### [57] CLAIM

The ornamental design for a pouch for an absorbent article, as shown and described.

### DESCRIPTION

FIG. 1 illustrates a perspective view of a pouch for an absorbent article showing our new design; and, FIG. 2 illustrates a top plan view of an unfolded pouch for an absorbent article showing our new design; the opposite side being plain and unornamented. In the drawings, the broken lines define the boundaries of the claimed pattern as well as the boundaries of the article to which the pattern is applied, and form no part of the claim.
