[57] **CLAIM**

The ornamental design for a combined bottle and bottle cap, as shown and described.

DESCRIPTION

FIG. 1 is a side view of the combined bottle and bottle cap,

with the bottle cap, shown in place on the bottle, comprising a handle portion which sits on top of the bottle and a rod portion, integrally connected to the handle portion of the bottle cap, which fits inside the bottle through a hole in the top of the bottle.

FIG. 2 is a side perspective view of the combined bottle and bottle cap (with the top of the bottle canted slightly away from the viewer's perspective), with the bottle cap in place on the bottle.

FIG. 3 is a top plan view of the combined bottle and bottle cap, with the bottle cap in place on the bottle.

FIG. 4 is a bottom plan view of the combined bottle and bottle cap, with the bottle cap in place on the bottle.

FIG. 5 is a side view of the combined bottle and bottle cap according to an embodiment of the design, with the bottle cap in place on the bottle and a stylized trademark "HEAVY WATER" printed along the length of the rod of the bottle cap.

FIG. 6 is a side view of the combined bottle and bottle cap according to FIG. 5, but turned 90 degrees to the left; and,

FIG. 7 is a side view of the combined bottle and bottle cap according to FIG. 5, but turned 90 degrees to the right.

The "HEAVY WATER" trademark forming part of the claimed design is a pending trademark of The Heavy Water Company.
