[57] CLAIM

The ornamental design for a combined pet bed, object holder and organizer, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material which is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document of the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but otherwise reverses all other copyright rights whatsoever.

FIG. 1 is a front, top, and right side perspective view of a combined pet bed, object holder and organizer according to the invention; and,

FIG. 2 is another perspective view thereof with a portion of the front cut away to reveal a litter box or feed tray.

The rear and bottom elements of the design are unornamented.

The broken lines showing environmental objects are for illustrative purposes only and form no part of the claimed design.

The portions of the pet bed, object holder and organizer not shown in the drawing form no part of the claimed design.
