[57] **CLAIM**

The ornamental design for a “bottle identification belt”, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a bottle identification belt, showing my new design;
FIG. 2 is a rear elevational view thereof, the right and left side elevation views being substantially mirror images thereof; and,
FIG. 3 is a top plan view thereof, the bottom plan view being a mirror image thereof.
The broken line showings of a bottle, soccer ball, baseball, and baseball bat are for illustrative purposes only and form no part of the claimed design.
