[57] **CLAIM**

The ornamental design for an amplified control keypad, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the amplified control keypad; FIG. 2 is a right side view of the amplified control keypad; FIG. 3 is a left side view of the amplified control keypad; FIG. 4 is a bottom view of the amplified control keypad; FIG. 5 is a top view of the amplified control keypad; FIG. 6 is an additional front elevational view thereof; and, FIG. 7 is a bottom, front and right side perspective view thereof.

The broken-line disclosure of the wall plate in the views is for illustrative purposes only and forms no part of the claimed design.
