[57] CLAIM

The ornamental design for an automotive wheel rim, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an automotive wheel rim showing my new design;
FIG. 2 is an enlarged front view thereof; and,
FIG. 3 is an enlarged left side view thereof, it being understood that the opposite side is a mirror image thereof. The broken line showing of environment is for illustrative purposes only and forms no part of the claimed design.
