[57] **CLAIM**

The ornamental design for a portion of a motorcycle tank console, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a portion of a motorcycle tank console embodying the present invention while in use. FIG. 2 is an enlarged perspective view of the portion of a motorcycle tank console.

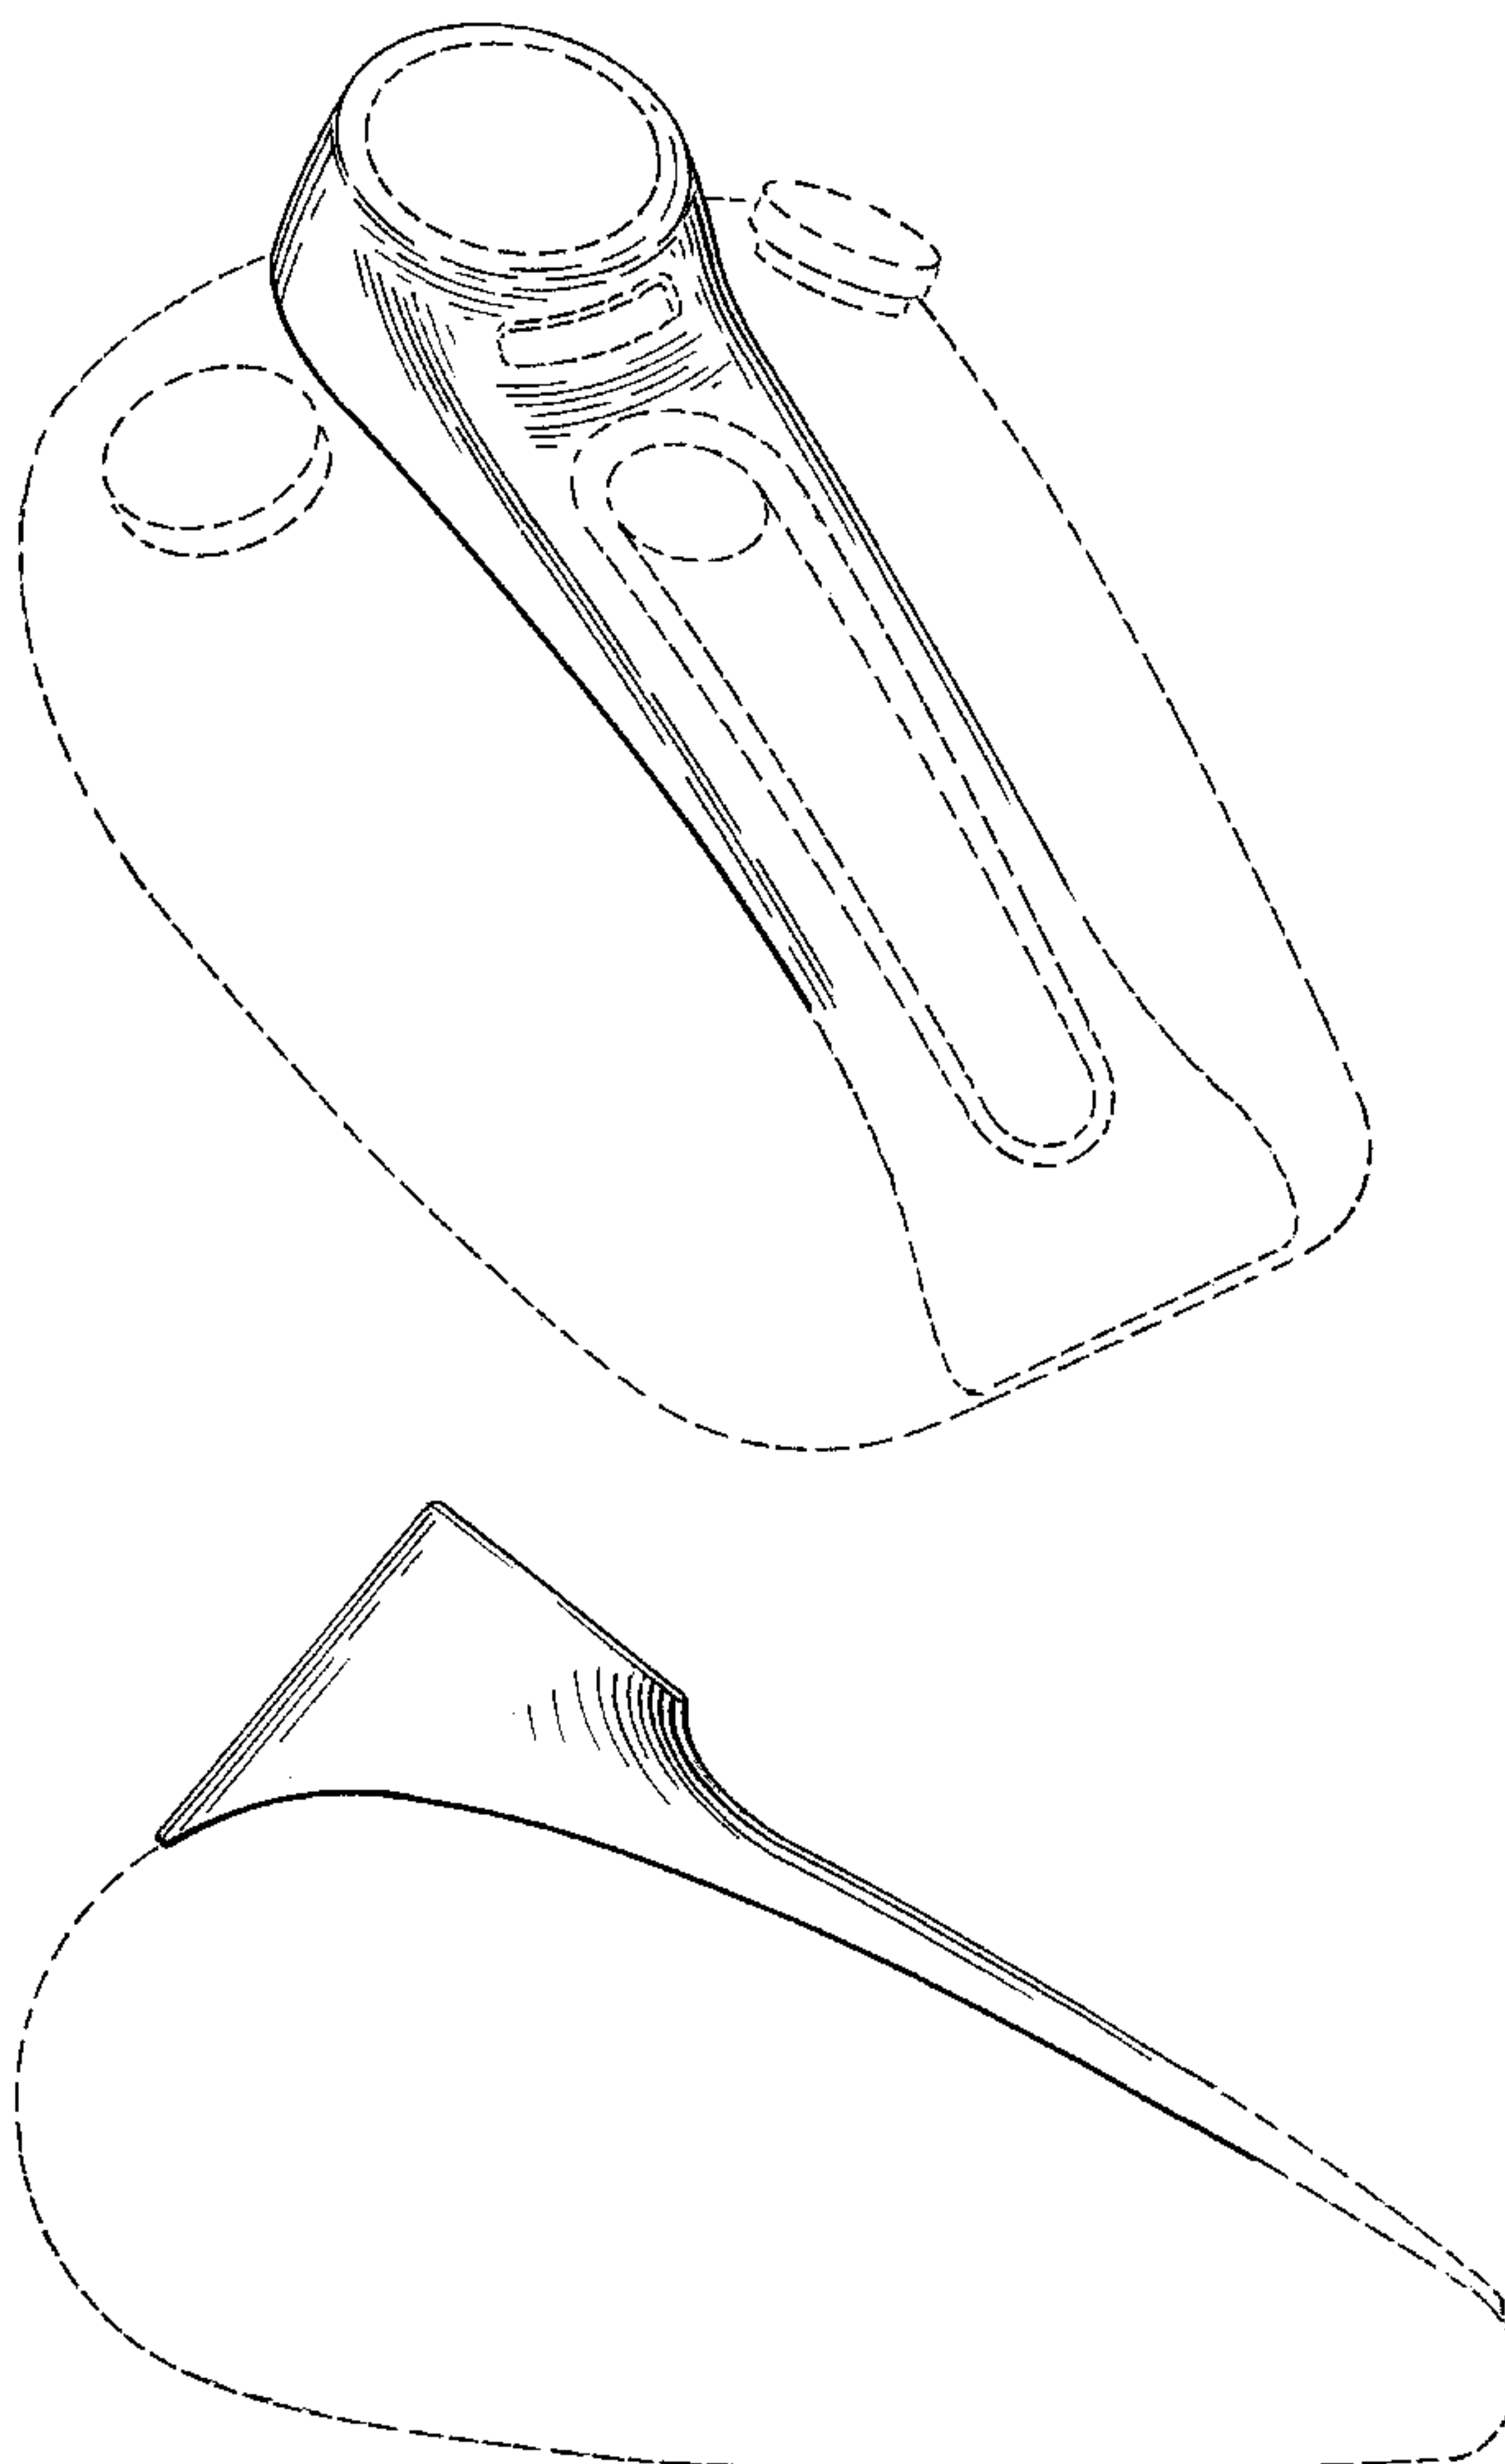

FIG. 3 is a enlarged top view of the portion of a motorcycle tank console; and,

FIG. 4 is a enlarged side view of the portion of the motorcycle tank console, the opposite side being a mirror image.

The present application is directed to the design illustrated in the drawings. The other features of the drawings, such as the motorcycle tank shown in FIG. 1, are not considered part of the design sought to be patented, and have accordingly been shown in broken lines.

The design sought to be patented is not visible in the bottom view. Accordingly, that view has been omitted.
