[57] CLAIM

The ornamental design for a display panel for power machine, as shown and described.

DESCRIPTION

Cross reference is hereby made to Design Applications 29/103,250, entitled Display Panel for Power Machine, and 29/103,256, entitled Display Panel for Power Machine, filed Apr. 12, 1999.

FIG. 1 is a front view of the display panel for power machine, showing our new design, the broken line showing of the boundary is for illustrative purposes only, and forms no part of the claimed design;

FIG. 2 is a side view of the display panel of FIG. 1; and, FIG. 3 is a top view of the display panel of FIGS. 1-2.
