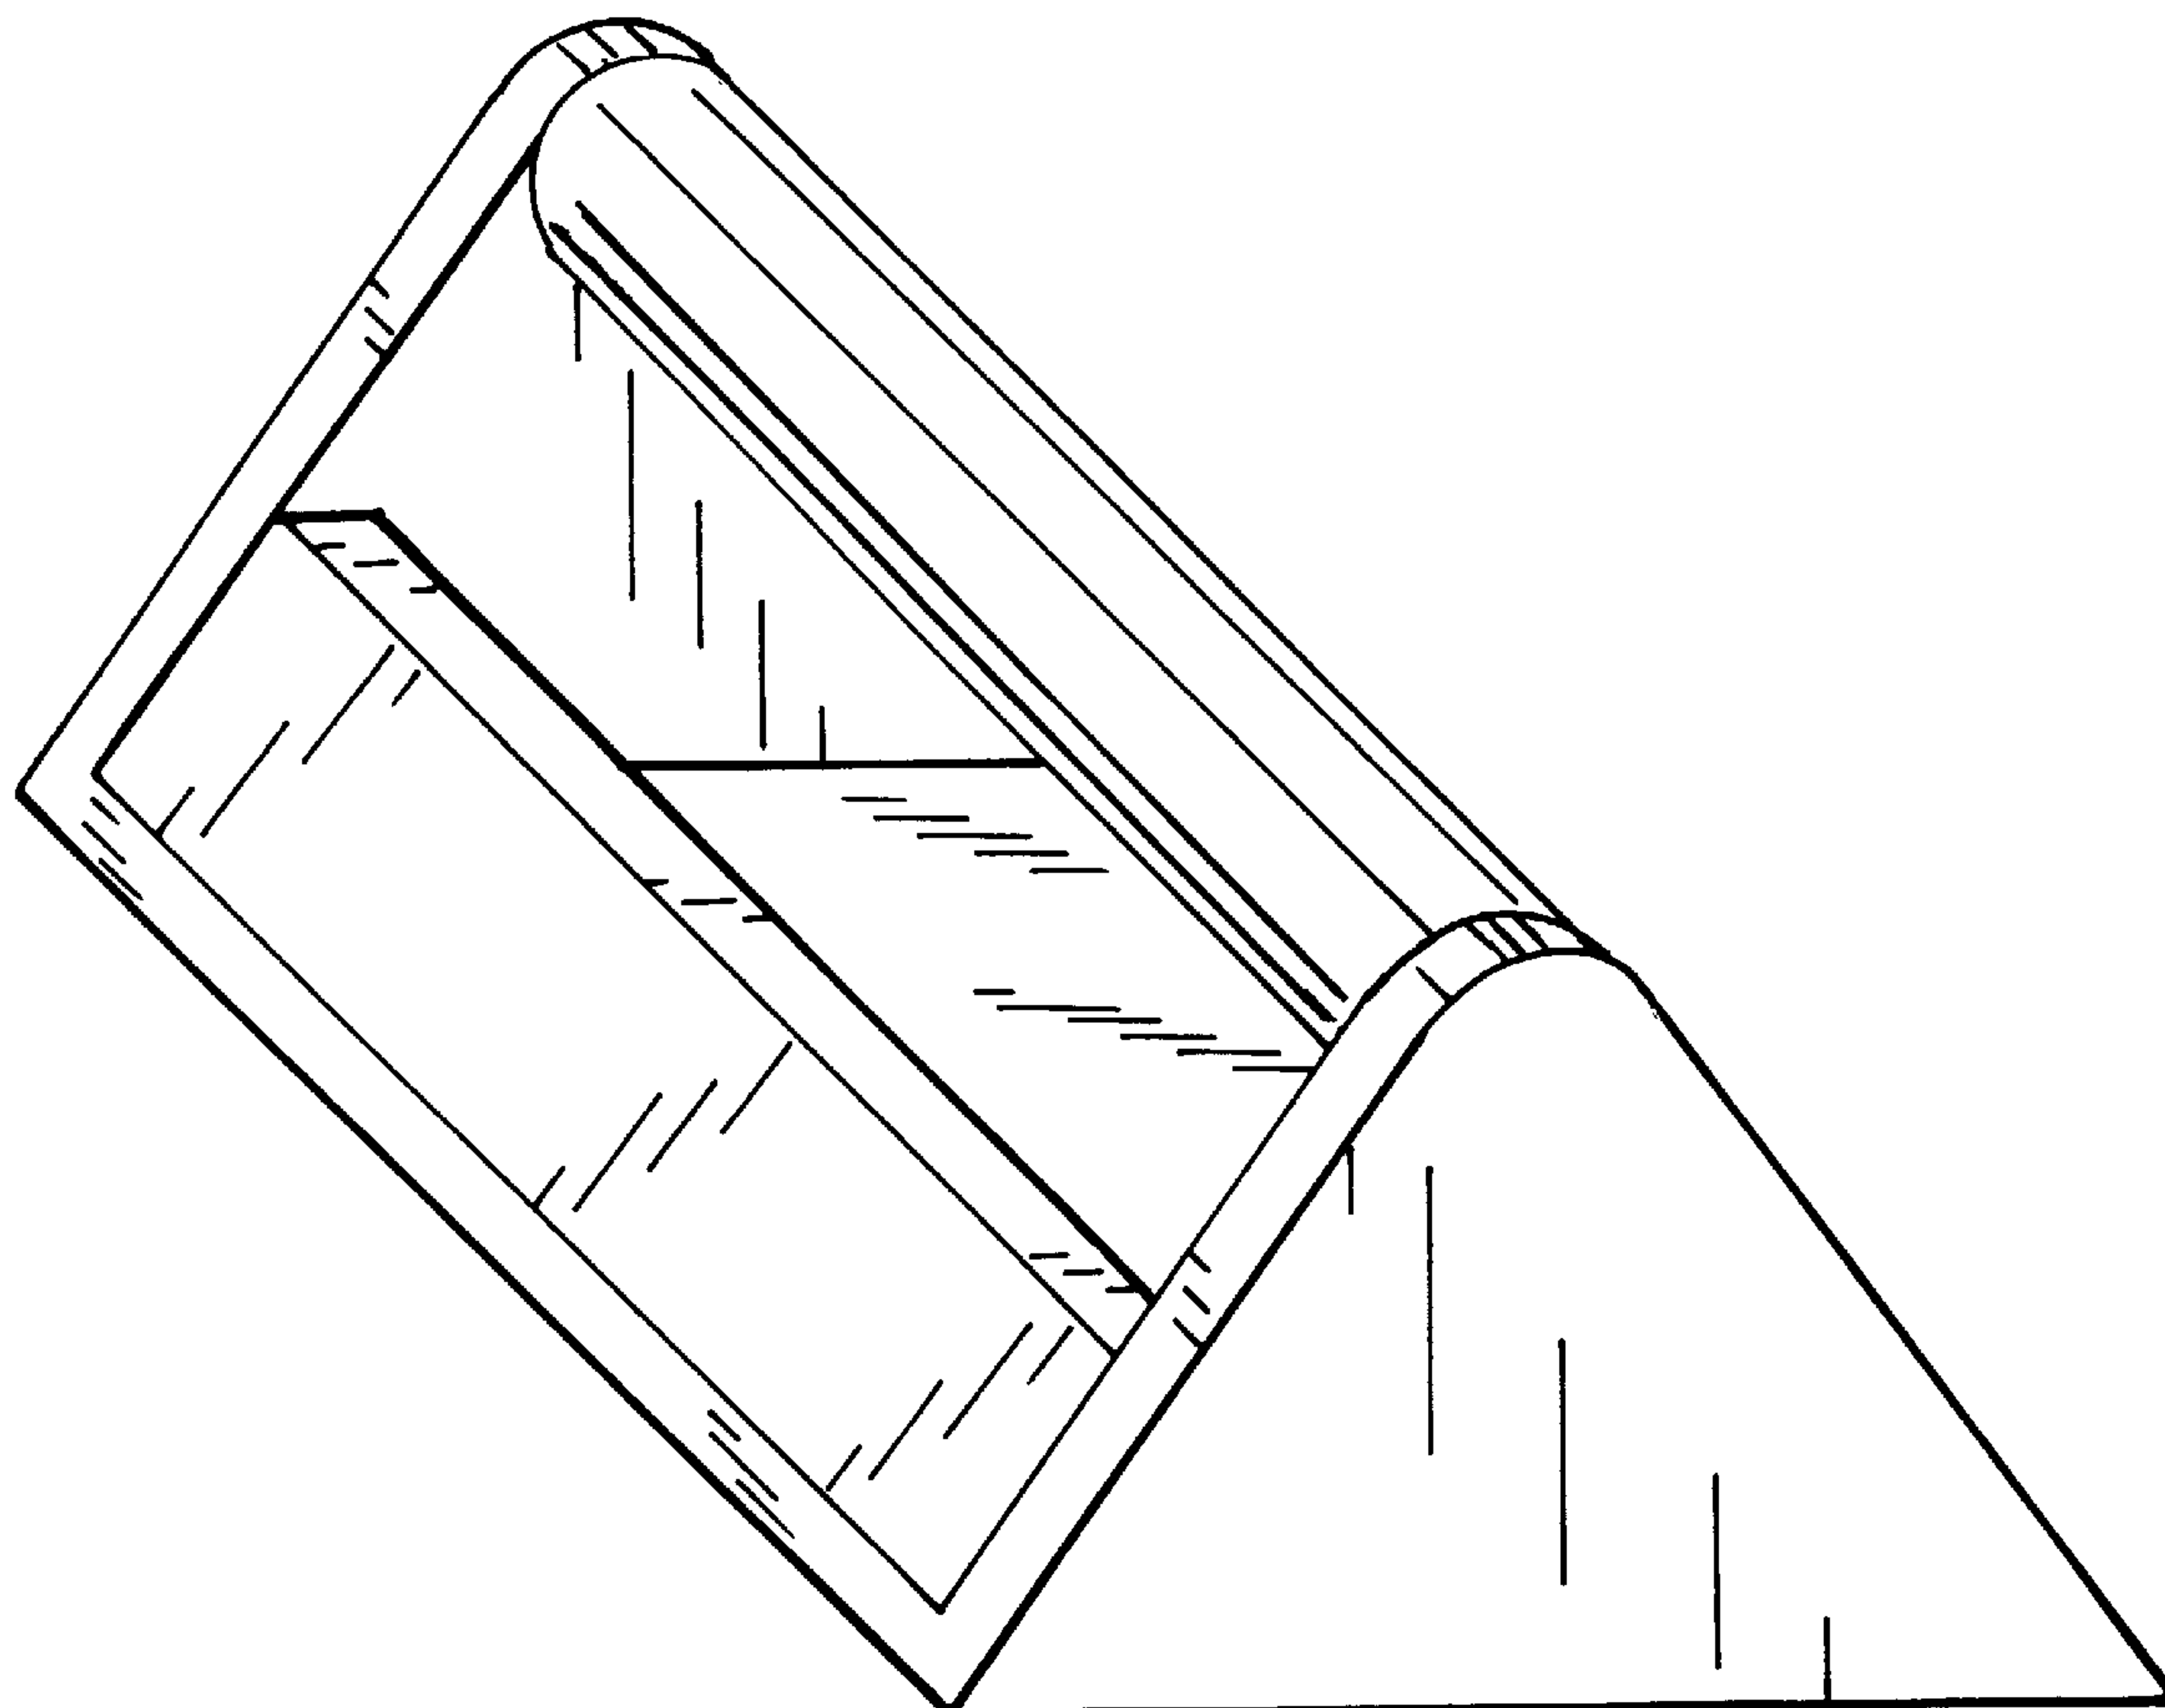

FIG. 2 provides a side view of the ornamental design for a
push-up hand rest produced in accordance with the teachings
of this invention. The other side is a mirror image of the side
illustrated.

FIG. 3 provides a view from above of the ornamental design
for a push-up hand rest produced in accordance with the
teachings of this invention.

FIG. 4 provides an end view of the ornamental design for a
push-up hand rest produced in accordance with the teachings
of this invention. The other end is a mirror image of the end
illustrated; and,

FIG. 5 provides a view from below of the ornamental design
for a push-up hand rest produced in accordance with the
teachings of this invention.
